

an extended repayment schedule) including, upon written notice from the carrier to the supplier, converting any unpaid balances of advance payments to overpayments. Overpayments are recovered in accordance with part 401, subpart F of this chapter concerning claims collection and compromise and part 405, subpart C of this chapter concerning recovery of overpayments.

(h) *Prompt payment interest.* An advance payment is a “payment” under section 1842(c)(2)(C) of the Act for purposes of meeting the time limit for the payment of clean claims, to the extent of the advance payment.

(i) *Notice, review, and appeal rights.* (1) The decision to advance payments and the determination of the amount of any advance payment are committed to HCFA’s discretion and are not subject to review or appeal.

(2) The carrier must notify the supplier receiving an advance payment about the amounts advanced and recouped and how any Medicare payment amounts have been adjusted.

(3) The supplier may request an administrative review from the carrier if it believes the carrier’s reconciliation of the amounts advanced and recouped is incorrectly computed. If a review is requested, the carrier must provide a written explanation of the adjustments.

(4) The review and explanation described in paragraph (i)(3) of this section is separate from a supplier’s right to appeal the amount and computation of benefits paid on the claim, as provided at part 405, subpart H of this chapter. The carrier’s reconciliation of amounts advanced and recouped is not an initial determination as defined at §405.803 of this chapter, and any written explanation of a reconciliation is not subject to further administrative review.

Subpart A—General Provisions

SOURCE: 63 FR 35068, June 26, 1998, unless otherwise noted.

§ 422.1 Basis and scope.

(a) *Basis*. This part is based on the indicated provisions of the following sections of the Act:

- 1851—Eligibility, election, and enrollment.
- 1852—Benefits and beneficiary protections.
- 1853—Payments to Medicare+Choice (M+C) organizations.
- 1854—Premiums.
- 1855—Organization, licensure, and solvency of M+C organizations.
- 1856—Standards.
- 1857—Contract requirements.
- 1859—Definitions; enrollment restriction for certain M+C plans.

(b) *Scope*. This part establishes standards and sets forth the requirements, limitations, and procedures for Medicare services furnished, or paid for, by Medicare+Choice organizations through Medicare+Choice plans.

§ 422.2 Definitions.

As used in this part—
ACR stands for adjusted community rate.

Additional benefits are health care services not covered by Medicare, and reductions in premiums or cost-sharing for Medicare covered services, funded from adjusted excess amounts as calculated in the ACR.

§ 422.2

Adjusted community rate (ACR) is the equivalent of the maximum amount allowed under § 422.310.

Arrangement means a written agreement between an M+C organization and a provider or provider network, under which—

(1) The provider or provider network agrees to furnish for a specific M+C plan(s) specified services to the organization's M+C enrollees;

(2) The organization retains responsibilities for the services; and

(3) Medicare payment to the organization discharges the enrollee's obligation to pay for the services.

Balance billing generally refers to an amount billed by a provider that represents the difference between the amount the provider charges an individual for a service and the sum of the amount the individual's health insurer (for example, the original Medicare program) will pay for the service plus any cost-sharing by the individual.

Basic benefits means all Medicare-covered benefits, except hospice services, and additional benefits.

Benefits are health care services that are intended to maintain or improve the health status of enrollees, for which the M+C organization incurs a cost or liability under an M+C plan, and that are approved in the Benefit/ACR process.

Coinsurance is a fixed percentage of the total amount paid for a health care service that can be charged to an M+C enrollee on a per-service basis.

Copayment is a fixed amount that can be charged to an M+C plan enrollee on a per-service basis.

Cost-sharing includes deductibles, co-insurance, and copayments.

Emergency medical condition means a medical condition manifesting itself by acute symptoms of sufficient severity (including severe pain) such that a prudent layperson, with an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in—

(1) Serious jeopardy to the health of the individual or, in the case of a pregnant woman, the health of the woman or her unborn child;

(2) Serious impairment to bodily functions; or

42 CFR Ch. IV (10–1–99 Edition)

(3) Serious dysfunction of any bodily organ or part.

Emergency services means covered inpatient and outpatient services that are—

(1) Furnished by a provider qualified to furnish emergency services; and

(2) Needed to evaluate or stabilize an emergency medical condition.

Licensed by the State as a risk-bearing entity means the entity is licensed or otherwise authorized by the State to assume risk for offering health insurance or health benefits coverage, such that the entity is authorized to accept prepaid capitation for providing, arranging, or paying for comprehensive health services under an M+C contract.

M+C stands for Medicare+Choice.

M+C eligible individual means an individual who meets the requirements of § 422.50.

M+C organization means a public or private entity organized and licensed by a State as a risk-bearing entity (with the exception of provider-sponsored organizations receiving waivers) that is certified by HCFA as meeting the M+C contract requirements.

M+C plan means health benefits coverage offered under a policy or contract by an M+C organization that includes a specific set of health benefits offered at a uniform premium and uniform level of cost-sharing to all Medicare beneficiaries residing in the service area of the M+C plan.

M+C plan enrollee is an M+C eligible individual who has elected an M+C plan offered by an M+C organization.

Mandatory supplemental benefits are services not covered by Medicare that an M+C enrollee must purchase as part of an M+C plan that are paid for directly by (or on behalf of) Medicare enrollees, in the form of premiums or cost-sharing.

MSA stands for medical savings account.

MSA trustee means a person or business with which an enrollee establishes an M+C MSA. A trustee may be a bank, an insurance company, or any other entity that—

(1) Is approved by the Internal Revenue Service to be a trustee or custodian of an individual retirement account (IRA); and

(2) Meets the requirements of § 422.262(b).

Original Medicare means health insurance available under Medicare Part A and Part B through the traditional fee-for service payment system.

Optional supplemental benefits means health benefits normally not covered by Medicare purchased at the option of the M+C enrollee and that are paid for directly by (or on behalf of) the Medicare enrollee, in the form of premiums or cost-sharing. These services may be grouped or offered individually.

Point of service (POS) is a benefit option that an M+C coordinated care plan can offer to its Medicare enrollees as an additional, mandatory supplemental, or optional supplemental benefit. Under the POS benefit option, the M+C plan allows members the option of receiving specified services outside of the M+C plan's provider network. In return for this flexibility, members typically have higher cost-sharing requirements for services received and, where offered as a mandatory or optional supplemental benefit, may also be charged a premium for the POS benefit option.

Provider means—

(1) Any individual who is engaged in the delivery of health care services in a State and is licensed or certified by the State to engage in that activity in the State; and

(2) Any entity that is engaged in the delivery of health care services in a State and is licensed or certified to deliver those services if such licensing or certification is required by State law or regulation.

Provider network means the providers with which an M+C organization contracts or makes arrangements to furnish covered health care services to Medicare enrollees under an M+C coordinated care or network MSA plan.

Religious and fraternal (RFB) society means an organization that—

(1) Is described in section 501(c)(8) of the Internal Revenue Code of 1986 and is exempt from taxation under section 501(a) of that Act; and

(2) Is affiliated with, carries out the tenets of, and shares a religious bond with, a church or convention or association of churches or an affiliated group of churches.

RFB plan means a coordinated care plan that is offered by an RFB society.

Service area means a geographic area approved by HCFA within which an M+C eligible individual may enroll in a particular M+C plan offered by the organization. For coordinated care plans and network medical savings account (MSA) plans only, the service area also is the area within which a network of providers exists that meets the access standards in § 422.112. The service area also defines the area where a uniform benefit package is offered. In deciding whether to approve a service area proposed by an M+C organization for an M+C plan, HCFA considers the M+C organization's commercial service area for the type of plan in question (if applicable), community practices generally, whether the boundaries of the service area are discriminatory in effect, and, in the case of coordinated care and network MSA plans, the adequacy of the provider network in the proposed service area. HCFA may approve single county M+C non-network MSA plans even if the M+C organization has a different commercial service area.

Urgently needed services means covered services provided when an enrollee is temporarily absent from the M+C plan's service (or, if applicable, continuation) area (or, under unusual and extraordinary circumstances, provided when the enrollee is in the service or continuation area but the organization's provider network is temporarily unavailable or inaccessible) when such services are medically necessary and immediately required—

(1) As a result of an unforeseen illness, injury, or condition; and

(2) It was not reasonable given the circumstances to obtain the services through the organization offering the M+C plan.

§ 422.4 Types of M+C plans.

(a) *General rule.* An M+C plan may be a coordinated care plan, a combination of an M+C MSA plan and a contribution into an M+C MSA established in accordance with § 422.262, or an M+C private fee-for-service plan.

(1) *A coordinated care plan.* A coordinated care plan is a plan that includes a network of providers that are under

§ 422.6

42 CFR Ch. IV (10–1–99 Edition)

contract or arrangement with the organization to deliver the benefit package approved by HCFA.

(i) The network is approved by HCFA to ensure that all applicable requirements are met, including access and availability, service area, and quality.

(ii) Coordinated care plans may include mechanisms to control utilization, such as referrals from a gatekeeper for an enrollee to receive services within the plan, and financial arrangements that offer incentives to providers to furnish high quality and cost-effective care.

(iii) Coordinated care plans include health maintenance organizations (HMOs), provider-sponsored organizations (PSOs) and preferred provider organizations (PPOs), RFBs, and other network plans (except network MSA plans).

(2) *A combination of an M+C MSA plan and a contribution into the M+C MSA established in accordance with § 422.262.* (i) *M+C MSA plan* means a plan that—

(A) Pays at least for the services described in § 422.101, after the enrollee has incurred countable expenses (as specified in the plan) equal in amount to the annual deductible specified in § 422.103(d); and

(B) Meets all other applicable requirements of this part.

(ii) An M+C MSA plan may be either a network plan or a non-network plan.

(A) *M+C network MSA plan* means an MSA plan under which enrollees must receive services through a defined provider network that is approved by HCFA to ensure that all applicable requirements are met, including access and availability, service area, and quality.

(B) *M+C non-network MSA plan* means an MSA plan under which enrollees are not required to receive services through a provider network.

(iii) *M+C MSA* means a trust or custodial account—

(A) That is established in conjunction with an MSA plan for the purpose of paying the qualified expenses of the account holder; and

(B) Into which no deposits are made other than contributions by HCFA under the M+C program, or a trustee-to-trustee transfer or rollover from another M+C MSA of the same account

holder, in accordance with the requirements of sections 138 and 220 of the Internal Revenue Code.

(3) *M+C private fee-for-service plan.* An M+C private fee-for-service plan is an M+C plan that—

(i) Pays providers of services at a rate determined by the plan on a fee-for-service basis without placing the provider at financial risk;

(ii) Does not vary the rates for a provider based on the utilization of that provider's services; and

(iii) Does not restrict enrollees' choices among providers that are lawfully authorized to provide services and agree to accept the plan's terms and conditions of payment.

(b) *Multiple plans.* Under its contract, an M+C organization may offer multiple plans, regardless of type, provided that the M+C organization is licensed or approved under State law to provide those types of plans (or, in the case of a PSO plan, has received from HCFA a waiver of the State licensing requirement). If an M+C organization has received a waiver for the licensing requirement to offer a PSO plan, that waiver does not apply to the licensing requirement for any other type of M+C plan.

§ 422.6 Application requirements.

(a) *Scope.* This section sets forth application requirements for entities that seek a contract as an M+C organization offering an M+C plan.

(b) *Completion of an application.* (1) In order to obtain a determination on whether it meets the requirements to become an M+C organization and is qualified to provide a particular type of M+C plan, an entity, or an individual authorized to act for the entity (the applicant) must complete a certified application, in the form and manner required by HCFA, including the following:

(i) Documentation of appropriate State licensure or State certification that the entity is able to offer health insurance or health benefits coverage that meets State-specified standards applicable to M+C plans, and is authorized by the State to accept prepaid capitation for providing, arranging, or paying for the comprehensive health

care services to be offered under the M+C contract; or

(ii) Federal waiver as described in subpart H of this part.

(2) The authorized individual must describe thoroughly how the entity and M+C plan meet, or will meet, the requirements described in this part.

(c) *Responsibility for making determinations.* HCFA is responsible for determining whether an entity qualifies as an M+C organization and whether proposed M+C plans meet the requirements of this part.

(d) *Resubmittal of application.* An application that has been denied by HCFA may not be resubmitted for 4 months after the date of the notice from HCFA denying the application.

(e) *Disclosure of application information under the Freedom of Information Act.* An applicant submitting material that he or she believes is protected from disclosure under 5 U.S.C. 552, the Freedom of Information Act, or because of exceptions provided in 45 CFR part 5 (the Department's regulations providing exceptions to disclosure), should label the material "privileged" and include an explanation of the applicability of an exception described in 45 CFR part 5.

§ 422.8 Evaluation and determination procedures.

(a) *Basis for evaluation and determination.* (1) HCFA evaluates an application for an M+C contract on the basis of information contained in the application itself and any additional information that HCFA obtains through on-site visits, public hearings, and any other appropriate procedures.

(2) If the application is incomplete, HCFA notifies the entity and allows 60 days from the date of the notice for the entity to furnish the missing information.

(3) After evaluating all relevant information, HCFA determines whether the entity's application meets the applicable requirements of § 422.6.

(b) *Use of information from a prior contracting period.* If an entity has failed to comply with the terms of a previous year's contract with HCFA under title XVIII of the Act as an HMO, competitive medical plan, health care prepayment plan, or M+C organization or an

entity has failed to complete a corrective action plan during the term of the contract, HCFA may deny an application based on the entity's failure to comply with that prior contract with HCFA even if the entity meets all of the current requirements.

(c) *Notice of determination.* HCFA notifies each entity that applies for an M+C contract under this part of its determination and the basis for the determination. The determination may be approval, intent to deny, or denial.

(d) *Approval of application.* If HCFA approves the application, it gives written notice to the M+C organization, indicating that it meets the requirements for an M+C contract.

(e) *Intent to deny.* (1) If HCFA finds that the entity does not appear to meet the requirements of an M+C organization and appears to be able to meet those requirements within 60 days, HCFA gives the entity notice of intent to deny qualification and a summary of the basis for this preliminary finding.

(2) Within 60 days from the date of the notice, the entity may respond in writing to the issues or other matters that were the basis for HCFA's preliminary finding and may revise its application to remedy any defects HCFA identified.

(f) *Denial of application.* If HCFA denies the application, it gives written notice to the M+C organization indicating—

(1) That the M+C organization does not meet the contract requirements under part C of title XVIII of the Act;

(2) The reasons why the M+C organization does not meet the contract requirements; and

(3) The M+C organization's right to request reconsideration in accordance with the procedures specified in subpart N of this part.

(g) *Oversight of continuing compliance.*

(1) HCFA oversees an entity's continued compliance with the requirements for an M+C organization.

(2) If an entity no longer meets those requirements, HCFA terminates the contract in accordance with § 422.510.

§ 422.10 Cost-sharing in enrollment-related costs.

(a) *Basis and scope.* This section implements that portion of section 1857 of

§ 422.50

42 CFR Ch. IV (10–1–99 Edition)

the Act that pertains to cost-sharing in enrollment-related costs. It sets forth the procedures that HCFA follows to assess the required fees on M+C plans offered by M+C organizations.

(b) *Purpose of assessment.* Section 1857(e)(2) of the Act authorizes HCFA to charge and collect from each M+C plan offered by an M+C organization its pro rata share of fees for administering section 1851 of the Act, relating to dissemination of enrollment information; and section 4360 of the Omnibus Budget Reconciliation Act of 1990, relating to the health insurance counseling and assistance program.

(c) *Applicability.* The fee assessment also applies to those demonstrations for which enrollment is effected or coordinated under section 1851 of the Act.

(d) *Collection of fees—(1) Timing of collection.* HCFA collects the fees over nine consecutive months beginning with January of each fiscal year.

(2) *Amount to be collected.* The aggregate amount of fees for a fiscal year is the lesser of the following:

(i) The estimated costs to be incurred by HCFA in that fiscal year to carry out the activities described in paragraph (b) of this section.

(ii) The amount authorized in the DHHS appropriation for the fiscal year.

(e) *Assessment methodology.* (1) The amount assessed is a percentage of the total Medicare payments to each organization. HCFA determines the percentage rate using the following formula:

A times B divided by C where—

A is the total of the estimated January payments to all organizations subject to assessment;

B is the nine-month (January through September) assessment period; and

C is the total assessment amount authorized for the particular fiscal year in accordance with paragraph (d)(2) of this section.

(2) HCFA determines each organization's pro rata share of the annual fee on the basis of that organization's calculated monthly payment amount during the nine consecutive months beginning with January. HCFA calculates each organization's monthly pro rata share by multiplying the established percentage rate by the total monthly calculated Medicare payment amount to the organization as recorded in

HCFA's payment system on the first day of the month.

(3) HCFA deducts the organization's fee from the amount of Federal funds otherwise payable to the organization for that month under the M+C program.

(4) If assessments reach the amount authorized for the year before the end of September, HCFA discontinues assessment.

(5) If there are delays in determining the amount of the annual aggregate fees specified in paragraph (d)(2) of this section or the fee percentage rate specified in paragraph (e), HCFA may adjust the assessment time period and the fee percentage amount.

§ 422.54 Continuation of enrollment.

(a) *Definition.* Continuation area means an additional area (outside the service area) within which the M+C organization furnishes or arranges for furnishing services to its continuation-of-enrollment enrollees. Enrollees must reside in a continuation area on a permanent basis. A continuation area does not expand the service area of any plan.

(b) *Basis rule.* An M+C organization may offer a continuation of enrollment option to enrollees when they no longer reside in the service area of a plan and permanently move into the geographic area designated by the M+C organization as a continuation of enrollment area. The intent to no longer reside in an area and permanently live in another area is verified through documentation that establishes residency, such as, driver's license, voter registration.

(c) *General requirements.* (1) An M+C organization that wishes to offer a continuation of enrollment option must meet the following requirements:

(i) Obtain HCFA's approval of the continuation area, the marketing materials that describe the option, and the M+C organization's assurances of access to services.

(ii) Describe the option(s) in the member materials it offers and make the option available to all enrollees residing in the continuation area.

(2) An enrollee who moves out of the service area and into the geographic area designated as the continuation area has the choice of continuing enrollment or disenrolling from the plan.

(d) *Specific requirements—*(1) *Basic benefits.* The M+C organization must, at a minimum, provide or arrange for the Medicare-covered benefits described in § 422.101(a).

(2) *Reasonable access.* The M+C organization must ensure reasonable access in the continuation area—

(i) Through contracts with providers, or through direct payment of claims that satisfy the requirements in § 422.100(b)(2), to other providers who meet the requirement in subpart E of this part; and

(ii) By ensuring that the access requirements of § 422.112 are met.

(3) *Reasonable cost-sharing.* For services furnished in the continuation area, an enrollee's cost-sharing liability is limited to—

(i) The cost-sharing amounts required in the M+C plan's service area (in which the enrollee no longer resides) if provided by contract providers;

(ii) The cost-sharing amounts required by the continuation area plan if provided through agreements with another M+C plan; or

(iii) The amount for which a beneficiary would be liable under original Medicare if noncontracting providers furnish the services.

(4) *Protection of enrollee rights.* An M+C organization that offers a continuation of enrollment option must convey all enrollee rights conferred under this rule, with the understanding that—

(i) The ultimate responsibility for all appeals and grievance requirements remain with the organization that is receiving payment from HCFA; and

(ii) Organizations that require enrollees to give advance notice of intent to use the continuation of enrollment option, must stipulate the notification process in the marketing materials.

(e) *Capitation payments.* HCFA's capitation payments to all M+C organizations, for all Medicare enrollees, are based on rates established on the basis of the enrollee's permanent residence, regardless of where he or she receives services.

§ 422.56 Limitations on enrollment in an M+C MSA plan.

(a) *General.* An individual is not eligible to elect an M+C MSA plan—

(1) If the number of individuals enrolled in M+C MSA plans has reached 390,000;

(2) Unless the individual provides assurances that are satisfactory to HCFA that he or she will reside in the United States for at least 183 days during the year for which the election is effective; or

(3) On or after January 1, 2003, unless the enrollment is the continuation of an enrollment in effect as of that date.

(b) *Individuals eligible for or covered under other health benefits program.* An individual who is enrolled in a Federal Employee Health Benefit plan under 5 U.S.C. chapter 89, or is eligible for health care benefits through the Veteran's Administration under 10 U.S.C. chapter 55 or the Department of Defense under 38 U.S.C. chapter 17, may not enroll in an M+C MSA plan.

(c) *Individuals eligible for Medicare cost-sharing under Medicaid State plans.* An individual who is entitled to coverage of Medicare cost-sharing under a State plan under title XIX of the Act is not eligible to enroll in an M+C MSA plan.

(d) *Other limitations.* An individual who receives health benefits that cover all or part of the annual deductible under the M+C MSA plan may not enroll in an M+C MSA plan. Examples of this type of coverage include, but are not limited to, primary health care coverage other than Medicare, current coverage under the Medicare hospice benefit, supplemental insurance policies not specifically permitted under § 422.104, and retirement health benefits.

§ 422.57 Limited enrollment under M+C RFB plans.

An RFB society that offers an M+C RFB plan may offer that plan only to members of the church, or convention or group of churches with which the society is affiliated.

§ 422.60 Election process.

(a) *Acceptance of enrollees: General rule.* (1) Except for the limitations on enrollment in an M+C MSA plan provided by § 422.62(d)(1) and except as specified in paragraph (a)(2) of this section, each M+C organization must accept without restriction (except for an M+C RFB plan as provided by § 422.57)

individuals who are eligible to elect an M+C plan that the M+C organization offers and who elect an M+C plan during initial coverage election periods under § 422.62(a)(1), annual election periods under § 422.62(a)(2), and under the circumstances described in § 422.62(b)(1) through (b)(4).

(2) M+C organizations must accept elections during the open enrollment periods specified in § 422.62(a)(3), (a)(4), and (a)(5) if their M+C plans are open to new enrollees.

(b) *Capacity to accept new enrollees.* (1) M+C organizations must submit information on enrollment capacity of plans they offer by May 1 of each year as provided by § 422.306(a)(1).

(2) If HCFA determines that an M+C plan offered by an M+C organization has a capacity limit, and the number of M+C eligible individuals who elect to enroll in that plan exceeds the limit, the M+C organization offering the plan may limit enrollment in the plan under this part, but only if it provides priority in acceptance as follows:

(i) First, for individuals who elected the plan prior to the HCFA determination that capacity has been exceeded, elections will be processed in chronological order by date of receipt of their election forms.

(ii) Then for other individuals in a manner that does not discriminate on the basis of any factor related to health as described in § 422.110.

(c) *Election forms.* (1) The election form must comply with HCFA instructions regarding content and format and have been approved by HCFA as described in § 422.80. The form must be completed and signed by the M+C eligible individual (or the individual who will soon become entitled to Medicare benefits) and include authorization for disclosure and exchange of necessary information between the U.S. Department of Health and Human Services and its designees and the M+C organization. Persons who assist beneficiaries in completing forms must sign the form and indicate their relationship to the beneficiary.

(2) The M+C organization must file and retain election forms for the period specified in HCFA instructions.

(d) *When an election is considered to have been made.* An election in an M+C

plan is considered to have been made on the date the election form is received by the M+C organization.

(e) *Handling of election forms.* The M+C organization must have an effective system for receiving, controlling, and processing election forms. The system must meet the following conditions and requirements:

(1) Each election form is dated as of the day it is received.

(2) Election forms are processed in chronological order, by date of receipt.

(3) The M+C organization gives the beneficiary prompt written notice of acceptance or denial in a format specified by HCFA.

(4) In a format specified by HCFA, a notice of acceptance—

(i) Informs the beneficiary of the date on which enrollment will be effective under § 422.68; and

(ii) If the M+C plan is enrolled to capacity, explains the procedures that will be followed when vacancies occur.

(5) A notice of denial explains the reasons for denial in a format specified by HCFA.

(6) Within 30 days from receipt of the election form (or from the date a vacancy occurs for an individual who was accepted for future enrollment), the M+C organization transmits the information necessary for HCFA to add the beneficiary to its records as an enrollee of the M+C organization.

(f) *Exception for employer group health plans.* (1) In cases in which an M+C organization has both a Medicare contract and a contract with an employer group health plan, and in which the M+C organization arranges for the employer to process election forms for Medicare-entitled group members who wish to enroll under the Medicare contract, the effective date of the election may be up to, but may not exceed, 90 days before the date the M+C organization received the election from the employer. Any adjustment in effective date must conform with adjustments in payment, as described under § 422.250(b).

(2) In order to obtain the effective date described in paragraph (f)(1) of this section, the beneficiary must certify that, at the time of enrollment in the M+C organization, he or she re-

ceived the disclosure statement specified in § 422.111.

(3) The M+C organization must submit the enrollment within 30 days from receipt of the election form from the employer.

§ 422.62 Election of coverage under an M+C plan.

(a) *General: Coverage election periods—*

(1) *Initial coverage election period.* The initial coverage election period is the period during which a new M+C eligible individual may make an initial election. This period begins 3 months prior to the month the individual is first entitled to both Part A and Part B and ends the last day of the month preceding the month of entitlement.

(2) *Annual election period.* (i) Beginning in 1999, the month of November is the annual election period for the following calendar year. Organizations offering M+C plans in January 1999 must open enrollment to Medicare beneficiaries in November 1998.

(ii) During the annual election period, an individual eligible to enroll in an M+C plan may change his or her election from an M+C plan to original Medicare or to a different M+C plan, or from original Medicare to an M+C plan.

(3) *Open enrollment and disenrollment opportunities through 2001.* From 1998 through 2001, the number of elections or changes that an M+C eligible individual may make is not limited (except as provided for in paragraph (d) of this section for M+C MSA plans). Subject to the M+C plan being open to enrollees as provide under § 422.60(a)(2), an individual eligible to elect an M+C plan may change his or her election from an M+C plan to original Medicare or to a different M+C plan, or from original Medicare to an M+C plan.

(4) *Open enrollment and disenrollment during 2002.* (i) Except as provided in paragraphs (a)(4)(ii) and (a)(4)(iii) of this section, an individual who is eligible to elect an M+C plan in 2002 may elect an M+C plan or change his or her election from an M+C plan to original Medicare or to a different M+C plan, or from original Medicare to an M+C plan,

but only once during the first 6 months of the year.

(ii) *Newly eligible M+C individual.* An individual who becomes an M+C eligible individual during 2002 may elect an M+C plan or original Medicare and then change his or her election once during the period that begins the month the individual is entitled to both Part A and Part B and ends on the last day of the 6th month of such entitlement, or on December 31, whichever is earlier. The individual can change the election from an M+C plan to original Medicare or to a different M+C plan, or from original Medicare to an M+C plan during this period.

(iii) The limitation to one election or change in paragraphs (a)(4)(i) and (a)(4)(ii) of this section does not apply to elections or changes made during the annual election period specified in (a)(2) of this section or during a special enrollment period specified in paragraph (b) of this section.

(5) *Open enrollment and disenrollment beginning in 2003.* (i) For 2003 and subsequent years, except as provided in paragraphs (a)(5)(ii) and (a)(5)(iii) of this section, an individual who is eligible to elect an M+C plan may elect an M+C plan or change his or her election from an M+C plan to original Medicare or to a different M+C plan, or from original Medicare to an M+C plan, but only once during the first 3 months of the year.

(ii) *Newly eligible M+C individual.* An individual who becomes an M+C eligible individual during 2003 or later may elect an M+C plan or original Medicare and then change his or her election once during the period that begins the month the individual is entitled to both Part A and Part B and ends on the last day of the 3rd month of such entitlement, or on December 31, whichever is earlier. The individual can change the election from an M+C plan to original Medicare or to a different M+C plan, or from original Medicare to an M+C plan during this period.

(iii) The limitation to one election or change in paragraphs (a)(5)(i) and (a)(5)(ii) of this section does not apply to elections or changes made during the annual election period specified in paragraph (a)(2) of this section or dur-

ing a special election period specified in paragraph (b) of this section.

(b) *Special election periods.* Effective as of January 1, 1999 for M+C MSA plans, and as of January 1, 2002, for all other types of M+C plans, an individual may at any time (that is, not limited to the annual election period) discontinue the election of an M+C plan offered by an M+C organization and change his or her election, in the form and manner specified by HCFA, from an M+C plan to original Medicare or to a different M+C plan under any of the following circumstances:

(1) HCFA has terminated the organization's contract for that plan or the organization has terminated or discontinued offering the plan in the service area or continuation area in which the individual resides.

(2) The individual is not eligible to remain enrolled in the plan because of a change in his or her place of residence to a location out of the service area or continuation area or other change in circumstances as determined by HCFA but not including terminations resulting from a failure to make timely payment of an M+C monthly or supplemental beneficiary premium, or from disruptive behavior.

(3) The individual demonstrates to HCFA, in accordance with guidelines issued by HCFA, that—

(i) The organization offering the plan substantially violated a material provision of its contract under this part in relation to the individual, including, but not limited to the following:

(A) Failure to provide the beneficiary on a timely basis medically necessary services for which benefits are available under the plan.

(B) Failure to provide medical services in accordance with applicable quality standards; or

(ii) The organization (or its agent, representative, or plan provider) materially misrepresented the plan's provisions in marketing the plan to the individual.

(4) The individual meets such other exceptional conditions as HCFA may provide.

(c) *Special election period for individual age 65.* Effective January 1, 2002, an M+C eligible individual who elects an M+C plan during the initial enrollment

period, as defined under section 1837(d) of the Act, that surrounds his or her 65th birthday (this period begins 3 months before and ends 3 months after the month of the individual's 65th birthday) may discontinue the election of that plan and elect coverage under original Medicare at any time during the 12-month period that begins on the effective date of enrollment in the M+C plan.

(d) *Special rules for M+C MSA plans—*

(1) *Enrollment.* An individual may enroll in an M+C MSA plan only during an initial or annual election period described in paragraphs (a)(1) and (a)(2) of this section or during November 1998.

(2) *Disenrollment.* (i) Except as provided in paragraph (d)(2)(ii) of this section, an individual may disenroll from an M+C MSA plan only during—

(A) November 1998;

(B) An annual election period; or

(C) The special election period described in paragraph (b) of this section.

(ii) *Exception.* An individual who elects an M+C MSA plan during an annual election period and has never before elected an M+C MSA plan may revoke that election, no later than December 15 of that same year, by submitting to the organization that offers the M+C MSA plan a signed and dated request in the form and manner prescribed by HCFA or by filing the appropriate disenrollment form through other mechanisms as determined by HCFA.

(1) The notice must be mailed to the individual before submission of the disenrollment notice to HCFA.

(2) The notice must include an explanation of the individual's right to a hearing under the M+C organization's grievance procedures.

(d) *Process for disenrollment—(1) Monthly basic and supplementary premiums are not paid timely.* An M+C organization may disenroll an individual from the M+C plan for failure to pay any basic or supplementary premiums if the M+C organization—

(i) Makes a reasonable effort to collect unpaid premium amounts by sending a written notice of nonpayment to the enrollee within 20 days after the date that the delinquent charges were due—

(A) Alerting the individual that the premiums are delinquent;

(B) Providing the individual with an explanation of the disenrollment procedures and any lock-in requirements of the M+C plan; and

(C) Advising that failure to pay the premiums within the 90-day grace period will result in termination of M+C coverage;

(ii) Only disenrolls a Medicare enrollee when the organization has not received payment within 90 days after the date it has sent the notice of non-payment to the enrollee; and

(iii) Gives the individual a written notice of disenrollment that meets the requirements set forth in paragraph (c) of this section.

(2) *Disenrollment for disruptive behavior*—(i) *Basis for disenrollment*. An M+C organization may disenroll an individual from the M+C plan if the individual's behavior is disruptive, unruly, abusive, or uncooperative to the extent that his or her continued enrollment in the plan seriously impairs the M+C plan's ability to furnish services to either the particular individual or other individuals enrolled in the plan.

(ii) *Effort to resolve the problem*. The M+C organization must make a serious effort to resolve the problems presented by the individual, including the use (or attempted use) of the M+C organization's grievance procedures. The beneficiary has a right to submit any information or explanation that he or she may wish to submit to the M+C organization.

(iii) *Consideration of extenuating circumstances*. The M+C organization must establish that the individual's behavior is not related to the use of medical services or to diminished mental capacity.

(iv) *Documentation*. The M+C organization must document the enrollee's behavior, its own efforts to resolve any problems, and any extenuating circumstances, as described in paragraphs (d)(2)(i) through (d)(2)(iii) of this section.

(v) *HCFA review of the M+C organization's proposed disenrollment*. (A) HCFA decides after reviewing the documentation submitted by the M+C organization and any information submitted by the beneficiary (which the M+C organization must forward to HCFA) whether

the M+C organization has met the disenrollment requirements.

(B) HCFA makes the decision within 20 working days after receipt of the documentation and notifies the M+C organization within 5 working days after making its decision.

(vi) *Effective date of disenrollment*. If HCFA permits an M+C organization to disenroll an individual for disruptive behavior, the termination is effective the first day of the calendar month after the month in which the M+C organization gives the individual written notice of the disenrollment that meets the requirements set forth in paragraph (c) of this section.

(3) *Individual commits fraud or permits abuse of enrollment care*. (i) *Basis for disenrollment*. An M+C organization may disenroll the individual from an M+C plan if the individual—

(A) Knowingly provides, on the election form, fraudulent information that materially affects the individual's eligibility to enroll in the M+C plan; or

(B) Intentionally permits others to use his or her enrollment card to obtain services under the M+C plan.

(ii) *Notice of disenrollment*. The M+C organization must give the individual a written notice of the disenrollment that meets the requirements set forth in paragraph (c) of this section.

(iii) *Report to HCFA*. The M+C organization must report to HCFA any disenrollment based on fraud or abuse by the individual.

(4) *Individual no longer resides in the M+C plan's service area*—(i) *Basis for disenrollment*. Unless continuation of enrollment is elected under § 422.54, the M+C organization must disenroll an individual who moves out of a plan's service area if the M+C organization establishes, on the basis of a written statement from the individual, or other evidence acceptable to HCFA, that the individual has moved out of a plan's service area for over 12 months.

(ii) *Notice of disenrollment*. The M+C organization must give the individual a written notice of the disenrollment that meets the requirements set forth in paragraph (c) of this section.

(5) *Loss of entitlement to Part A or Part B benefits*. If an individual is no longer entitled to Part A or Part B benefits, HCFA notifies the M+C organization

that the disenrollment is effective the first day of the calendar month following the last month of entitlement to Part A or Part B benefits.

(6) *Death of the individual.* If the individual dies, disenrollment is effective the first day of the calendar month following the month of death.

(7) *Plan termination or area reduction.* (i) If the plan terminates or is terminated or the service area or continuation area are reduced with respect to all M+C enrollees in the area in which they reside, the M+C organization must give each Medicare enrollee a written notice of the effective date of the plan termination or area reduction and a description of alternatives for obtaining benefits under the M+C program.

(ii) The notice must be sent before the effective date of the plan termination or area reduction.

(e) *Consequences of disenrollment—*(1) *Disenrollment for non-payment of premiums, disruptive behavior, fraud or abuse, loss of Part A or Part B.* An individual who is disenrolled under paragraph (b)(1)(i), (b)(1)(ii), (b)(1)(iii), or paragraph (b)(2)(ii) of this section is deemed to have elected original Medicare.

(2) *Disenrollment based on plan termination, area reduction, or individual moves out of area.* (i) An individual who is disenrolled under paragraph (b)(2)(i) or (b)(3) of this section has a special election period in which to make a new election as provided in § 422.62(b)(1) and (b)(2).

(ii) An individual who fails to make an election during the special election period is deemed to have elected original Medicare.

§ 422.80 Approval of marketing materials and election forms.

(a) *HCFA review of marketing materials.* An M+C organization may not distribute any marketing materials (as defined in paragraph (b)), or election forms, or make such materials or forms available to individuals eligible to elect an M+C plan, unless—

(1) At least 45 days before the date of distribution the M+C organization has submitted the material or form to

HCFA for review under the guidelines in paragraph (c); and

(2) HCFA has not disapproved the distribution of the material or form.

(b) *Definition of marketing materials.* Marketing materials include any informational materials targeted to Medicare beneficiaries which:

(1) Promote the M+C organization, or any M+C plan offered by the M+C organization;

(2) Inform Medicare beneficiaries that they may enroll, or remain enrolled in, an M+C plan offered by the M+C organization;

(3) Explain the benefits of enrollment in an M+C plan, or rules that apply to enrollees;

(4) Explain how Medicare services are covered under an M+C plan, including conditions that apply to such coverage;

(5) Examples of marketing materials include, but are not limited to:

(i) General audience materials such as general circulation brochures, newspapers, magazines, television, radio, billboards, yellow pages, or the internet.

(ii) Marketing representative materials such as scripts or outlines for telemarketing or other presentations.

(iii) Presentation materials such as slides and charts.

(iv) Promotional materials such as brochures or leaflets, including materials for circulation by third parties (e.g., physicians or other providers).

(v) Membership communication materials such as membership rules, subscriber agreements (evidence of coverage), member handbooks, and newsletters.

(vi) Letters to members about contractual changes; changes in providers, premiums, benefits, plan procedures etc.

(vii) Membership or claims processing activities (e.g., materials on rules involving non-payment of premiums, confirmation of enrollment or disenrollment, or annual notification information).

(c) *Guidelines for HCFA review.* In reviewing marketing material or election forms under paragraph (a) of this section, HCFA determines that the marketing materials:

(1) Provide, in a format (and, where appropriate, print size), and using

standard terminology that may be specified by HCFA, the following information to Medicare beneficiaries interested in enrolling:

(i) Adequate written description of rules (including any limitations on the providers from whom services can be obtained), procedures, basic benefits and services, and fees and other charges.

(ii) Adequate written description of any supplemental benefits and services.

(iii) Adequate written explanation of the grievance and appeals process, including differences between the two, and when it is appropriate to use each.

(iv) Any other information necessary to enable beneficiaries to make an informed decision about enrollment.

(2) Notify the general public of its enrollment period (whether time-limited or continuous) in an appropriate manner, through appropriate media, throughout its service and continuation area.

(3) Include in the written materials notice that the M+C organization is authorized by law to refuse to renew its contract with HCFA, that HCFA also may refuse to renew the contract, and that termination or non-renewal may result in termination of the beneficiary's enrollment in the plan.

(4) Contain no statements that are inaccurate or misleading or otherwise make misrepresentations.

(5) For markets with a significant non-English speaking population, provide materials in the language of these individuals.

(d) *Deemed approval (one-stop shopping)*. If HCFA has not disapproved the distribution of marketing materials or forms submitted by an M+C organization with respect to an M+C plan in an area, HCFA is deemed not to have disapproved the distribution in all other areas covered by the M+C plan and organization except with regard to any portion of the material or form that is specific to the particular area.

(e) *Standards for M+C organization marketing*. (1) In conducting marketing activities, M+C organizations may not:

(i) Provide for cash or other monetary rebates as an inducement for enrollment or otherwise. This does not prohibit explanation of any legitimate benefits the beneficiary might obtain

as an enrollee of the M+C plan, such as eligibility to enroll in a supplemental benefit plan that covers deductibles and coinsurance, or preventive services.

(ii) Engage in any discriminatory activity such as, for example, attempts to recruit Medicare beneficiaries from higher income areas without making comparable efforts to enroll Medicare beneficiaries from lower income areas.

(iii) Solicit door-to-door for Medicare beneficiaries.

(iv) Engage in activities that could mislead or confuse Medicare beneficiaries, or misrepresent the M+C organization. The M+C organization may not claim that it is recommended or endorsed by HCFA or Medicare or that HCFA or Medicare recommends that the beneficiary enroll in the M+C plan. It may, however, explain that the organization is approved for participation in Medicare.

(v) Distribute marketing materials for which, before expiration of the 45-day period, the M+C organization receives from HCFA written notice of disapproval because it is inaccurate or misleading, or misrepresents the M+C organization, its marketing representatives, or HCFA.

(2) In its marketing, the M+C organization must:

(i) Demonstrate to HCFA's satisfaction that marketing resources are allocated to marketing to the disabled Medicare population as well as beneficiaries age 65 and over.

(ii) Establish and maintain a system for confirming that enrolled beneficiaries have in fact, enrolled in the M+C plan, and understand the rules applicable under the plan.

(f) *Employer group retiree Marketing*. HCFA may permit M+C organizations to develop marketing materials designed for members of an employer group who are eligible for employer-sponsored benefits through the M+C organization, and to furnish these materials only to such group members. While such materials must be submitted for approval under paragraph (a) of this section, HCFA will only review portions of these materials that related to M+C plan benefits.

Subpart C—Benefits and Beneficiary Protections

SOURCE: 63 FR 35077, June 26, 1998, unless otherwise noted.

§ 422.100 General requirements.

(a) *Basic rule.* Subject to the conditions and limitations set forth in this subpart, an M+C organization offering an M+C plan must provide enrollees in that plan with coverage of the basic benefits described in § 422.101 (and, to the extent applicable, the benefits described in § 422.102) by furnishing the benefits directly or through arrangements, or by paying for the benefits. HCFA reviews these benefits subject to the requirements of § 422.100(g) and the requirements in subpart G of this part.

(b) *Services of noncontracting providers and suppliers.* (1) An M+C organization must make timely and reasonable payment to or on behalf of the plan enrollee for the following services obtained from a provider or supplier that does not contract with the M+C organization to provide services covered by the M+C plan:

(i) Emergency services as defined in § 422.2.

(ii) Urgently needed services as defined § 422.2.

(iii) Renal dialysis services provided while the enrollee was temporarily outside the plan's service area.

(iv) Post-stabilization care services that were—

(A) Pre-approved by the organization; or

(B) Were not pre-approved by the organization because the organization did not respond to the provider of post-stabilization care services' request for pre-approval within 1 hour after being requested to approve such care, or could not be contacted for pre-approval.

(v) Services for which coverage has been denied by the M+C organization and found (upon appeal under subpart M of this part) to be services the enrollee was entitled to have furnished, or paid for, by the M+C organization.

(2) An M+C plan (other than an M+C MSA plan) offered by an M+C organization satisfies paragraph (a) of this section with respect to benefits for services furnished by a noncontracting pro-

vider if that M+C plan provides payment in an amount the provider would have received under original Medicare (including balance billing permitted under Medicare Part A and Part B).

(c) *Types of benefits.* An M+C plan may include two types of benefits:

(1) Basic benefits as defined in § 422.2.

(2) Supplemental benefits, which consist of—

(i) Mandatory supplemental benefits as defined in § 422.2; and

(ii) Optional supplemental benefits as defined in § 422.2.

(d) *Availability and structure of plans.* An M+C organization offering an M+C plan must offer it—

(1) To all Medicare beneficiaries residing in the service area of the M+C plan;

(2) At a uniform premium; and

(3) With a uniform level of cost-sharing, as defined in § 422.2.

(e) *Terms of M+C plans.* Terms of M+C plans described in instructions to beneficiaries, as required by § 422.111, will include basic and supplemental benefits and terms of coverage for those benefits.

(f) *Multiple plans in one service area.* An M+C organization may offer more than one M+C plan in the same service area subject to the conditions and limitations set forth in this subpart for each M+C plan.

(g) *HCFA review and approval of M+C plans.* HCFA reviews and approves each M+C plan to ensure that the plan does not—

(1) Promote discrimination;

(2) Discourage enrollment;

(3) Steer specific subsets of Medicare beneficiaries to particular M+C plans; or

(4) Inhibit access to services.

(h) *Benefits affecting screening mammography, influenza vaccine, and pneumococcal vaccine.* (1) Enrollees of M+C organizations may directly access (through self-referral) screening mammography and influenza vaccine.

(2) M+C organizations may not impose cost-sharing for influenza vaccine and pneumococcal vaccine.

(i) *Requirements relating to Medicare conditions of participation.* Basic benefits must be provided through providers meeting the requirements in § 422.204(a)(3).

(j) *Choice of practitioners.* Consistent with the requirements of § 422.204 relating to the prohibition of discrimination against providers, if more than one type of practitioner is qualified to furnish a particular service, the M+C organization may select the type of practitioner to be used.

§ 422.101 Requirements relating to basic benefits.

Except as specified in § 422.264 (for entitlement that begins or ends during a hospital stay) and § 422.266 (with respect to hospice care), each M+C organization must—

(a) Provide coverage of, through the provision of or payment for, all services that are covered by Part A and Part B of Medicare (if the enrollee is entitled to benefits under both parts) or by Medicare Part B (if entitled only under Part B) and that are available to beneficiaries residing in the geographic area in which services are covered under the M+C plan (or to Part A and Part B services obtained outside the geographic area if it is common practice to refer patients to sources outside that geographic area); and

(b) Comply with—

(1) HCFA's national coverage decisions; and

(2) Written coverage decisions of local carriers and intermediaries with jurisdiction for claims in the geographic area in which services are covered under the M+C plan.

§ 422.102 Supplemental benefits.

(a) *Mandatory supplemental benefits.*

(1) Subject to HCFA's approval, an M+C organization may require Medicare enrollees of an M+C plan other than an MSA plan to accept and pay for services in addition to those included in the basic benefits described in § 422.101.

(2) If the M+C organization imposes mandatory supplemental benefits, it must impose them on all Medicare beneficiaries enrolled in the M+C plan.

(3) HCFA approves mandatory supplemental benefits if it determines that imposition of the mandatory benefits will not substantially discourage Medicare beneficiaries from enrolling in the M+C plan.

(b) *Optional supplemental benefits.* Except as provided in § 422.104 in the case of MSA plans, each M+C organization may offer (for election by the enrollee and without regard to health status) services that are in addition to those included in the basic benefits described in § 422.101 and any mandatory supplemental benefits described in paragraph (a) of this section. Optional supplemental benefits must be offered to all Medicare beneficiaries enrolled in the M+C plan.

(c) *Payment for supplemental services.* All supplemental benefits are paid for directly by (or on behalf of) the enrollee of the M+C plan.

§ 422.103 Benefits under an M+C MSA plan.

(a) *General rule.* An M+C organization offering an M+C MSA plan must make available to an enrollee, or provide reimbursement for, at least the services described under in § 422.101 after the enrollee incurs countable expenses equal to the amount of the plan's annual deductible.

(b) *Countable expenses.* An M+C organization offering an M+C MSA plan must count toward the annual deductible at least all amounts that would be paid for the particular service under original Medicare, including amounts that would be paid by the enrollee as deductibles or coinsurance.

(c) *Services after the deductible.* For services received by the enrollee after the annual deductible is satisfied, an M+C organization offering an M+C MSA plan must pay, at a minimum, the lesser of the following amounts:

(1) 100 percent of the expense of the services.

(2) 100 percent of the amounts that would have been paid for the services under original Medicare, including amounts that would be paid by the enrollee as deductibles and coinsurance.

(d) *Annual deductible.* The annual deductible for an M+C MSA plan—

(1) For contract year 1999, may not exceed \$6,000; and

(2) For subsequent contract years may not exceed the deductible for the preceding contract year, increased by the national per capita growth percentage determined under § 422.252(b).

§ 422.104 Special rules on supplemental benefits for M+C MSA plans.

(a) An M+C organization offering an M+C MSA plan may not provide supplemental benefits that cover expenses that count towards the deductible specified in § 422.103(d).

(b) In applying the limitation of paragraph (a) of this section, the following kinds of policies are not considered as covering the deductible:

(1) A policy that provides coverage (whether through insurance or otherwise) for accidents, disability, dental care, vision care, or long-term care.

(2) A policy of insurance in which substantially all of the coverage relates to liabilities incurred under workers' compensation laws, tort liabilities, liabilities relating to use or ownership of property, and any other similar liabilities that HCFA may specify by regulation.

(3) A policy of insurance that provides coverage for a specified disease or illness or pays a fixed amount per day (or other period) of hospitalization.

§ 422.105 Special rules for point of service option.

(a) A POS benefit is an option that an M+C organization may offer in an M+C coordinated care plan or network M+C MSA plan to provide enrollees with additional choice in obtaining specified health care services from individuals or entities that do not have a contract with the M+C organization to provide service through the M+C coordinated care plan or network M+C MSA plan offering the POS option. The plan may offer a POS option—

(1) Under a coordinated care plan only as an additional benefit as described in § 422.312;

(2) Under a coordinated care plan only as a mandatory supplemental benefit as described in § 422.102(a); or

(3) Under a coordinated care plan or network MSA plan as an optional supplemental benefit as described in § 422.102(b).

(b) *Approval required.* An M+C organization may not implement a POS benefit until it has been approved by HCFA.

(c) *Ensuring availability and continuity of care.* An M+C network plan that includes a POS benefit must continue to

provide all benefits and ensure access as required under this subpart.

(d) *Enrollee information and disclosure.* The disclosure requirements specified in § 422.111 apply in addition to the following requirements:

(1) *Written rules.* M+C organizations must maintain written rules on how to obtain health benefits through the POS benefit.

(2) *Evidence of coverage document.* The M+C organization must provide to beneficiaries enrolling in a plan with a POS benefit an "evidence of coverage" document, or otherwise provide written documentation, that specifies all costs and possible financial risks to the enrollee, including—

(i) Any premiums and cost-sharing for which the enrollee is responsible;

(ii) Annual limits on benefits and on out-of-pocket expenditures;

(iii) Potential financial responsibility for services for which the plan denies payment because they were not covered under the POS benefit, or exceeded the dollar limit for the benefit; and

(iv) The annual maximum out-of-pocket expense an enrollee could incur.

(e) *Prompt payment.* Health benefits payable under the POS benefit are subject to the prompt payment requirements in § 422.520.

(f) *POS related data.* An M+C organization that offers a POS benefit must report data on the POS benefit in the form and manner prescribed by HCFA.

§ 422.106 Special arrangements with employer groups.

An M+C organization may negotiate with an employer group to provide benefits to members of the employer group who are enrolled in an M+C plan offered by the organization. While these negotiated employer group benefits may be designed to complement the benefits available to Medicare beneficiaries enrolled in the M+C plan, they are offered by the employer group independently as the product of private negotiation. Examples of such employer-benefits include the following:

(a) Reductions in the portion of the premium that the M+C organization charges to the beneficiary.

(b) Reductions in portion of other cost sharing amounts the M+C organization charges to the beneficiary.

(c) The addition of benefits that may require additional premium and cost sharing. The addition of benefits and the charges for those benefits are not subject to HCFA review or approval.

§ 422.108 Medicare secondary payer (MSP) procedures.

(a) *Basic rule.* HCFA does not pay for services to the extent that Medicare is not the primary payer under section 1862(b) of the Act and part 411 of this chapter.

(b) *Responsibilities of the M+C organization.* The M+C organization must, for each M+C plan—

(1) Identify payers that are primary to Medicare under section 1862(b) of the Act and part 411 of this chapter;

(2) Determine the amounts payable by those payers; and

(3) Coordinate its benefits to Medicare enrollees with the benefits of the primary payers.

(c) *Charges to other entities.* The M+C organization may charge, or authorize a provider to charge, other individuals or entities for covered Medicare services for which Medicare is not the primary payer, as specified in paragraphs (d) and (e) of this section.

(d) *Charge to other insurers or the enrollee.* If a Medicare enrollee receives from an M+C organization covered services that are also covered under State or Federal workers' compensation, any no-fault insurance, or any liability insurance policy or plan, including a self-insured plan, the M+C organization may charge, or authorize a provider to charge any of the following—

(1) The insurance carrier, the employer, or any other entity that is liable for payment for the services under section 1862(b) of the Act and part 411 of this chapter.

(2) The Medicare enrollee, to the extent that he or she has been paid by the carrier, employer, or entity for covered medical expenses.

(e) *Charge to group health plans (GHPs) and large group health plans (LGHPs).* An M+C organization may charge a GHP or LGHP for services it furnishes to a Medicare enrollee who is

also covered under the GHP or LGHP and may charge the Medicare enrollee to the extent that he or she has been paid by the GHP or LGHP.

§ 422.109 Effect of national coverage determinations (NCDs).

(a) If HCFA determines and announces that an NCD meets the criteria for "significant cost" described in paragraph (c) of this section, an M+C organization is not required to assume risk for the costs of that service until the contract year for which the annual M+C capitation rate is determined on a basis that includes the cost of the NCD service.

(b) The M+C organization must furnish, arrange or pay for an NCD "significant cost" service prior to the adjustment of the annual M+C capitation rate. The following rules apply to such services:

(1) Medicare payment for the service is:

(i) In addition to the capitation payment to the M+C organization; and

(ii) Made directly by the fiscal intermediary and carrier to the M+C organization in accordance with original Medicare payment rules, methods, and requirements.

(2) NCD costs for which HCFA intermediaries and carriers will not make payment and are the responsibility of the M+C organization are—

(i) Services necessary to diagnose a condition covered by the NCD;

(ii) Most services furnished as follow-up care to the NCD service;

(iii) Any service that is already a Medicare-covered service and included in the annual M+C capitation rate; and

(iv) Any service, including the costs of the NCD service itself, to the extent the M+C organization is already obligated to cover it as an additional benefit under § 422.312 or supplemental benefit under § 422.102.

(3) NCD costs for which HCFA intermediaries and carriers make payment are—

(i) Costs relating directly to the provision of services related to the NCD that were noncovered services prior to the issuance of the NCD; and

(ii) A service that is not included in the M+C per capita payment rate.

§ 422.110

(4) If the M+C organization does not provide or arrange for the service consistent with HCFA's NCD, enrollees may obtain the services through qualified providers not under contract to the M+C organization, and the organization will pay for the services consistent with § 422.109(c).

(5) Beneficiaries are liable for Part A deductible and any applicable coinsurance amounts.

(c) The term "significant cost" as it relates to a particular NCD means either of the following:

(1) The average cost of furnishing a single service exceeds a cost threshold that—

(i) For calendar years 1998 and 1999, is \$100,000;

(ii) For calendar year 2000 and subsequent calendar years, is the preceding year's dollar threshold adjusted to reflect the national per capita growth percentage described in § 422.254(b).

(2) The estimated cost of all of Medicare services furnished nationwide as a result of a particular NCD represents at least 0.1 percent of the national standardized annual capitation rate (see § 422.254(f)), multiplied by the total number of Medicare beneficiaries nationwide for the applicable calendar year.

§ 422.110 Discrimination against beneficiaries prohibited.

(a) *General prohibition.* Except as provided in paragraph (b) of this section, an M+C organization may not deny, limit, or condition the coverage or furnishing of benefits to individuals eligible to enroll in an M+C plan offered by the organization on the basis of any factor that is related to health status, including, but not limited to the following:

(1) Medical condition, including mental as well as physical illness.

(2) Claims experience.

(3) Receipt of health care.

(4) Medical history.

(5) Genetic information.

(6) Evidence of insurability, including conditions arising out of acts of domestic violence.

(7) Disability.

(b) *Exception.* An M+C organization may not enroll an individual who has been medically determined to have

42 CFR Ch. IV (10–1–99 Edition)

end-stage renal disease. However, an enrollee who develops end-stage renal disease while enrolled in a particular M+C organization may not be disenrolled for that reason. An individual who is an enrollee of a particular M+C organization, and resides in the M+C plan service area at the time he or she first becomes M+C eligible, is considered to be "enrolled" in the M+C organization for purposes of the preceding sentence.

(c) Plans are required to observe the provisions of the Civil Rights Act, Age Discrimination Act, Rehabilitation Act of 1973, and Americans with Disabilities Act (see § 422.502(h)).

[63 FR 35077, June 26, 1998; 63 FR 52612, Oct. 1, 1998; 64 FR 7980, Feb. 17, 1999]

§ 422.111 Disclosure requirements.

(a) *Detailed description of plan provisions.* An M+C organization must disclose the information specified in § 422.64 and in paragraph (b) of this section—

(1) To each enrollee electing an M+C plan it offers;

(2) In clear, accurate, and standardized form; and

(3) At the time of enrollment and at least annually thereafter.

(b) *Content of plan description.* The description must include the following information:

(1) *Service area.* The M+C plan's service area and any enrollment continuation area.

(2) *Benefits.* The benefits offered under the plan, including applicable conditions and limitations, premiums and cost-sharing (such as copayments, deductibles, and coinsurance) and any other conditions associated with receipt or use of benefits; and for purposes of comparison—

(i) The benefits offered under original Medicare, including the content specified in § 422.64(c);

(ii) For an M+C MSA plan, the benefits under other types of M+C plans; and

(iii) The availability of the Medicare hospice option and any approved hospices in the service area, including those the M+C organization owns, controls, or has a financial interest in.

(3) *Access.* The number, mix, and distribution (addresses) of providers from

whom enrollees may obtain services; any out-of network coverage; any point-of-service option, including the supplemental premium for that option; and how the M+C organization meets the requirements of §§ 422.112 and 422.114 for access to services offered under the plan.

(4) *Out-of-area coverage.* Out-of-area coverage provided by the plan.

(5) *Emergency coverage.* Coverage of emergency services, including—

(i) Explanation of what constitutes an emergency, referencing the definitions of emergency services and emergency medical condition at § 422.2;

(ii) The appropriate use of emergency services, stating that prior authorization cannot be required;

(iii) The process and procedures for obtaining emergency services, including use of the 911 telephone system or its local equivalent; and

(iv) The locations where emergency care can be obtained and other locations at which contracting physicians and hospitals provide emergency services and post-stabilization care included in the M+C plan.

(6) *Supplemental benefits.* Any mandatory or optional supplemental benefits and the premium for those benefits.

(7) *Prior authorization and review rules.* Prior authorization rules and other review requirements that must be met in order to ensure payment for the services. The M+C organization must instruct enrollees that, in cases where noncontracting providers submit a bill directly to the enrollee, the enrollee should not pay the bill, but submit it to the M+C organization for processing and determination of enrollee liability, if any.

(8) *Grievance and appeals procedures.* All grievance and appeals rights and procedures.

(9) *Quality assurance program.* A description of the quality assurance program required under § 422.152.

(10) *Disenrollment rights and responsibilities.*

(c) *Disclosure upon request.* Upon request of an individual eligible to elect an M+C plan, an M+C organization must provide to the individual the following information:

(1) The information required under § 422.64(c).

(2) The procedures the organization uses to control utilization of services and expenditures.

(3) The number of disputes, and the disposition in the aggregate, in a manner and form described by the Secretary. Such disputes shall be categorized as

(i) Grievances according to § 422.564; and

(ii) Appeals according to § 422.578 et. seq.

(4) A summary description of the method of compensation for physicians.

(5) Financial condition of the M+C organization, including the most recently audited information regarding, at least, a description of the financial condition of the M+C organization offering the plan.

(d) *Changes in rules.* If an M+C organization intends to change its rules for an M+C plan, it must:

(1) Submit the changes for HCFA review under the procedures of § 422.80.

(2) For changes that take effect on January 1, notify all enrollees by the previous October 15.

(3) For all other changes, notify all enrollees at least 30 days before the intended effective date of the changes.

(e) *Changes to provider network.* The M+C organization must make a good faith effort to provide written notice of a termination of a contracted provider within 15 working days of receipt or issuance of a notice of termination, as described in § 422.204(c)(4), to all enrollees who are patients seen on a regular basis by the provider whose contract is terminating, irrespective of whether the termination was for cause or without cause. When a contract termination involves a primary care professional, all enrollees who are patients of that primary care professional must also be notified.

§ 422.112 Access to services.

(a) *Rules for coordinated care plans and network M+C MSA plans.* An M+C organization that offers an M+C coordinated care plan or network M+C MSA plan may specify the networks of providers from whom enrollees may obtain

services if the M+C organization ensures that all covered services, including additional or supplemental services contracted for by (or on behalf of) the Medicare enrollee, are available and accessible under the plan. To accomplish this, the M+C organization must meet the following requirements:

(1) *Provider network.* Maintain and monitor a network of appropriate providers that is supported by written agreements and is sufficient to provide adequate access to covered services to meet the needs of the population served. These providers are typically utilized in the network as primary care providers (PCPs), specialists, hospitals, skilled nursing facilities, home health agencies, ambulatory clinics, and other providers.

(2) *PCP panel.* Establish a panel of PCPs from which the enrollee may select a PCP.

(3) *Specialty care.* Provide or arrange for necessary specialty care, and in particular give women enrollees the option of direct access to a women's health specialist within the network for women's routine and preventive health care services provided as basic benefits (as defined in § 422.2), notwithstanding that the M+C organization maintains a PCP or some other means for continuity of care.

(4) *Serious medical conditions.* Ensure that for each plan, the M+C organization has in effect HCFA-approved procedures that enable the M+C organization, through appropriate health care professionals, to—

(i) Identify individuals with complex or serious medical conditions;

(ii) Assess those conditions, and use medical procedures to diagnose and monitor them on an ongoing basis; and

(iii) Establish and implement a treatment plan that—

(A) Is appropriate to those conditions;

(B) Includes an adequate number of direct access visits to specialists consistent with the treatment plan;

(C) Is time-specific and updated periodically; and

(D) Ensures adequate coordination of care among providers.

(5) *Service area expansion.* If seeking a service area expansion for an M+C plan, demonstrate that the number and

type of providers available to plan enrollees are sufficient to meet projected needs of the population to be served.

(6) *Credentialed providers.* Demonstrate to HCFA that its providers in an M+C plan are credentialed through the process set forth at § 422.204(a).

(7) *Written standards.* Establish written standards for the following:

(i) Timeliness of access to care and member services that meet or exceed standards established by HCFA. Timely access to care and member services within a plan's provider network must be continuously monitored to ensure compliance with these standards, and the M+C organization must take corrective action as necessary.

(ii) Policies and procedures (coverage rules, practice guidelines, payment policies, and utilization management) that allow for individual medical necessity determinations.

(iii) Provider consideration of beneficiary input into the provider's proposed treatment plan.

(8) *Hours of operation.* Ensure that—

(i) The hours of operation of its M+C plan providers are convenient to the population served under the plan and do not discriminate against Medicare enrollees; and

(ii) Plan services are available 24 hours a day, 7 days a week, when medically necessary.

(9) *Cultural considerations.* (i) Ensure that services are provided in a culturally competent manner to all enrollees, including those with limited English proficiency or reading skills, diverse cultural and ethnic backgrounds, and physical or mental disabilities.

(ii) Provide coverage for emergency and urgent care services in accordance with paragraph (c) of this section.

(b) *Rules for all M+C organizations to ensure continuity of care.* The M+C organization must ensure continuity of care and integration of services through arrangements that include, but are not limited to the following—

(1) Policies that specify under what circumstances services are coordinated and the methods for coordination;

(2) Offering to provide each enrollee with an ongoing source of primary care and providing a primary care source to each enrollee who accepts the offer;

(3) Programs for coordination of plan services with community and social services generally available through contracting or noncontracting providers in the area served by the M+C plan, including nursing home and community-based services; and

(4) Procedures to ensure that the M+C organization and its provider network have the information required for effective and continuous patient care and quality review, including procedures to ensure that—

(i) The M+C organization makes a “best-effort” attempt to conduct an initial assessment of each enrollee’s health care needs, including following up on unsuccessful attempts to contact an enrollee, within 90 days of the effective date of enrollment;

(ii) Each provider, supplier, and practitioner furnishing services to enrollees maintains an enrollee health record in accordance with standards established by the M+C organization, taking into account professional standards; and

(iii) There is appropriate and confidential exchange of information among provider network components.

(5) Procedures to ensure that enrollees are informed of specific health care needs that require follow-up and receive, as appropriate, training in self-care and other measures they may take to promote their own health; and

(6) Systems to address barriers to enrollee compliance with prescribed treatments or regimens.

(c) *Special rules for all M+C organizations for emergency and urgently needed services*—(1) *Coverage*. The M+C organization covers emergency and urgently needed services—

(i) Regardless of whether the services are obtained within or outside the M+C organization; and

(ii) Without required prior authorization.

(2) *Financial responsibility*. The M+C organization may not deny payment for a condition—

(i) That is an emergency medical condition as defined in § 422.2; or

(ii) For which a plan provider or other M+C organization representative instructs an enrollee to seek emergency services within or outside the plan.

(3) *Stabilized condition*. The physician treating the enrollee must decide when the enrollee may be considered stabilized for transfer or discharge, and that decision is binding on the M+C organization.

(4) *Limits on charges to enrollees*. For emergency services obtained outside the M+C plan’s provider network, the M+C organization may not charge the enrollee more than \$50 or what it would charge the enrollee if he or she obtained the services through the M+C organization, whichever is less.

[64 FR 7980, Feb. 17, 1999]

§ 422.114 Access to services under an M+C private fee-for-service plan.

(a) *Sufficient access*. (1) An M+C organization that offers an M+C private fee-for-service plan must demonstrate to HCFA that it has sufficient number and range of providers willing to furnish services under the plan.

(2) HCFA finds that an M+C organization meets the requirement in paragraph (a)(1) of this section if, with respect to a particular category of health care providers, the M+C organization has—

(i) Payment rates that are not less than the rates that apply under original Medicare for the provider in question;

(ii) Contracts or agreements with a sufficient number and range of providers to furnish the services covered under the M+C private fee-for-service plan; or

(iii) A combination of paragraphs (a)(2)(i) and (a)(2)(ii) of this section.

(b) *Freedom of choice*. M+C fee-for-service plans must permit enrollees to obtain services from any entity that is authorized to provide services under Medicare Part A and Part B and agrees to provide services under the terms of the plan.

§ 422.118 Confidentiality and accuracy of enrollee records.

For any medical records or other health and enrollment information it maintains with respect to enrollees, an M+C organization must establish procedures to do the following:

(a) Safeguard the privacy of any information that identifies a particular enrollee. Information from, or copies

of, records may be released only to authorized individuals, and the M+C organization must ensure that unauthorized individuals cannot gain access to or alter patient records. Original medical records must be released only in accordance with Federal or State laws, court orders, or subpoenas.

(b) Maintain the records and information in an accurate and timely manner.

(c) Ensure timely access by enrollees to the records and information that pertain to them.

(d) Abide by all Federal and State laws regarding confidentiality and disclosure for mental health records, medical records, other health information, and enrollee information.

§ 422.128 Information on advance directives.

(a) Each M+C organization must maintain written policies and procedures that meet the requirements for advance directives, as set forth in subpart I of part 489 of this chapter. For purposes of this part, *advance directive* has the meaning given the term in § 489.100 of this chapter.

(b) An M+C organization must maintain written policies and procedures concerning advance directives with respect to all adult individuals receiving medical care by or through the M+C organization.

(1) An M+C organization must provide written information to those individuals with respect to the following:

(i) Their rights under the law of the State in which the organization furnishes services (whether statutory or recognized by the courts of the State) to make decisions concerning their medical care, including the right to accept or refuse medical or surgical treatment and the right to formulate advance directives. Providers may contract with other entities to furnish this information but remain legally responsible for ensuring that the requirements of this section are met. The information must reflect changes in State law as soon as possible, but no later than 90 days after the effective date of the State law.

(ii) The M+C organization's written policies respecting the implementation of those rights, including a clear and precise statement of limitation if the

M+C organization cannot implement an advance directive as a matter of conscience. At a minimum, this statement must do the following:

(A) Clarify any differences between institution-wide conscientious objections and those that may be raised by individual physicians.

(B) Identify the state legal authority permitting such objection.

(C) Describe the range of medical conditions or procedures affected by the conscience objection.

(D) Provide the information specified in paragraph (a)(1) of this section to each enrollee at the time of initial enrollment. If an enrollee is incapacitated at the time of initial enrollment and is unable to receive information (due to the incapacitating condition or a mental disorder) or articulate whether or not he or she has executed an advance directive, the M+C organization may give advance directive information to the enrollee's family or surrogate in the same manner that it issues other materials about policies and procedures to the family of the incapacitated enrollee or to a surrogate or other concerned persons in accordance with State law. The M+C organization is not relieved of its obligation to provide this information to the enrollee once he or she is no longer incapacitated or unable to receive such information. Follow-up procedures must be in place to ensure that the information is given to the individual directly at the appropriate time.

(E) Document in a prominent part of the individual's current medical record whether or not the individual has executed an advance directive.

(F) Not condition the provision of care or otherwise discriminate against an individual based on whether or not the individual has executed an advance directive.

(G) Ensure compliance with requirements of State law (whether statutory or recognized by the courts of the State) regarding advance directives.

(H) Provide for education of staff concerning its policies and procedures on advance directives.

(I) Provide for community education regarding advance directives that may include material required in paragraph (a)(1)(i) of this section, either directly

or in concert with other providers or entities. Separate community education materials may be developed and used, at the discretion of the M+C organization. The same written materials are not required for all settings, but the material should define what constitutes an advance directive, emphasizing that an advance directive is designed to enhance an incapacitated individual's control over medical treatment, and describe applicable State law concerning advance directives. An M+C organization must be able to document its community education efforts.

(2) The M+C organization—

(i) Is not required to provide care that conflicts with an advance directive; and

(ii) Is not required to implement an advance directive if, as a matter of conscience, the M+C organization cannot implement an advance directive and State law allows any health care provider or any agent of the provider to conscientiously object.

(3) The M+C organization must inform individuals that complaints concerning noncompliance with the advance directive requirements may be filed with the State survey and certification agency.

§ 422.132 Protection against liability and loss of benefits.

Enrollees of M+C organizations are entitled to the protections specified in § 422.502(g).

Subpart D—Quality Assurance

SOURCE: 63 FR 35082, June 26, 1998, unless otherwise noted.

§ 422.152 Quality assessment and performance improvement program.

(a) *General rule.* Each M+C organization that offers one or more M+C plans must have, for each of those plans, an ongoing quality assessment and performance improvement program that meets the applicable requirements of this section for the services it furnishes to its M+C enrollees.

(b) *Requirements for M+C coordinated care plans and network M+C MSA plans.* An organization offering an M+C co-

ordinated care plan or M+C network MSA plan must do the following:

(1) Meet the requirements in paragraph (c)(1) of this section concerning performance measurement and reporting. With respect to an M+C coordinated care plan, an organization must also meet the requirements of paragraph (c)(2) of this section concerning the achievement of minimum performance levels. The requirements of paragraph (c)(2) of this section do not apply with respect to an M+C MSA plan.

(2) Conduct performance improvement projects as described in paragraph (d) of this section. These projects must achieve, through ongoing measurement and intervention, demonstrable and sustained improvement in significant aspects of clinical care and nonclinical care areas that can be expected to have a favorable effect on health outcomes and enrollee satisfaction.

(3) In processing requests for initial or continued authorization of services, follow written policies and procedures that reflect current standards of medical practice.

(4) Have in effect mechanisms to detect both underutilization and overutilization of services.

(5) Make available to HCFA information on quality and outcomes measures that will enable beneficiaries to compare health coverage options and select among them, as provided in § 422.64(c)(10).

(c) *Performance measurement and reporting.* The organization offering the plan must do the following:

(1) Measure performance under the plan, using standard measures required by HCFA, and report its performance to HCFA. The standard measures may be specified in uniform data collection and reporting instruments required by HCFA, and will relate to—

(i) Clinical areas including effectiveness of care, enrollee perception of care, and use of services; and

(ii) Nonclinical areas including access to and availability of services, appeals and grievances, and organizational characteristics.

(2) Achieve any minimum performance levels that HCFA establishes locally, regionally, or nationally with respect to the standard measures.

(i) In establishing minimum performance levels, HCFA considers historical plan and original Medicare performance data and trends.

(ii) HCFA establishes the minimum performance levels prospectively upon contract initiation and renewal.

(iii) The organization must meet the minimum performance levels by the end of the contract year.

(iv) In accordance with § 422.506, HCFA may decline to renew the organization's contract in the year that HCFA determines that it did not meet the minimum performance levels.

(d) *Performance improvement projects.*

(1) Performance improvement projects are organization initiatives that focus on specified clinical and nonclinical areas and that involve the following:

- (i) Measurement of performance.
- (ii) System interventions, including the establishment or alteration of practice guidelines.
- (iii) Improving performance.
- (iv) Systematic follow-up on the effect of the interventions.

(2) Each project must address the entire population to which the measurement specified in paragraph (d)(1)(i) of this section is relevant.

(3) HCFA establishes M+C organization and M+C plan-specific obligations for the number and distribution of projects among the required clinical and nonclinical areas, in accordance with paragraphs (d)(4) and (d)(5) of this section, to ensure that the projects are representative of the entire spectrum of clinical and nonclinical care areas associated with a plan.

(4) The required clinical areas include:

- (i) Prevention and care of acute and chronic conditions.
- (ii) High-volume services.
- (iii) High-risk services.
- (iv) Continuity and coordination of care.

(5) The required nonclinical areas include:

- (i) Appeals, grievances, and other complaints.
- (ii) Access to, and availability of, services.

(6) In addition to requiring that the organization initiate its own performance improvement projects, HCFA may require that the organization—

(i) Conduct particular performance improvement projects that are specific to the organization; and

(ii) Participate in national or statewide performance improvement projects.

(7) For each project, the organization must assess performance under the plan using quality indicators that are—

(i) Objective, clearly and unambiguously defined, and based on current clinical knowledge or health services research; and

(ii) Capable of measuring outcomes such as changes in health status, functional status and enrollee satisfaction, or valid proxies of those outcomes.

(8) Performance assessment on the selected indicators must be based on systematic ongoing collection and analysis of valid and reliable data.

(9) Interventions must achieve improvement that is significant and sustained over time.

(10) The organization must report the status and results of each project to HCFA as requested.

(e) *Requirements for non-network M+C MSA plans and M+C private fee-for-service plans.* An organization offering an M+C non-network MSA plan or an M+C private fee-for-service plan must do the following:

(1) Measure performance under the plan using standard measures required by HCFA and report its performance to HCFA. The standard measures may be specified in uniform data collection and reporting instruments required by HCFA and will relate to—

- (i) Prevention and care of acute and chronic conditions;
- (ii) High-volume services;
- (iii) High-risk services; and
- (iv) Enrollee satisfaction.

(2) Evaluate the continuity and coordination of care furnished to enrollees.

(3) If the organization uses written protocols for utilization review, the organization must—

- (i) Base those protocols on current standards of medical practice; and
- (ii) Have mechanisms to evaluate utilization of services and to inform enrollees and providers of services of the results of the evaluation.

(f) *Requirements for all types of plans—*

(1) *Health information.* For all types of

plans that it offers, an organization must—

(i) Maintain a health information system that collects, analyzes, and integrates the data necessary to implement its quality assessment and performance improvement program;

(ii) Ensure that the information it receives from providers of services is reliable and complete; and

(iii) Make all collected information available to HCFA.

(2) *Program review.* For each plan, there must be in effect a process for formal evaluation, at least annually, of the impact and effectiveness of its quality assessment and performance improvement program.

§ 422.154 External review.

(a) *Basic rule.* Except as provided in paragraph (c) of this section, each M+C organization must, for each M+C plan it operates, have an agreement with an independent quality review and improvement organization (review organization) approved by HCFA to perform functions of the type described in part 466 of this chapter.

(b) *Terms of the agreement.* The agreement must be consistent with HCFA guidelines and include the following provisions:

(1) Require that the organization—

(i) Allocate adequate space for use of the review organization whenever it is conducting review activities; and

(ii) Provide all pertinent data, including patient care data, at the time the review organization needs the data to carry out the reviews and make its determinations.

(2) Except in the case of complaints about quality, exclude review activities that HCFA determines would duplicate review activities conducted as part of an accreditation process or as part of HCFA monitoring.

(c) *Exceptions.* The requirement of paragraph (a) of this section does not apply for an M+C private fee-for-service plan or a non-network M+C MSA plan if the organization does not carry out utilization review with respect to the plan.

§ 422.156 Compliance deemed on the basis of accreditation.

(a) *General rule.* An M+C organization may be deemed to meet any of the requirements of paragraph (b) of this section if—

(1) The M+C organization is fully accredited (and periodically reaccredited) by a private, national accreditation organization approved by HCFA; and

(2) The accreditation organization used the standards approved by HCFA for the purposes of assessing the M+C organization's compliance with Medicare requirements.

(b) *Deeming requirements.* The following requirements are deemable:

(1) The quality assessment and performance improvement requirements of § 422.152.

(2) The confidentiality and accuracy of enrollee records requirements of § 422.118.

(c) *Effective date of deemed status.* The date on which the organization is deemed to meet the applicable requirements is the later of the following:

(1) The date on which the accreditation organization is approved by HCFA.

(2) The date the M+C organization is accredited by the accreditation organization.

(d) *Obligations of deemed M+C organizations.* An M+C organization deemed to meet Medicare requirements must—

(1) Submit to surveys by HCFA to validate its accreditation organization's accreditation process; and

(2) Authorize its accreditation organization to release to HCFA a copy of its most recent accreditation survey, together with any survey-related information that HCFA may require (including corrective action plans and summaries of unmet HCFA requirements).

(e) *Removal of deemed status.* HCFA removes part or all of an M+C organization's deemed status for any of the following reasons:

(1) HCFA determines, on the basis of its own survey or the results of the accreditation survey, that the M+C organization does not meet the Medicare requirements for which deemed status was granted.

(2) HCFA withdraws its approval of the accreditation organization that accredited the M+C organization.

(3) The M+C organization fails to meet the requirements of paragraph (d) of this section.

(f) *Enforcement authority.* HCFA retains the authority to initiate enforcement action against any M+C organization that it determines, on the basis of its own survey or the results of an accreditation survey, no longer meets the Medicare requirements for which deemed status was granted.

§ 422.157 Accreditation organizations.

(a) *Conditions for approval.* HCFA may approve an accreditation organization with respect to a given standard under this part if it meets the following conditions:

(1) In accrediting M+C organizations, it applies and enforces standards that are at least as stringent as Medicare requirements with respect to the standard or standards in question.

(2) It complies with the application and reapplication procedures set forth in § 422.158.

(3) It is not controlled, as defined in § 413.17 of this chapter, by the entities it accredits.

(b) *Notice and comment—(1) Proposed notice.* HCFA publishes a proposed notice in the FEDERAL REGISTER whenever it is considering granting an accreditation organization's application for approval. The notice—

(i) Specifies the basis for granting approval;

(ii) Describes how the accreditation organization's accreditation program meets or exceeds all of the Medicare requirements for which HCFA would deem compliance on the basis of the organization's accreditation; and

(iii) Provides opportunity for public comment.

(2) *Final notice.* (i) After reviewing public comments, HCFA publishes a final FEDERAL REGISTER notice indicating whether it has granted the accreditation organization's request for approval.

(ii) If HCFA grants the request, the final notice specifies the effective date and the term of the approval, which may not exceed 6 years.

(c) *Ongoing responsibilities of an approved accreditation organization.* An accreditation organization approved by

HCFA must undertake the following activities on an ongoing basis:

(1) Provide to HCFA in written form and on a monthly basis all of the following:

(i) Copies of all accreditation surveys, together with any survey-related information that HCFA may require (including corrective action plans and summaries of unmet HCFA requirements).

(ii) Notice of all accreditation decisions.

(iii) Notice of all complaints related to deemed M+C organizations.

(iv) Information about any M+C organization against which the accrediting organization has taken remedial or adverse action, including revocation, withdrawal or revision of the M+C organization's accreditation. (The accreditation organization must provide this information within 30 days of taking the remedial or adverse action.)

(v) Notice of any proposed changes in its accreditation standards or requirements or survey process. If the organization implements the changes before or without HCFA approval, HCFA may withdraw its approval of the accreditation organization.

(2) Within 30 days of a change in HCFA requirements, submit to HCFA—

(i) An acknowledgment of HCFA's notification of the change;

(ii) A revised cross-walk reflecting the new requirements; and

(iii) An explanation of how the accreditation organization plans to alter its standards to conform to HCFA's new requirements, within the timeframes specified in the notification of change it receives from HCFA.

(3) Permit its surveyors to serve as witnesses if HCFA takes an adverse action based on accreditation findings.

(4) Within 3 days of identifying, in an accredited M+C organization, a deficiency that poses immediate jeopardy to the organization's enrollees or to the general public, give HCFA written notice of the deficiency.

(5) Within 10 days of HCFA's notice of withdrawal of approval, give written notice of the withdrawal to all accredited M+C organizations.

(d) *Continuing Federal oversight of approved accreditation organizations.* This paragraph establishes specific criteria

and procedures for continuing oversight and for withdrawing approval of an accreditation organization.

(1) *Equivalency review.* HCFA compares the accreditation organization's standards and its application and enforcement of those standards to the comparable HCFA requirements and processes when—

(i) HCFA imposes new requirements or changes its survey process;

(ii) An accreditation organization proposes to adopt new standards or changes in its survey process; or

(iii) The term of an accreditation organization's approval expires.

(2) *Validation review.* HCFA or its agent may conduct a survey of an accredited organization, examine the results of the accreditation organization's own survey, or attend the accreditation organization's survey, in order to validate the organization's accreditation process. At the conclusion of the review, HCFA identifies any accreditation programs for which validation survey results—

(i) Indicate a 20 percent rate of disparity between certification by the accreditation organization and certification by HCFA or its agent on standards that do not constitute immediate jeopardy to patient health and safety if unmet;

(ii) Indicate any disparity between certification by the accreditation organization and certification by HCFA or its agent on standards that constitute immediate jeopardy to patient health and safety if unmet; or

(iii) Indicate that, irrespective of the rate of disparity, there are widespread or systematic problems in an organization's accreditation process such that accreditation no longer provides assurance that the Medicare requirements are met or exceeded.

(3) *Onsite observation.* HCFA may conduct an onsite inspection of the accreditation organization's operations and offices to verify the organization's representations and assess the organization's compliance with its own policies and procedures. The onsite inspection may include, but is not limited to, reviewing documents, auditing meetings concerning the accreditation process, evaluating survey results or the accreditation status decision making

process, and interviewing the organization's staff.

(4) *Notice of intent to withdraw approval.* If an equivalency review, validation review, onsite observation, or HCFA's daily experience with the accreditation organization suggests that the accreditation organization is not meeting the requirements of this subpart, HCFA gives the organization written notice of its intent to withdraw approval.

(5) *Withdrawal of approval.* HCFA may withdraw its approval of an accreditation organization at any time if HCFA determines that—

(i) Deeming based on accreditation no longer guarantees that the M+C organization meets the M+C requirements, and failure to meet those requirements could jeopardize the health or safety of Medicare enrollees and constitute a significant hazard to the public health; or

(ii) The accreditation organization has failed to meet its obligations under this section or under § 422.156 or § 422.158.

(6) *Reconsideration of withdrawal of approval.* An accreditation organization dissatisfied with a determination to withdraw HCFA approval may request a reconsideration of that determination in accordance with subpart D of part 488 of this chapter.

§ 422.158 Procedures for approval of accreditation as a basis for deeming compliance.

(a) *Required information and materials.* A private, national accreditation organization applying for approval must furnish to HCFA all of the following information and materials. (When reapplying for approval, the organization need furnish only the particular information and materials requested by HCFA.)

(6) A description of the organization's procedures for responding to and investigating complaints against accredited organizations, including policies and procedures regarding coordination of these activities with appropriate licensing bodies and ombudsmen programs.

(7) A description of the organization's policies and procedures with respect to the withholding or removal of accreditation for failure to meet the accreditation organization's standards or requirements, and other actions the organization takes in response to non-

compliance with its standards and requirements.

(8) A description of all types (for example, full, partial) and categories (for example, provisional, conditional, temporary) of accreditation offered by the organization, the duration of each type and category of accreditation and a statement identifying the types and categories that would serve as a basis for accreditation if HCFA approves the accreditation organization.

(9) A list of all currently accredited M+C organizations and the type, category, and expiration date of the accreditation held by each of them.

(10) A list of all full and partial accreditation surveys scheduled to be performed by the accreditation organization as requested by HCFA.

(2) A resource analysis that demonstrates that its staffing, funding, and other resources are adequate to perform the required surveys and related activities.

(3) A statement acknowledging that, as a condition for approval, it agrees to comply with the ongoing responsibility requirements of § 422.157(c).

(c) *Additional information.* If HCFA determines that it needs additional information for a determination to grant or deny the accreditation organization's request for approval, it notifies the organization and allows time for the organization to provide the additional information.

(d) *Onsite visit.* HCFA may visit the accreditation organization's offices to verify representations made by the organization in its application, including, but not limited to, review of documents, and interviews with the organization's staff.

(e) *Notice of determination.* HCFA gives the accreditation organization a formal notice that—

(1) States whether the request for approval has been granted or denied;

(2) Gives the rationale for any denial; and

(3) Describes the reconsideration and reapplication procedures.

(f) *Withdrawal.* An accreditation organization may withdraw its application for approval at any time before it receives the formal notice specified in paragraph (e) of this section.

(g) *Reconsideration of adverse determination.* An accreditation organization that has received notice of denial of its request for approval may request reconsideration in accordance with subpart D of part 488 of this chapter.

(h) *Request for approval following denial.* (1) Except as provided in paragraph (h)(2) of this section, an accreditation organization that has received notice of denial of its request for approval may submit a new request if it—

(i) Has revised its accreditation program to correct the deficiencies on which the denial was based;

(ii) Can demonstrate that the M+C organizations that it has accredited meet or exceed applicable Medicare requirements; and

(iii) Resubmits the application in its entirety.

(2) An accreditation organization that has requested reconsideration of HCFA's denial of its request for approval may not submit a new request until the reconsideration is administratively final.

Subpart E—Relationships With Providers

SOURCE: 63 FR 35085, June 26, 1998, unless otherwise noted.

422.200 Basis and scope.

This subpart is based on sections 1852(a)(1), (a)(2), (b)(2), (c)(2)(D), (j), and (k) of the Act; section 1859(b)(2)(A) of the Act; and the general authority under 1856(b) of the Act requiring the establishment of standards. It sets forth the requirements and standards for the M+C organization's relationships with providers including physicians, other health care professionals,

institutional providers and suppliers, under contracts or arrangements or deemed contracts under M+C private fee-for-service plans. This subpart also contains some requirements that apply to noncontracting providers.

§ 422.202 Participation procedures.

(a) *Notice and appeal rights.* An M+C organization that operates a coordinated care plan or network MSA plan must provide for the participation of individual physicians, and the management and members of groups of physicians, through reasonable procedures that include the following:

(1) Written notice of rules of participation including terms of payment, credentialing, and other rules directly related to participation decisions.

(2) Written notice of material changes in participation rules before the changes are put into effect.

(3) Written notice of participation decisions that are adverse to physicians.

(4) A process for appealing adverse participation decisions, including the right of physicians to present information and their views on the decision. In the case of a termination or suspension of a provider contract by the M+C organization, this process must conform to the rules in § 422.204(c).

(b) *Consultation.* The M+C organization must consult with the physicians who have agreed to provide services under an M+C plan offered by the organization, regarding the organization's medical policy, quality assurance program, and medical management procedures and ensure that the following standards are met:

(1) Practice guidelines and utilization management guidelines—

(i) Are based on reasonable medical evidence or a consensus of health care professionals in the particular field;

(ii) Consider the needs of the enrolled population;

(iii) Are developed in consultation with contracting physicians; and

(iv) Are reviewed and updated periodically.

(2) The guidelines are communicated to providers and, as appropriate, to enrollees.

(3) Decisions with respect to utilization management, enrollee education, coverage of services, and other areas in

which the guidelines apply are consistent with the guidelines.

(c) An M+C organization that operates an M+C plan through subcontracted physician groups must provide that the participation procedures in this section apply equally to physicians within those subcontracted groups.

[64 FR 7981, Feb. 17, 1999]

§ 422.204 Provider credentialing and provider rights.

(a) *Basic requirements.* An M+C organization must follow a documented process with respect to providers and suppliers who have signed contracts or participation agreements that—

(1) For providers (other than physicians and other health care professionals) requires determination, and redetermination at specified intervals, that each provider—

(i) Licensed to operate in the State, and in compliance with any other applicable State or Federal requirements; and

(ii) Reviewed and approved by an accrediting body, or meets the standards established by the organization itself;

(2) For physicians and other health care professionals, including members of physician groups, covers—

(i) Initial credentialing that includes written application, verification of licensure and other information from primary sources, disciplinary status, eligibility for payment under Medicare, and site visits as appropriate. The application must be signed and dated and include an attestation by the applicant of the correctness and completeness of the application and other information submitted in support of the application;

(ii) Recredentialing at least every 2 years that updates information obtained during initial credentialing and considers performance indicators such as those collected through quality assurance programs, utilization management systems, handling of grievances and appeals, enrollee satisfaction surveys, and other plan activities, and that includes an attestation of the correctness and completeness of the new information; and

(iii) A process for receiving advice from contracting health care profes-

sionals with respect to criteria for credentialing and recredentialing; and

(iv) Requiring that, to the extent applicable, the requirements in paragraphs (a)(2)(i) and (a)(2)(iii) of this section are satisfied; and

(3)(i) Specify that basic benefits must be provided through, or payments must be made to, providers that meet applicable requirements of title XVIII and part A of title XI of the Act. In the case of providers meeting the definition of “provider of services” in section 1861(u), basic benefits may only be provided through such providers if they have a provider agreement with HCFA permitting them to provide services under original Medicare.

(ii) Ensures compliance with the requirements at § 422.752(a)(8) that prohibit employment or contracts with individuals (or with an entity that employs or contracts with such an individual) excluded from participation under Medicare and with the requirements at § 422.220 regarding physicians and practitioners who opt out of Medicare.

(b) *Discrimination prohibited*—(1) *General rule.* An M+C organization may not discriminate, in terms of participation, reimbursement, or indemnification, against any health care professional who is acting within the scope of his or her license or certification under State law, solely on the basis of the license or certification.

(2) *Construction.* The prohibition in paragraph (b)(1) of this section does not preclude any of the following by the M+C organization:

(i) Refusal to grant participation to health care professionals in excess of the number necessary to meet the needs of the plan’s enrollees (except for M+C private-fee-for-service plans, which may not refuse to contract on this basis).

(ii) Use of different reimbursement amounts for different specialties.

(iii) Implementation of measures designed to maintain quality and control costs consistent with its responsibilities.

(c) *Suspension or termination of contract.* An M+C organization that operates a coordinated care plan or network MSA plan providing benefits

through contracting providers must meet the following requirements:

(1) *Notice to physician.* An M+C organization that suspends or terminates an agreement under which the physician provides services to M+C plan enrollees must give the affected individual written notice of the following:

(i) The reasons for the action, including, if relevant, the standards and profiling data used to evaluate the physician and the numbers and mix of physicians needed by the M+C organization.

(ii) The affected physician's right to appeal the action and the process and timing for requesting a hearing.

(2) *Composition of hearing panel.* The M+C organization must ensure that the majority of the hearing panel members are peers of the affected physician.

(3) *Notice to licensing or disciplinary bodies.* An M+C organization that suspends or terminates a contract with a physician because of deficiencies in the quality of care must give written notice of that action to licensing or disciplinary bodies or to other appropriate authorities.

(4) *Timeframes.* An M+C organization and a contracting provider must provide at least 60 days written notice to each other before terminating the contract without cause.

[63 FR 35085, June 26, 1998, as amended at 64 FR 7982, Feb. 17, 1999]

§ 422.206 Interference with health care professionals' advice to enrollees prohibited.

(a) *General rule.* (1) An M+C organization may not prohibit or otherwise restrict a health care professional, acting within the lawful scope of practice, from advising, or advocating on behalf of, an individual who is a patient and enrolled under an M+C plan about—

(i) The patient's health status, medical care, or treatment options (including any alternative treatments that may be self-administered), including the provision of sufficient information to the individual to provide an opportunity to decide among all relevant treatment options;

(ii) The risks, benefits, and consequences of treatment or non-treatment; or

(iii) The opportunity for the individual to refuse treatment and to express preferences about future treatment decisions.

(2) Health care professionals must provide information regarding treatment options in a culturally-competent manner, including the option of no treatment. Health care professionals must ensure that individuals with disabilities have effective communications with participants throughout the health system in making decisions regarding treatment options.

(b) *Conscience protection.* The general rule in paragraph (a) of this section does not require the M+C plan to cover, furnish, or pay for a particular counseling or referral service if the M+C organization that offers the plan—

(1) Objects to the provision of that service on moral or religious grounds; and

(2) Through appropriate written means, makes available information on these policies as follows:

(i) To HCFA, with its application for a Medicare contract, or within 10 days of submitting its ACR proposal, as appropriate.

(ii) To prospective enrollees, before or during enrollment.

(iii) With respect to current enrollees, the organization is eligible for the exception provided in paragraph (a)(1) of this section if it provides notice within 90 days after adopting the policy at issue; however, under § 422.111(d), notice of such a change must be given in advance.

(c) *Construction.* Nothing in paragraph (b) of this section may be construed to affect disclosure requirements under State law or under the Employee Retirement Income Security Act of 1974.

(d) *Sanctions.* An M+C organization that violates the prohibition of paragraph (a) of this section or the conditions in paragraph (b) of this section is subject to intermediate sanctions under subpart O of this part.

§ 422.208 Physician incentive plans: requirements and limitations.

(a) *Definitions.* In this subpart, the following definitions apply:

Bonus means a payment made to a physician or physician group beyond

any salary, fee-for-service payments, capitation, or returned withhold.

Capitation means a set dollar payment per patient per unit of time (usually per month) paid to a physician or physician group to cover a specified set of services and administrative costs without regard to the actual number of services provided. The services covered may include the physician's own services, referral services, or all medical services.

Physician group means a partnership, association, corporation, individual practice association, or other group of physicians that distributes income from the practice among members. An individual practice association is defined as a physician group for this section only if it is composed of individual physicians and has no subcontracts with physician groups.

Physician incentive plan means any compensation arrangement to pay a physician or physician group that may directly or indirectly have the effect of reducing or limiting the services provided to any plan enrollee.

Potential payments means the maximum payments possible to physicians or physician groups including payments for services they furnish directly, and additional payments based on use and costs of referral services, such as withholds, bonuses, capitation, or any other compensation to the physician or physician group. Bonuses and other compensation that are not based on use of referrals, such as quality of care furnished, patient satisfaction or committee participation, are not considered payments in the determination of substantial financial risk.

Referral services means any specialty, inpatient, outpatient, or laboratory services that a physician or physician group orders or arranges, but does not furnish directly.

Risk threshold means the maximum risk, if the risk is based on referral services, to which a physician or physician group may be exposed under a physician incentive plan without being at substantial financial risk. This is set at 25 percent risk.

Substantial financial risk, for purposes of this section, means risk for referral services that exceeds the risk threshold.

Withhold means a percentage of payments or set dollar amounts deducted from a physician's service fee, capitation, or salary payment, and that may or may not be returned to the physician, depending on specific predetermined factors.

(b) *Applicability.* The requirements in this section apply to an M+C organization and any of its subcontracting arrangements that utilize a physician incentive plan in their payment arrangements with individual physicians or physician groups. Subcontracting arrangements may include an intermediate entity, which includes but is not limited to, an individual practice association that contracts with one or more physician groups or any other organized group such as those specified in § 422.4.

(c) *Basic requirements.* Any physician incentive plan operated by an M+C organization must meet the following requirements:

(1) The M+C organization makes no specific payment, directly or indirectly, to a physician or physician group as an inducement to reduce or limit medically necessary services furnished to any particular enrollee. Indirect payments may include offerings of monetary value (such as stock options or waivers of debt) measured in the present or future.

(2) If the physician incentive plan places a physician or physician group at substantial financial risk (as determined under paragraph (d) of this section) for services that the physician or physician group does not furnish itself, the M+C organization provides aggregate or per-patient stop-loss protection in accordance with paragraph (f) of this section, and conducts periodic surveys in accordance with paragraph (g) of this section.

(3) For all physician incentive plans, the M+C organization provides to HCFA the information specified in § 422.210.

(d) *Determination of substantial financial risk*—(1) *Basis.* Substantial financial risk occurs when risk is based on the use or costs of referral services, and that risk exceeds the risk threshold. Payments based on other factors, such as quality of care furnished, are not considered in this determination.

(2) *Risk threshold.* The risk threshold is 25 percent of potential payments.

(3) *Arrangements that cause substantial financial risk.* The following incentive arrangements cause substantial financial risk within the meaning of this section, if the physician's or physician group's patient panel size is not greater than 25,000 patients, as shown in the table at paragraph (f)(2)(iii) of this section:

(i) Withholds greater than 25 percent of potential payments.

(ii) Withholds less than 25 percent of potential payments if the physician or physician group is potentially liable for amounts exceeding 25 percent of potential payments.

(iii) Bonuses that are greater than 33 percent of potential payments minus the bonus.

(iv) Withholds plus bonuses if the withholds plus bonuses equal more than 25 percent of potential payments. The threshold bonus percentage for a particular withhold percentage may be calculated using the formula—Withhold % = $-0.75 (\text{Bonus \%}) + 25\%$.

(v) Capitation arrangements, if—

(A) The difference between the maximum potential payments and the minimum potential payments is more than 25 percent of the maximum potential payments;

(B) The maximum and minimum potential payments are not clearly explained in the contract with the physician or physician group.

(vi) Any other incentive arrangements that have the potential to hold a physician or physician group liable for more than 25 percent of potential payments.

(e) An M+C fee-for-service plan may not operate a physician incentive plan.

(f) *Stop-loss protection requirements—*

(1) *Basic rule.* The M+C organization must assure that all physicians and physician groups at substantial financial risk have either aggregate or per-patient stop-loss protection in accordance with the following requirements:

(2) *Specific requirements.* (i) Aggregate stop-loss protection must cover 90 percent of the costs of referral services that exceed 25 percent of potential payments.

(ii) For per-patient stop-loss protection if the stop-loss protection provided is on a per-patient basis, the stop-loss limit (deductible) per patient must be determined based on the size of the patient panel and may be a combined policy or consist of separate policies for professional services and institutional services. In determining patient panel size, the patients may be pooled in accordance with paragraph (g) of this section.

(iii) Stop-loss protection must cover 90 percent of the costs of referral services that exceed the per patient deductible limit. The per-patient stop-loss deductible limits are as follows:

| Panel size | Single combined deductible | Separate institutional deductible | Separate professional deductible |
|---------------------|----------------------------|-----------------------------------|----------------------------------|
| 1–1,000 | \$6,000 | \$10,000 | \$3,000 |
| 1,001–5,000 | 30,000 | 40,000 | 10,000 |
| 5,001–8,000 | 40,000 | 60,000 | 15,000 |
| 8,001–10,000 | 75,000 | 100,000 | 20,000 |
| 10,001–25,000 | 150,000 | 200,000 | 25,000 |
| >25,000 | (¹) | (¹) | (¹) |

¹ None.

(g) *Pooling of patients.* Any entity that meets the pooling conditions of this section may pool commercial, Medicare, and Medicaid enrollees or the enrollees of several M+C organizations with which a physician or physician group has contracts. The conditions for pooling are as follows:

(1) It is otherwise consistent with the relevant contracts governing the com-

pensation arrangements for the physician or physician group.

(2) The physician or physician group is at risk for referral services with respect to each of the categories of patients being pooled.

(3) The terms of the compensation arrangements permit the physician or physician group to spread the risk

§ 422.210

42 CFR Ch. IV (10–1–99 Edition)

across the categories of patients being pooled.

(4) The distribution of payments to physicians from the risk pool is not calculated separately by patient category.

(5) The terms of the risk borne by the physician or physician group are comparable for all categories of patients being pooled.

(h) *Periodic surveys of current and former enrollees.* An M+C organization must conduct periodic surveys of current and former enrollees where substantial financial risk exists. These periodic surveys must—

(1) Include either a sample of, or all, current Medicare/Medicaid enrollees in the M+C organization and individuals disenrolled in the past 12 months for reasons other than—

(i) The loss of Medicare or Medicaid eligibility;

(ii) Relocation outside the M+C organization's service area;

(iii) For failure to pay premiums or other charges;

(iv) For abusive behavior; and

(v) Retroactive disenrollment.

(2) Be designed, implemented, and analyzed in accordance with commonly accepted principles of survey design and statistical analysis;

(3) Measure the degree of enrollees'/disenrollees' satisfaction with the quality of the services provided and the degree to which the enrollees/disenrollees have or had access to the services provided under the M+C organization; and

(4) Be conducted no later than 1 year after the effective date of the M+C organization's contract and at least annually thereafter.

(i) *Sanctions.* An M+C organization that fails to comply with the requirements of this section is subject to intermediate sanctions under subpart O of this part.

§ 422.210 Disclosure of physician incentive plans

(a) *Disclosure to HCFA.*—(1) *Basic requirement.* Each M+C organization must provide to HCFA descriptive information about its physician incentive plan in sufficient detail to enable HCFA to determine whether that plan complies with the requirements of § 422.208. Re-

porting should be on the HCFA PIP Disclosure Form (OMB No. 0938-0700).

(2) *Content.* The information must include at least the following:

(i) Whether services not furnished by the physician or physician group are covered by the incentive plan.

(ii) The type or types of incentive arrangements, such as, withholds, bonus, capitation.

(iii) The percent of any withhold or bonus the plan uses.

(iv) Assurance that the physicians or physician group has adequate stop-loss protection, and the amount and type of stop-loss protection.

(v) The patient panel size and, if the plan uses pooling, the pooling method.

(vi) If the M+C organization is required to conduct enrollee surveys, a summary of the survey results.

(3) *When disclosure must be made to HCFA.* An M+C organization must disclose annually to HCFA the physician incentive arrangements that are effective at the start of each year. In addition, HCFA does not approve an M+C organization's application for a contract unless the M+C organization discloses the physician incentive arrangements effective for that contract.

(b) *Disclosure to Medicare beneficiaries—Basic requirement.* An M+C organization must provide the following information to any Medicare beneficiary who requests it:

(1) Whether the M+C organization uses a physician incentive plan that affects the use of referral services.

(2) The type of incentive arrangement.

(3) Whether stop-loss protection is provided.

(4) If the M+C organization was required to conduct a survey, a summary of the survey results.

§ 422.212 Limitations on provider indemnification.

An M+C organization may not contract or otherwise provide, directly or indirectly, for any of the following individuals, organizations, or entities to indemnify the organization against any civil liability for damage caused to an enrollee as a result of the M+C organization's denial of medically necessary care:

(a) A physician or health care professional.

(b) Provider of services.

(c) Other entity providing health care services.

(d) Group of such professionals, providers, or entities.

§ 422.214 Special rules for services furnished by noncontract providers.

(a) *Services furnished to enrollees of coordinated care plans by providers.* (1) Any provider (other than a provider of services as defined in section 1861(u) of the Act) that does not have in effect a contract establishing payment amounts for services furnished to a beneficiary enrolled in an M+C coordinated care plan must accept, as payment in full, the amounts that the provider could collect if the beneficiary were enrolled in original Medicare.

(2) Any statutory provisions (including penalty provisions) that apply to payment for services furnished to a beneficiary not enrolled in an M+C plan also apply to the payment described in paragraph (a)(1) of this section.

(b) *Services furnished by providers of service.* Any provider of services as defined in section 1861(u) of the Act that does not have in effect a contract establishing payment amounts for services furnished to a beneficiary enrolled in an M+C coordinated care plan must accept as payment in full the amounts (less any payments under §§ 412.105(g) and 413.86(d)) that it could collect if the beneficiary were enrolled in original Medicare.

§ 422.216 Special rules for M+C private fee-for-service plans.

(a) *Payment to providers—(1) Payment rate.* (i) The M+C organization must establish uniform payment rates for items and services that apply to all contracting providers, regardless of whether the contract is signed or deemed under paragraph (f) of this section.

(ii) Contracting providers must be reimbursed on a fee-for-service basis.

(iii) The M+C organization must make information on its payment rates available to providers that furnish services that may be covered under the M+C private fee-for-service plan.

(2) *Payment to contract providers.* For each service, the M+C organization pays a contract provider (including one deemed to have a contract) an amount that is equal to the payment rate under paragraph (a)(1) of this section minus any applicable cost-sharing.

(3) *Noncontract providers.* The organization pays for services of noncontract providers in accordance with § 422.100(b)(2).

(4) *Service furnished by providers of service.* Any provider of services as defined in section 1861(u) of the Act that does not have in effect a contract establishing payment mounts for services furnished to a beneficiary enrolled in an M+C private fee-for-service plan must accept as payment in full the amounts (less any payments under §§ 412.109(g) and 413.86(d) of this chapter) that it could collect if the beneficiary were enrolled in original Medicare.

(b) *Charges to enrollees—(1) Contract providers.* (i) Contract providers and “deemed” contract providers may charge enrollees no more than the cost-sharing and, subject to the limit in paragraph (b)(1)(ii) of this section, balance billing amounts that are permitted under the plan, and these amounts must be the same for “deemed” contract providers as for those that have signed contracts in effect.

(ii) The organization may permit balance billing no greater than 15 percent of the payment rate established under paragraph (a)(1) of this section.

(iii) The M+C organization must specify the amount of cost-sharing and balance billing in its contracts with providers and these amounts must be the same for “deemed” contract providers as for those that have signed contracts in effect.

(iv) The M+C organization is subject to intermediate sanctions under § 422.752(a)(7), under the rules in subpart O of this part, if it fails to enforce the limit specified in paragraph (b)(1)(i) of this section.

(2) *Noncontract providers.* A noncontract provider may not collect from an enrollee more than the cost-sharing established by the M+C private fee-for-service plan as specified in § 422.308(b).

(c) *Enforcement of limit*—(1) *Contract providers.* An M+C organization that offers an M+C fee-for-service plan must enforce the limit specified in paragraph (b)(1) of this section.

(2) *Noncontract providers.* An M+C organization that offers an M+C private fee-for-service plan must monitor the amount collected by noncontract providers to ensure that those amounts do not exceed the amounts permitted to be collected under paragraph (b)(2) of this section. The M+C organization must develop and document violations specified in instructions and must forward documented cases to HCFA.

(d) *Information on enrollee liability*—(1) *General information.* An M+C organization that offers an M+C fee-for-service plan must provide to plan enrollees, for each claim filed by the enrollee or the provider that furnished the service, an appropriate explanation of benefits. The explanation must include a clear statement of the enrollee's liability for deductibles, coinsurance, copayment, and balance billing.

(2) *Advance notice for hospital services.* In its terms and conditions of payment to hospitals, the M+C organization must require the hospital, if it imposes balance billing, to provide to the enrollee, before furnishing any services for which balance billing could amount to not less than \$500—

(i) Notice that balance billing is permitted for those services;

(ii) A good faith estimate of the likely amount of balance billing, based on the enrollees presenting condition; and

(iii) The amount of any deductible, coinsurance, and copayment that may be due in addition to the balance billing amount.

(e) *Coverage determinations.* The M+C organization must make coverage determinations in accordance with subpart M of this part.

(f) *Rules describing deemed contract providers.* Any provider furnishing health services to an enrollee in an M+C private fee-for-service plan, and who has not previously entered into a contract or agreement to furnish services under the plan, is treated as having a contract in effect and is subject to the limitations of this section that apply to contract providers if the following conditions are met:

(1) The services are covered under the plan and are furnished—

(i) To an enrollee of an M+C fee-for-service plan; and

(ii) Provided by a provider including a provider of services (as defined in section 1861(u) of the Act) that does not have in effect a signed contract with the M+C organization.

(2) Before furnishing the services, the provider—

(i) Was informed of the individual's enrollment in the plan; and

(ii) Was informed (or given a reasonable opportunity to obtain information) about the terms and conditions of payment under the plan, including the information described in § 422.202(a)(1).

(3) The information was provided in a manner that was reasonably designed to effect informed agreement and met the requirements of paragraphs (g) and (h) of this section.

(g) *Enrollment information.* Enrollment information was provided by one of the following methods or a similar method:

(1) Presentation of an enrollment card or other document attesting to enrollment.

(2) Notice of enrollment from HCFA, a Medicare intermediary or carrier, or the M+C organization itself.

(h) *Information on payment terms and conditions.* Information on payment terms and conditions was made available through either of the following methods:

(1) The M+C organization used postal service, electronic mail, FAX, or telephone to communicate the information to one of the following:

(i) The provider.

(ii) The employer or billing agent of the provider.

(iii) A partnership of which the provider is a member.

(iv) Any party to which the provider makes assignment or reassigns benefits.

(2) The M+C organization has in effect a procedure under which—

how to request the payment information;

(ii) The organization responds to the request before the entity furnishes the service; and

(iii) The information the organization provides includes the following:

§ 422.220 Exclusion of services furnished under a private contract.

An M+C organization may not pay, directly or indirectly, on any basis, for services (other than emergency or urgently needed services as defined in § 422.2) furnished to a Medicare enrollee by a physician (as defined in section 1861(r)(1) of the Act) or other practitioner (as defined in section 1842(b)(18)(C) of the Act) who has filed with the Medicare carrier an affidavit promising to furnish Medicare-covered services to Medicare beneficiaries only through private contracts under section 1802(b) of the Act with the beneficiaries. An M+C organization must pay for emergency or urgently needed services furnished by a physician or practitioner who has not signed a private contract with the beneficiary.

Subpart F—Payments to Medicare+Choice Organizations

SOURCE: 63 FR 35090, June 26, 1998, unless otherwise noted.

§ 422.249 Terminology.

In this subpart—

(a) The terms “per capita rate” and “capitation rate” (see § 422.252) are used interchangeably; and

(b) In the term “area-specific,” “area” refers to any of the payment areas described in § 422.250(c).

§ 422.250 General provisions.

(a) *Monthly payments*—(1) *General rule.* Except as provided in paragraph (a)(2) of this section, HCFA makes advance monthly payments equal to $\frac{1}{12}$ th of the annual M+C capitation rate for the payment area described in paragraph (c) of this section adjusted for such demographic risk factors as an individual's age, disability status, sex, institutional status, and other such factors as it determines to be appropriate to ensure actuarial equivalence. Effective January 1, 2000, HCFA adjusts for health status as provided in § 422.256(c). When the new risk adjustment is implemented, $\frac{1}{12}$ th of the annual capitation rate for the payment area described in paragraph (c) of this section will be adjusted by the risk adjustment methodology under § 422.256(d).

(2) *Special rules*—(i) *Enrollees with end-stage renal disease.* (A) For enrollees determined to have end-stage renal disease (ESRD), HCFA establishes special rates that are determined under an actuarially equivalent approach to that used in establishing the rates under original Medicare.

(B) HCFA reduces the payment rate by the equivalent of 50 cents per renal dialysis treatment. These funds will be used to help pay for the ESRD network program in the same manner as similar reductions are used in original Medicare.

(ii) *MSA enrollees.* For MSA enrollees, HCFA makes advanced monthly payments as described in paragraph (a)(1) less the amount (if any) identified in § 422.262(c)(1)(ii) to be deposited in the M+C MSA. In addition, HCFA deposits in the M+C MSA the lump sum amounts (if any) determined in accordance with § 422.262(c).

(iii) *RFB plan enrollees.* For RFB plan enrollees, HCFA adjusts the capitation payments otherwise determined under this subpart to ensure that the payment level is appropriate for the actuarial characteristics and experience of these enrollees. Such adjustment can be made on an individual or organization basis.

(b) *Adjustment of payments to reflect number of Medicare enrollees*—(1) *General rule.* HCFA adjusts payments retroactively to take into account any difference between the actual number of Medicare enrollees and the number on which it based an advance monthly payment.

(2) *Special rules for certain enrollees.* (i) Subject to paragraph (b)(2)(ii) of this section, HCFA may make adjustments, for a period (not to exceed 90 days) that begins when a beneficiary elects a group health plan (as defined in §411.101 of this chapter) offered by an M+C organization, and ends when the beneficiary is enrolled in an M+C plan offered by the M+C organization.

(ii) HCFA does not make an adjustment unless the beneficiary certifies that, at the time of enrollment under the M+C plan, he or she received from the organization the disclosure statement specified in §422.111.

(c) *Payment areas*—(1) *General rule.* Except as provided in paragraph (e) of this section, the M+C payment area is a county or an equivalent geographic area specified by HCFA.

(2) *Special rule for ESRD enrollees.* For ESRD enrollees, the M+C payment area is a State or other geographic area specified by HCFA.

(d) *Terminology.* As used in paragraph (e) of this section, “metropolitan statistical area,” “consolidated metropolitan statistical area,” and “primary metropolitan statistical area” mean any areas so designated by the Secretary of Commerce.

(e) *Geographic adjustment of payment areas.* For contract years beginning after 1999—

(1) *State request.* A State’s chief executive may request, no later than February 1 of any year, a geographic adjustment of the State’s payment areas for the following calendar year. The chief executive may request any of the following adjustments to the payment area specified in paragraph (c)(1) of this section:

(i) A single Statewide M+C payment area.

(ii) A metropolitan-based system in which all nonmetropolitan areas within the State constitute a single payment area and any of the following

constitutes a separate M+C payment area:

(A) All portions of each single metropolitan statistical area within the State.

(B) All portions of each primary metropolitan statistical area within each consolidated metropolitan statistical area within the State.

(iii) A consolidation of noncontiguous counties.

(2) *HCFA response.* In response to the request, HCFA makes the payment adjustment requested by the chief executive.

(3) *Budget neutrality adjustment for geographically adjusted payment areas.* If HCFA adjusts a State’s payment areas in accordance with paragraph (e)(2) of this section, HCFA at that time, and each year thereafter, adjusts the capitation rates so that the aggregate Medicare payments do not exceed the aggregate Medicare payments that would have been made to all the State’s payments areas, absent the geographic adjustment.

(f) *Determination and applicability of payment rates.* (1) All payment rates are annual rates, determined and promulgated no later than March 1st, for the following calendar year.

(2) For purposes of paragraphs (b) and (c) of §422.252, except as provided in §422.254(e)(4), the “capitation payment rate for 1997” is the rate determined under section 1876(a)(1)(c) of the Act.

[63 FR 35090, June 26, 1998; 63 FR 52613, Oct. 1, 1998]

§ 422.252 Annual capitation rates.

Subject to the adjustments specified in this subpart, the annual capitation rate for a particular payment area is equal to the largest of the following:

(a) *Blended capitation rate.* The blended capitation rate is the sum of—

(1) The area-specific percentage (specified in §422.254(a)) for the year multiplied by the annual area-specific capitation rate for the payment area as determined under §422.254(e) for the year, and

(2) The national percentage (specified in §422.254(a)) for the year multiplied by the national input-price-adjusted capitation rate for the payment area as determined under §422.254(g) for the year.

(3) Multiplied by the budget neutrality adjustment factor determined under § 422.254(d).

(b) *Minimum amount rate.* (1) For 1998—

(i) For the 50 States and the District of Columbia, the minimum amount rate is 12 times \$367.

(ii) For all other jurisdictions the minimum amount rate is the lesser of the rate described in (b)(1)(i) or 150 percent of the capitation payment rate for 1997.

(2) For each succeeding year, the minimum amount rate is the minimum amount rate for the preceding year, increased by the national per capita growth percentage (specified in § 422.254(b)) for the year.

(c) *Minimum percentage increase rate.* (1) For 1998, the minimum percentage increase rate is 102 percent of the annual capitation rate for 1997.

(2) For each succeeding year, the minimum percentage increase rate is 102 percent of the annual capitation rate for the preceding year.

§ 422.254 Calculation and adjustment factors.

The following are the factors used in calculating the per capita payment rates:

(a) *Area-specific and national percentages.* For purposes of § 422.252(a)(1), the area-specific percentage and the national percentage, for each year, are as follows:

| | Area-specific | National |
|----------------------------|---------------|----------|
| For 1998 | 90 | 10 |
| For 1999 | 82 | 18 |
| For 2000 | 74 | 26 |
| For 2001 | 66 | 34 |
| For 2002 | 58 | 42 |
| For years after 2002 | 50 | 50 |

(b) *National per capita growth percentage.* For purposes of § 422.252(a)(2),

(1) The national per capita growth percentage for a year is HCFA's estimate of the rate of growth in per capita expenditures, reduced by the percentage points specified in paragraph (b)(2) of this section for the year. HCFA may make separate estimates for aged enrollees, disabled enrollees, and enrollees who have ESRD.

(2) The percentage points that HCFA uses to reduce its estimates are as follows:

(i) For 1998, 0.8 percentage points.

(ii) For years 1999–2002, 0.5 percentage points.

(iii) For years after 2002, 0 percentage points.

(c) *Medical education payment adjustments.* For purposes of paragraph (e)(2) the medical education payment adjustments are amounts that HCFA estimates were payable to teaching hospitals during 1997 for—

(1) the indirect costs of medical education under section 1886(d)(5)(B) of the Act; and

(2) The direct costs of graduate medical education under section 1886(h) of the Act.

(d) *General budget neutrality factor.* For each year, HCFA applies a budget neutrality factor to the blended capitation rates under § 422.252(a) so that the estimated aggregate payments made under this part equal the estimated aggregate payments that would have been made if based entirely on area-specific capitation rates.

(e) *Annual Area-specific capitation rate* (1) *Basic rule.* Subject to the provisions of paragraphs (e)(2) and (e)(3) of this section, the annual area-specific capitation rate for a particular payment area is—

(i) For 1998, subject to paragraph (e)(4) of this section, the per capita rate determined for that area for 1997 under section 1876(a)(1)(c) of the Act, increased by the national per capita growth percentage for 1998; and

(ii) For a subsequent year, the area-specific capitation rate determined for the previous year, increased by the national per capita growth percentage for the year.

(2) *Exclusion of medical education costs.* In calculating the area-specific capitation rates, the following percentages of the amounts estimated by HCFA under § 422.254(c) as medical education payment adjustments to hospitals, are excluded:

| | |
|----------------------------|--------------|
| For 1998 | 20 percent. |
| For 1999 | 40 percent. |
| For 2000 | 60 percent. |
| For 2001 | 80 percent. |
| For years after 2001 | 100 percent. |

(3) *Payments under the State hospital reimbursement system.* To the extent that HCFA estimates that a 1997 per capita rate reflects payments to hospitals under section 1814(b)(3) of the Act, HCFA makes a payment adjustment that is comparable to the adjustment that would have been made under paragraph (e)(2) of this section if the hospitals had not been reimbursed under section 1814(b)(3) of the Act.

(4) *Areas with highly variable per capita rates.* With respect to a payment area for which the per capita rate for 1997 varies by more than 20 percent from the per capita rate for 1996, HCFA may substitute for the 1997 rate a rate that is more representative of the costs of the enrollees in the area.

(f) *National standardized annual capitation rate.* The national standardized annual capitation rate is equal to—

(1) The sum, for all payment areas, of the products of—

(i) The annual area-specific capitation rate and

(ii) The average number of Medicare beneficiaries residing in the area multiplied by the average of the risk-factor weights used to adjust payments under § 422.256(c);

(2) Divided by the sum, for all payment areas, of the products specified in paragraph (f)(1)(ii) of this section for all payment areas.

(g) *The input-price-adjusted annual national capitation rate—*(1) *General rule.* The input-price-adjusted annual national capitation rate for a M+C payment area for a year is equal to the sum, for all the types of Medicare services (as classified by HCFA), of the product (for each service) of—

(i) The national standardized annual M+C capitation rate (determined under paragraph (f) of this section) for the year;

(ii) The proportion of such rates for the year which is attributable to such type of services; and

(iii) An index that reflects (for that year and that type of services) the relative input price of such services in the area compared to the national average input price for such services.

(2) HCFA may, subject to the special rules for 1988, use indices that are used in applying or updating national pay-

ment rates for particular areas and localities.

(3) *Special rules for 1988.* In applying this paragraph for 1998—

(i) Medicare services are classified as Part A and Part B services;

(ii) The proportion attributable to Part A services is the ratio (expressed as a percentage) of the national average per capita rate of payment for Part A services for 1997 to the national average per capita rate of payment for Part A and Part B services for that year;

(iii) The proportion attributed to part B services is 100 percent minus the ratio described in paragraph (g)(3)(ii) of this section;

(iv) For Part A services, 70 percent of the payments attributable to those services are adjusted by the index used under section 1886(d)(3)(E) of the Act to adjust payment rates for relative hospital wage levels for hospitals located in the particular payment area; and

(v) For part B services—

(A) 66 percent of payments attributable to those services are adjusted by the index of the geographic area factors under section 1848(e) of the Act used to adjust payment rates for physician services in the particular payment area; and

(B) Of the remaining 34 percent, 40 percent is adjusted by the index specified in paragraph (g)(3)(iv) of this section.

§ 422.256 Adjustments to capitation rates and aggregate payments.

(a) *Adjustment for over or under projection of national per capita growth percentages.* (1) Beginning with rates for 1999, HCFA adjusts all area-specific and national capitation rates for the previous year to reflect any differences between the projected national per capita growth percentages for that year and previous years, and the current estimates of those percentages for such years.

(2) Beginning with rates for 2000, HCFA also adjusts the minimum amount rate (calculated under § 422.252(b)) in the same manner.

(b) *Adjustment for national coverage determination (NCD) services.* If HCFA determines that the cost of furnishing an NCD service is “significant,” HCFA adjusts capitation rates for the next

calendar year to take account of the cost of that service. Until the new capitation rates are in effect, the M+C organization is paid for the "significant cost" service on a fee-for-service basis as provided under section 422.105(b).

(c) *Risk adjustment: General rule.* Capitation payments are adjusted for age, gender, institutional status, and other appropriate factors, including health status.

(d) *Risk adjustment: Health status—(1) Data collection.* To adjust for health status, HCFA applies a risk factor based on data obtained in accordance with § 422.257.

(2) *Initial implementation.* HCFA applies this adjustment factor to payments beginning January 1, 2000.

(3) *Uniform application.* Except as provided for M+C RFB plans under § 422.250(a)(2)(iii), HCFA applies this adjustment factor to all types of plans.

§ 422.257 Encounter data.

(a) *Data collection: Basic rule.* Each M+C organization must submit to HCFA (in accordance with HCFA instructions) all data necessary to characterize the context and purposes of each encounter between a Medicare enrollee and a provider, supplier, physician, or other practitioner.

(b) *Types of service and timing of submission.* M+C organizations must submit data as follows:

(1) Beginning on a date determined by HCFA, inpatient hospital care data for all discharges that occur on or after July 1, 1997.

(2) HCFA will provide advance notice to M+C organizations to collect and submit data for services that occur on or after July 1, 1998, as follow:

(i) Physician, outpatient hospital, SNF, and HHA data beginning no earlier than October 1, 1999; and

(ii) All other data HCFA deems necessary beginning no earlier than October 1, 2000.

(c) *Sources and extent of data.* (1) To the extent required by HCFA, the data must account for services covered under the original Medicare program, for Medicare covered services for which Medicare is not the primary payor, or for other additional or supplemental

benefits that the M+C organization may provide.

(2) The data must account separately for each provider, supplier, physician, or other practitioner that would be permitted to bill separately under the Medicare fee-for-service program, even if they participate jointly in the same encounter.

(d) *Other data requirements.* The data must—

(1) Conform to the requirements for equivalent data for Medicare fee-for-service when appropriate, and to all relevant national standards; and

(2) Be submitted electronically to the appropriate HCFA contractor.

(e) *Validation of data.* M+C organizations and their providers and practitioners will be required to submit medical records for the validation of encounter data, as prescribed by HCFA.

(f) *Use of data.* HCFA uses the data obtained under this section to determine the risk adjustment factor that it applies to annual capitation rates under § 422.256(c). HCFA may also use the data for other purposes.

§ 422.258 Announcement of annual capitation rates and methodology changes.

(a) *Capitation rates.* (1) No later than March 1 of each year, HCFA announces to M+C organizations and other interested parties the capitation rates for the following calendar year.

(2) HCFA includes in the announcement a description of the risk and other factors and explains the methodology in sufficient detail to enable M+C organizations to compute monthly adjusted capitation rates for individuals in each of its payment areas.

(b) *Advance notice of changes in methodology.* (1) No later than January 15 of each year, HCFA notifies M+C organizations of changes it proposes to make in the factors and the methodology it used in the previous determination of capitation rates.

(2) The M+C organizations have 15 days to comment on the proposed changes.

§ 422.262

42 CFR Ch. IV (10–1–99 Edition)

§ 422.262 Special rules for beneficiaries enrolled in M+C MSA plans.

(a) *Establishment and designation of medical savings account (MSA).* A beneficiary who elects coverage under an M+C MSA plan—

(1) Must establish an M+C MSA with a trustee that meets the requirements of paragraph (b) of this section; and

(2) If he or she has more than one M+C MSA, designate the particular account to which payments under the M+C MSA plan are to be made.

(b) *Requirements for MSA trustees.* An entity that acts as a trustee for an M+C MSA must—

(1) Register with HCFA;

(2) Certify that it is a licensed bank, insurance company, or other entity qualified, under sections 408(a)(2) or 408(h) of the IRS Code, to act as a trustee of individual retirement accounts;

(3) Agree to comply with the M+C MSA provisions of section 138 of the IRS Code of 1986; and

(4) Provide any other information that HCFA may require.

(c) *Deposit in the M+C MSA.* (1) The payment is calculated as follows:

(i) The monthly M+C MSA premium is compared with $\frac{1}{12}$ of the annual capitation rate for the area determined under § 422.252.

(ii) If the monthly M+C MSA premium is less than $\frac{1}{12}$ of the annual capitation rate, the difference is the amount to be deposited in the M+C MSA for each month for which the beneficiary is enrolled in the MSA plan.

(2) HCFA deposits the full amount to which a beneficiary is entitled under paragraph (c)(1)(ii) of this section for the calendar year, beginning with the month in which M+C MSA coverage begins.

(3) If the beneficiary's coverage under the M+C MSA plan ends before the end of the calendar year, HCFA recovers the amount that corresponds to the remaining months of that year.

§ 422.264 Special rules for coverage that begins or ends during an inpatient hospital stay.

(a) *Applicability.* This section applies to inpatient services in a “subsection

(d) hospital” as defined in section 1886(d)(1)(B) of the Act.

(b) *Coverage that begins during an inpatient hospital stay.* If coverage under an M+C plan offered by an M+C organization begins while the beneficiary is an inpatient in a subsection (d) hospital—

(1) Payment for inpatient services until the date of the beneficiary's discharge is made by the previous M+C organization or original Medicare, as appropriate.

(2) The M+C organization offering the newly-elected M+C plan is not responsible for the inpatient services until the date after the beneficiary's discharge; and

(3) The M+C organization offering the newly-elected M+C plan is paid the full amount otherwise payable under this subpart.

(c) *Coverage that ends during an inpatient hospital stay.* If coverage under an M+C plan offered by an M+C organization ends while the beneficiary is an inpatient in a subsection (d) hospital—

(1) The M+C organization is responsible for the inpatient services until the date of the beneficiary's discharge;

(2) Payment for those services during the remainder of the stay is not made by original Medicare or by any succeeding M+C organization offering a newly-elected M+C plan; and

(3) The M+C organization that no longer provides coverage receives no payment for the beneficiary for the period after coverage ends.

§ 422.266 Special rules for hospice care.

(a) *Information.* An M+C organization that has a contract under subpart K of this part must inform each Medicare enrollee eligible to elect hospice care under section 1812(d)(1) of the Act about the availability of hospice care (in a manner that objectively presents all available hospice providers, including a statement of any ownership interest in a hospice held by the M+C organization or a related entity) if—

(1) A Medicare hospice program is located within the plan's service area; or

(2) It is common practice to refer patients to hospice programs outside that area.

(b) *Enrollment status.* Unless the enrollee disenrolls from the M+C plan, a beneficiary electing hospice continues his or her enrollment in the M+C plan and is entitled to receive, through the M+C plan, any benefits other than those that are the responsibility of the Medicare hospice.

(c) *Payment.* During the time the hospice election is in effect, HCFA's monthly capitation payment to the M+C organization is reduced to an amount equal to the adjusted excess amount determined under § 422.312. In addition, HCFA pays through the original Medicare program (subject to the usual rules of payment)—

(1) The hospice program for hospice care furnished to the Medicare enrollee; and

(2) The M+C organization, provider or supplier for other Medicare-covered services furnished to the enrollee.

§ 422.268 Source of payment and effect of election of the M+C plan election on payment.

(a) *Source of payments.* Payments under this subpart, to M+C organizations or M+C MSAs, are made from the Federal Hospital Insurance Trust Fund or the Supplementary Medical Insurance Trust Fund. HCFA determines the proportions to reflect the relative weight that benefits under Part A, and benefits under Part B represents of the actuarial value of the total benefits under title XVIII of the Act.

(b) *Payments to the M+C organization.* Subject to §§ 412.105(g) and 413.86(d) of this chapter and §§ 422.109, 422.264, and 422.266, HCFA's payments under a contract with an M+C organization (described in § 422.250) with respect to an individual electing an M+C plan offered by the organization are instead of the amounts which (in the absence of the contract) would otherwise be payable under original Medicare for items and services furnished to the individual.

(c) *Only the M+C organization entitled to payment.* Subject to § 422.262, 422.264, 422.266, and 422.520 of this part and sections 1886(d)(11) and 1886(h)(3)(D) of the Act, only the M+C organization is entitled to receive payment from HCFA under title XVIII of the Act for items

and services furnished to the individual.

Subpart G—Premiums and Cost-Sharing

SOURCE: 63 FR 35093, June 26, 1998, unless otherwise noted.

§ 422.300 Basis and scope.

(a) *General.* This subpart is based on section 1854 of the Act. It sets forth the requirements and limitations for payments by and on behalf of Medicare beneficiaries who elect an M+C plan.

(b) *Transition period.* For contract periods beginning before January 1, 2002, HCFA applies the following special rules.

(1) M+C organizations may, with HCFA's agreement, modify an M+C plan offered prior to January 1, 2002 by—

(i) Adding benefits at no additional cost to the M+C plan enrollee; and

(ii) Lowering the premiums approved through the ACR process;

(iii) Lowering other cost-sharing amounts approved through the ACR process.

(2) For contracts beginning on a date other than January 1 (according to § 422.504(d)), M+C organizations may submit ACRs on a date other than May 1 approved by HCFA.

§ 422.302 Terminology.

As used in this subpart, unless specified otherwise—

Additional revenues are revenues collected or expected to be collected from charges for M+C plans offered by an M+C organization in excess of costs actually incurred or expected to be incurred. Additional revenues would include such things as revenues in excess of expenses of an M+C plan, profits, contribution to surplus, risk margins, contributions to risk reserves, assessments by a related entity that do not represent a direct medical or related administrative cost, and any other premium component not reflected in direct medical care costs and administrative costs.

APR stands for the M+C plan's average per capita rates of payment. The APR is the average amount the M+C organization estimates HCFA will pay (without any needed offsets or reductions, such as, those required by § 422.250(a)(2)(ii) for M+C MSA plan enrollees) for the period covered by the ACR for all of the Medicare beneficiaries electing the M+C plan.

M+C monthly basic beneficiary premium means, with respect to an M+C coordinated care plan, the amount authorized to be charged under § 422.308(a)(1) for the plan, or, with respect to a M+C private fee-for-service plan, the amount filed under § 422.306(d)(1).

M+C monthly supplemental beneficiary premium means, with respect to an M+C coordinated care plan, the amount authorized to be charged under § 422.308(a)(2) for the M+C plan, or, with respect to an MSA or an M+C private fee-for-service plan, the amount filed under § 422.306(c)(2) or § 422.306(d)(2).

M+C monthly MSA premium means, with respect to an M+C plan, the amount of such premium filed under § 422.306(c)(1).

§ 422.304 Rules governing premiums and cost-sharing.

(a) *Monthly premiums.* The monthly premium charged to the beneficiary is—

(1) For an individual enrolled in an M+C plan (other than an M+C MSA plan) offered by an M+C organization, the sum of the M+C monthly basic beneficiary premium plus the M+C monthly supplemental beneficiary premium (if any); or

(2) For an individual enrolled in an M+C MSA plan offered by an M+C organization, the M+C monthly supplemental beneficiary premium (if any).

(b) *Uniformity.* The M+C monthly basic beneficiary premium, the M+C monthly supplemental beneficiary premiums, and the M+C monthly MSA premium of an M+C organization may not vary among individuals enrolled in the M+C plan. In addition, the M+C organization may not vary the level of copayments, coinsurance, or deductibles charged for basic benefits or supplemental benefits (if any), among individuals enrolled in the M+C plan.

(c) *Timing of payments.* The M+C organization must permit payments of M+C monthly basic and supplemental beneficiary premium on a monthly basis and may not terminate coverage for failure to make timely payments except as provided in § 422.74(b)(1).

(d) *Monetary inducements prohibited.* An M+C organization may not provide for cash or other monetary rebates as an inducement for enrollment or for any other reason or purpose.

§ 422.306 Submission of proposed premiums and related information.

(a) *General rule.* (1) Not later than May 1 of each year, each M+C organization and any organization intending to contract as an M+C organization in the subsequent year must submit to HCFA, in the manner and form prescribed by HCFA, for each M+C plan it intends to offer in the following year—

(i) The information specified in paragraph (b), (c), or paragraph (d) of this section for the type of M+C plan involved; and

(ii) The service area and enrollment capacity (if any).

(2) If the submission is not complete, timely, or accurate, HCFA has the authority to impose sanctions under subpart O of this part or may choose not to renew the contract.

(b) *Information required for coordinated care plans—*(1) *Basic benefits.* For basic benefits, the following information is required:

(i) The ACR as specified in § 422.310.

(ii) The M+C monthly basic beneficiary premium.

(iii) A description of cost-sharing to be imposed under the plan, and its actuarial value.

(iv) A description of any additional benefits to be provided pursuant to § 422.312 and the actuarial value determined for those benefits.

(v) Amounts collected in the previous contract period for basic benefits.

(2) *Supplemental benefits.* For supplemental benefits, the following information is required:

(i) The ACR.

(ii) The M+C monthly supplemental beneficiary premium.

(iii) A description of supplemental benefits being offered, the cost sharing

to be imposed, and their actuarial value.

(iv) Amounts collected in the previous contract period for supplemental benefits.

(c) *Information required for MSA plans.*

(1) The monthly MSA premium for basic benefits.

(2) The M+C monthly supplementary beneficiary premium for supplemental benefits.

(3) A description of all benefits offered under the M+C MSA plan.

(4) The amount of the deductible imposed under the plan.

(5) Amounts collected in the previous contract period for supplemental benefits.

(d) *Information required for M+C private fee-for-service plans.* (1) The information specified under paragraph (b)(1) of this section.

(2) The amount of the M+C monthly supplemental beneficiary premium.

(3) A description of all benefits offered under the plan.

(4) Amounts collected in the previous contract period for basic and supplemental benefits.

(e) *HCFA review*—(1) *Basic rule.* Except as specified in paragraph (e)(2) of this section, HCFA reviews and approves or disapproves the information submitted under this section.

(2) *Exception.* HCFA does not review or approve or disapprove the following information:

(i) Any amounts submitted with respect to M+C MSA plans.

(ii) The M+C monthly basic and supplementary beneficiary premiums for M+C private fee-for-service plans.

§ 422.308 Limits on premiums and cost sharing amounts.

(a) *Rules for coordinated care plans.* (1) For basic benefits, the M+C monthly basic beneficiary premium (multiplied by 12) charged, plus the actuarial value of the cost-sharing applicable, on average, to beneficiaries enrolled under this part may not exceed the annual actuarial value of the deductibles and coinsurance that would be applicable, on average, to beneficiaries entitled to Medicare Part A and enrolled in Medicare Part B if they were not enrollees of an M+C organization as determined in the ACR under § 422.310. For those

M+C plan enrollees that are enrolled in Medicare Part B only, the M+C monthly basic beneficiary premium (multiplied by 12) charged, plus the actuarial value of the deductibles, coinsurance and copayments applicable, on average, to those beneficiaries enrolled under this part may not exceed the annual actuarial value of the deductibles and coinsurance that would be applicable, on average, to beneficiaries enrolled in Medicare Part B if they were not enrollees of an M+C organization as determined in the ACR under § 422.310.

(2) For supplemental benefits, the M+C monthly supplemental beneficiary premium (multiplied by 12) charged, plus the actuarial value of its cost-sharing, may not exceed the amounts approved in the ACR for those benefits, as determined under § 422.310 on an annual basis.

(3) *Coverage of Part A services for Part B-only Medicare enrollees.* If an M+C organization furnishes coverage of Medicare Part A-type services to a Medicare enrollee entitled to Part B only, the M+C plan's premium plus the actuarial value of its cost-sharing for these services may not exceed the lesser of—

(i) The APR that is payable for these services for those beneficiaries entitled to Part A plus the actuarial value of Medicare deductibles and Coinsurance for the services;

(ii) or the ACR for such services.

(b) *Rule for M+C private fee-for-service plans.* (1) The average actuarial value of the cost-sharing for basic benefits may not exceed the actuarial value of the cost-sharing that would apply, on average, to beneficiaries entitled to Medicare Part A and enrolled in Medicare Part B if they were not enrolled in an M+C plan as determined in the ACR under § 422.310.

(2) For supplemental benefits, the actuarial value of its cost-sharing may not exceed the amounts approved in the ACR for those benefits, as determined under § 422.310 on an annual basis.

(c) *Special rules for determination of actuarial value.* If HCFA determines that adequate data are not available to determine actuarial value under paragraph (a) or (b) of this section, HCFA may make the determination with respect to all M+C eligible individuals in

§ 422.309

the same geographic area or State or in the United States, or on the basis of other appropriate data.

§ 422.309 Incorrect collections of premiums and cost-sharing.

(a) *Definitions.* As used in this section—

(1) *Amounts incorrectly collected*

(i) Means amounts that:

(A) Exceed the limits imposed by § 422.306;

(B) In the case of a M+C private fee-for-service plan, exceed the M+C monthly basic beneficiary premium or the M+C monthly supplemental premium submitted under § 422.306; and

(C) In the case of a M+C MSA plan, exceed the M+C monthly supplemental premium submitted under § 422.306 and the deductible for basic benefits; and

(ii) Includes amounts collected from an enrollee who was believed not entitled to Medicare benefits but was later found to be entitled.

(2) *Other amounts due* are amounts due for services that were—

(i) Emergency, urgently needed services, or other services obtained outside the M+C plan; or

(ii) Initially denied but, upon appeal, found to be services the enrollee was entitled to have furnished by the M+C organization.

(b) *Basic commitments.* An M+C organization must agree to refund all amounts incorrectly collected from its Medicare enrollees, or from others on behalf of the enrollees, and to pay any other amounts due the enrollees or others on their behalf.

(c) *Refund methods*—(1) *Lump-sum payment.* The M+C organization must use lump-sum payments for the following:

(i) Amounts incorrectly collected that were not collected as premiums.

(ii) Other amounts due.

(iii) All amounts due if the M+C organization is going out of business or terminating its M+C contract for an M+C plan(s).

(2) *Premium adjustment or lump-sum payment, or both.* If the amounts incorrectly collected were in the form of premiums, or included premiums as well as other charges, the M+C organi-

zation may refund by adjustment of future premiums or by a combination of premium adjustment and lump-sum payments.

(3) *Refund when enrollee has died or cannot be located.* If an enrollee has died or cannot be located after reasonable effort, the M+C organization must make the refund in accordance with State law.

(d) *Reduction by HCFA.* If the M+C organization does not make the refund required under this section by the end of the contract period following the contract period during which an amount was determined to be due an enrollee, HCFA reduces the premium the M+C organization is allowed to charge an M+C plan enrollee by the amounts incorrectly collected or otherwise due. In addition, the M+C organization would be subject to sanction under subpart O for failure to refund amounts incorrectly collected from M+C plan enrollees.

§ 422.310 Adjusted community rate (ACR) approval process.

(a) *General rule.* (1) Except with respect to M+C MSA plans, each M+C organization must compute a separate ACR for each M+C coordinated care or private fee-for-service plan offered to Medicare beneficiaries. In computing the ACR, the M+C organization calculates an initial rate (for years after 1999, using the methods described in paragraph (b), for 1999, under § 417.594(b)) that represents the “commercial premium” the M+C organization would charge its general non-Medicare eligible enrollment population for the basic benefits, and any mandatory supplemental benefits covered under the M+C plan. The M+C organization should also calculate a separate initial rate (using the same approach) for each optional supplemental benefit package it offers under an M+C plan. For years after 1999 the M+C organization then either adjusts that rate by the factors specified in paragraph (c) of this section or requests that HCFA adjust the rate in accordance with the procedures specified in paragraph (c)(6) of this section. For 1999, adjustments are made under section 417.594(c). All data submitted as part of the ACR process is subject to

audit by HCFA or any person or organization designated by HCFA.

(2) To calculate the adjusted excess described in section 422.312, the M+C organization or HCFA further reduces the rate for Medicare-covered services by the actuarial value of applicable Medicare coinsurance and deductibles.

(3) Separate ACRs must be calculated for Part A and Part B enrollees and Part B-only enrollees for each M+C plan offered, and for each optional supplemental benefit option.

(4) In calculating its initial rate, the M+C organization must identify and take into account anticipated revenue collectible from other payers for those services for which Medicare is not the primary payer as described in § 422.108.

(5) Except as provided in paragraph (a)(6) of this section, the M+C organization must have an adequate accounting system that is accrual based and uses generally-accepted accounting principles to develop its ACR.

(6) For M+C organizations that are part of a government entity that uses a cash basis of accounting, ACR cost data developed on this basis is acceptable. However, only depreciation on capital assets, rather than the expenditure for the asset, is acceptable.

(b) *Initial rate calculation for years after 1999.* (1) The M+C organization's initial rate for each M+C plan is calculated on a 12-month basis for non-Medicare enrollees, using either, at the M+C organization's election—

(i) A community rating system (as defined in section 1308(8) of the PHS Act, other than subparagraph (C)); or

(ii) A system, approved by HCFA, under which the M+C organization develops an aggregate premium for each M+C plan for all enrollees of that M+C plan that is weighted by the size of the various enrolled groups and individuals that compose the M+C organization's enrollment in that M+C plan. For purposes of this section, enrolled groups are defined as employee groups or other bodies of subscribers (including individual subscribers) that enroll in the M+C plan on a premium basis.

(2) Regardless of which method the M+C organization uses to calculate its initial rate, the initial rate must be equal to the premium the M+C organization would charge its non-Medicare

enrollees on a yearly basis for services included in the M+C plan.

(3) Except as provided in paragraph (b)(4) of this section, the M+C organization must identify in its initial rate calculation for an M+C plan, the following components whose rates must be consistent with rates used by the M+C organization in calculating premiums for non-Medicare enrollees:

(i) Direct medical care.

(ii) Administration.

(iii) Additional Revenues.

(iv) Enrollee cost sharing (for example, deductibles, coinsurance, or copayments) for Medicare-covered services and for additional and supplemental benefits.

(4) An M+C organization that does not usually separate its premium components as described in paragraph (b)(3) of this section may calculate its initial rate with the methods it uses for its other enrolled groups if the M+C organization provides HCFA with the documentation necessary to support any adjustments the M+C organization makes to the initial rate in accordance with paragraph (c)(5) of this section.

(5) The initial rate calculation must not carry forward any losses experienced by the M+C organization during prior contract periods. The M+C organization must submit supporting documentation to assure HCFA that ACR values do not include past losses but only premiums for covered services, additional services, and supplemental benefits for the upcoming 12-month period.

(c) *Adjustment factors for years after 1999.* Adjustment factors are designed to adjust on a component basis the initial rate calculated under paragraph (b) of this section to reflect differences in utilization characteristics of the M+C organization's Medicare enrollees electing an M+C plan using a relative cost ratio. Adjustment factors are as follows:

(1) *Direct medical care.* The relative cost ratio for direct medical care for an M+C plan is determined by comparing the direct medical care costs actually incurred on an accrual basis during the most recently ended calendar year prior to submission of the ACR for Medicare enrollees that elected the M+C plan to the direct medical care

costs of non-Medicare enrollees incurred over the same period. The non-Medicare enrollees included in this computation must be consistent with the non-Medicare enrollees included in the initial rate computation.

(2) *Administration.* The relative cost ratio for Administration for an M+C plan is determined by comparing the administrative costs actually incurred on an accrual basis during the most recently ended calendar year prior to submission of the ACR for Medicare enrollees that elected the M+C plan to the administrative costs of non-Medicare enrollees incurred over the same period. The non-Medicare enrollees included in this computation must be consistent with the non-Medicare enrollees included in the initial rate computation.

(3) *Additional revenues.* The relative cost ratio for additional revenues for an M+C plan is determined by comparing the additional revenues collected on an accrual basis during the most recently ended calendar year prior to submission of the ACR for Medicare enrollees that elected the M+C plan to the additional revenues of non-Medicare enrollees collected over the same period. The non-Medicare enrollees included in this computation must be consistent with the non-Medicare enrollees included in the initial rate computation.

(4) *Additional adjustments.* Additional adjustments may be necessary if the M+C organization, with agreement of HCFA, determines that the adjustment of the initial rate by the relative cost ratios does not represent an accurate ACR value of the initial rate component. In addition, adjustments will be allowed that are designed to reduce ACR values to equal the actuarial value of the M+C plan charge structure.

(5) *Supporting documentation.* All adjustments made by the M+C organization must be accompanied by adequate supporting data. If an M+C organization does not have sufficient enrollment experience to develop this data, it may, during its initial contract period use reasonable estimates acceptable to HCFA to establish its ACR values.

(6) *Adjustment by HCFA.* If it is determined that the M+C organization does not have adequate data to adjust the initial rate calculated under paragraph (b) of this section to reflect the utilization characteristics of Medicare enrollees, HCFA adjusts the initial rate. HCFA adjusts the rate on the basis of differences in the utilization characteristics of—

(i) Medicare and non-Medicare enrollees in other M+C plans; or

(ii) Medicare beneficiaries in the M+C organization's area, State, or the United States who are eligible to elect an M+C plan and other individuals in that same area, State, or the United States.

(d) *Special rules for certain organizations.* An M+C organization that does not have non-Medicare enrollees or sufficient Medicare enrollment experience to adequately calculate ACR values may calculate its ACR using estimates described in paragraphs (a)(1) and (a)(2) of this section as an additional adjustment described in paragraph (c)(4) of this section.

(1) The M+C organization may use an estimate of the ACR value for the direct medical and administrative components of a service or services offered using generally-accepted accounting principles.

(2) The M+C organization may use an estimate of the ACR value for the additional revenue component of a service or services offered based on the lesser of (if the information is available)—

(i) The average of additional revenues received through risk payments for health services contracted to be furnished to an enrolled population of other organizations;

(ii) The average of additional revenues received for health services furnished; or

(iii) A reasonable estimate of additional revenues of other M+C organizations in the general marketplace.

(e) *Adjustment by HCFA.* If HCFA finds that there is insufficient enrollment experience to determine the APR or ACR for a M+C plan at the beginning of a contract period, HCFA may—

(1) Determine the APR based on the enrollment experience of other M+C organizations;

(2) Determine ACR using data in the general commercial marketplace; or

(3) Determine either or both rates using the best available information, which may include enrollment experience of other M+C organizations and section 1876 risk contractors.

(f) *HCFA review.* (1) The M+C organization's methodology and computation of its ACR are subject to review and approval by HCFA. When the M+C organization submits the ACR computation, it must include adequate supporting data. Except as provided in § 422.306(e)(2), HCFA authorizes the M+C organization to collect premiums and other cost sharing amounts described in § 422.306 that are equal to the amounts calculated in the ACR.

(2) If the M+C organization is dissatisfied with an HCFA determination that the M+C organization's computation is not acceptable, the M+C organization may within 2 weeks after the date of receipt of notification of this determination, file a request for a hearing with HCFA. The request must state why the M+C organization believes the determination is incorrect and must be accompanied by any supporting evidence the M+C organization wishes to submit. The hearing is conducted by a hearing officer designated by HCFA under the hearing procedures described in subpart N.

§ 422.312 Requirement for additional benefits.

(a) *Definitions.* As used in this section—

(1) *Excess amount* is the amount by which the APR exceeds the actuarial value of the Medicare covered services required under § 422.101(a), as determined on the basis of the ACR determined under § 422.310, as reduced for the actuarial value of the cost-sharing under Medicare Parts A and B. A separate excess amount must be determined for Part B-only enrollees.

(2) *Adjusted excess amount* is the excess amount minus any amount withheld and reserved for the organization in a stabilization fund, as provided in paragraph (c) of this section.

(b) *Requirement for additional benefits.* If there is an adjusted excess amount

for the plan it offers, the M+C organization must—

(1) Provide additional benefits with an actuarial value (less the actuarial value of any copayment or coinsurance associated with the benefit) which HCFA determines is at least equal to the adjusted excess amount; and

(2) Provide those benefits uniformly for all Medicare enrollees electing the plan.

(c) *Stabilization fund.* (1) An M+C organization may request for part of an excess amount to be withheld and reserved, for a specified number of contract periods, in the Federal Hospital Insurance Trust Fund, or the Federal Supplementary Insurance Trust Fund in the proportions that HCFA determines to be appropriate.

(2) The reserved funds are to be used to stabilize and prevent undue fluctuations in the additional benefits that are required under this section and are provided during subsequent contract periods.

(3) Any amounts not provided as additional benefits during the period specified by the M+C organization for which the stabilization fund is established, reverts for the use of the trust funds.

(4) *Establishment of a stabilization fund.* An M+C organization's request to have monies withheld in a stabilization fund for a specific M+C plan must be made when the M+C organization notifies HCFA under § 422.306 of its proposed premiums, other cost-sharing amounts, and related information in preparation for its next contract period.

(i) *Limit per contract period.* Except as provided in paragraph (c)(4)(iii) of this section, HCFA does not withhold in a stabilization fund more than 15 percent of the excess amount for a given contract period.

(ii) *Cumulative limit.* If HCFA has established a stabilization fund for an M+C plan, it does not approve a request for withholding made by that M+C organization for a subsequent contract period that would cause the total value of the stabilization fund to exceed 25 percent of the excess amount applicable to the M+C plan for that subsequent contract period.

(iii) *Exception.* HCFA may grant an exception to the limit described in paragraph (c)(3)(i) of this section if the M+C organization can demonstrate to HCFA's satisfaction that the value of the additional benefits it provides to its Medicare enrollees electing this M+C plan fluctuates substantially in excess of 15 percent from one contract period to another.

(iv) *Interest.* The amounts withheld in a stabilization fund are accounted for by HCFA in accounts for which interest does not accrue to the M+C organization.

(5) *Withdrawal from a stabilization fund.* An M+C organization's request to make a withdrawal from the stabilization fund established for an M+C plan to be used during a contract period must be made when the M+C organization notifies HCFA under § 422.306 of its proposed premiums, cost-sharing amounts, and related information in preparation for its next contract period.

(i) *Notification requirements.* An M+C organization must—

(A) Indicate how it intends to use the withdrawn amounts;

(B) Justify the need for the withdrawal in terms of stabilizing the additional benefits it provides to Medicare enrollees;

(C) Document the M+C plan's experience with fluctuations of revenue requirements relative to the additional benefits it provides to Medicare enrollees; and

(D) Document its experience during the contract period previous to the one for which it requests withdrawal to ensure that the M+C organization will not be using the withdrawn amounts to refinance losses suffered during that previous contract period.

(ii) *Criteria for HCFA approval.* HCFA approves a request for a withdrawal from a benefit stabilization fund for use during the next contract period only if—

(A) The average of the APR for the M+C plan's next contract period of the M+C plan is less than that of the previous contract period;

(B) The M+C plan's ACR for the next contract period is significantly higher than that of the previous contract period;

(C) The M+C plan's revenue requirements for the next contract period for providing the additional benefits it provided during the previous contract period is significantly higher than the requirements for that previous period; or

(D) The ACR for the next contract period results in additional benefits that are significantly less in total value than that of the previous contract period.

(iii) *Basis for denial.* HCFA does not approve a request for a withdrawal from a stabilization fund if the withdrawal would allow the M+C organization to refinance prior contract period losses or to avoid losses in the upcoming contract period.

(iv) *Form of payment.* Payment of monies withdrawn from a stabilization fund is made, in equal parts, as an additional amount to the monthly advance payment made to the M+C organization for Medicare beneficiaries electing the M+C plan during the period of the contract.

(d) *Construction.* Nothing in this section may be construed as preventing an M+C organization from providing supplemental benefits in addition to those required under this section and from imposing a premium for those supplemental benefits.

Subpart H—Provider-Sponsored Organizations

EDITORIAL NOTE: Nomenclature changes to subpart H appear at 63 FR 35098, 35099, June 26, 1998.

§ 422.350 Basis, scope, and definitions.

(a) *Basis and scope.* This subpart is based on sections 1851 and 1855 of the Act which, in part,—

(1) Authorize provider sponsored organizations, (PSOs), to contract as a M+C plan;

(2) Require that a PSO meet certain qualifying requirements; and

(3) Provide for waiver of State licensure for PSOs under specified conditions.

(b) *Definitions.* As used in this subpart (unless otherwise specified)—

Capitation payment means a fixed per enrollee per month amount paid for contracted services without regard to

the type, cost, or frequency of services furnished.

Cash equivalent means those assets excluding accounts receivable that can be exchanged on an equivalent basis as cash, or converted into cash within 90 days from their presentation for exchange.

Control means that an individual, group of individuals, or entity has the power, directly or indirectly, to direct or influence significantly the actions or policies of an organization or institution.

Current ratio means total current assets divided by total current liabilities.

Deferred acquisition costs are those costs incurred in starting or purchasing a business. These costs are capitalized as intangible assets and carried on the balance sheet as deferred charges since they benefit the business for periods after the period in which the costs were incurred.

Engaged in the delivery of health care services means—

(1) For an individual, that the individual directly furnishes health care services, or

(2) For an entity, that the entity is organized and operated primarily for the purpose of furnishing health care services directly or through its provider members or entities.

Generally accepted accounting principles (GAAP) means broad rules adopted by the accounting profession as guides in measuring, recording, and reporting the financial affairs and activities of a business to its owners, creditors and other interested parties.

Guarantor means an entity that—

(1) Has been approved by HCFA as meeting the requirements to be a guarantor; and

(2) Obligates its resources to a PSO to enable the PSO to meet the solvency requirements required to contract with HCFA as an M+C organization.

Health care delivery assets (HCDAs) means any tangible assets that are part of a PSO's operation, including hospitals and other medical facilities and their ancillary equipment, and such property as may be reasonably required for the PSO's principal office or for such other purposes as the PSO may need for transacting its business.

Insolvency means a condition in which the liabilities of the debtor exceed the fair valuation of its assets.

Net worth means the excess of total assets over total liabilities, excluding fully subordinated debt or subordinated liabilities.

Provider-sponsored organization (PSO) means a public or private entity that—

(1) Is established or organized, and operated, by a provider or group of affiliated providers;

(2) Provides a substantial proportion (as defined in §422.352) of the health care services under the M+C contract directly through the provider or affiliated group of providers; and

(3) When it is a group, is composed of affiliated providers who—

(i) Share, directly or indirectly, substantial financial risk, as determined under §422.356, for the provision of services that are the obligation of the PSO under the M+C contract; and

(ii) Have at least a majority financial interest in the PSO.

Qualified actuary means a member in good standing of the American Academy of Actuaries or a person recognized by the Academy as qualified for membership, or a person who has otherwise demonstrated competency in the field of actuarial determination and is satisfactory to HCFA.

Statutory accounting practices means those accounting principles or practices prescribed or permitted by the domiciliary State insurance department in the State that PSO operates.

Subordinated debt means an obligation that is owed by an organization, that the creditor of the obligation, by law, agreement, or otherwise, has a lower repayment rank in the hierarchy of creditors than another creditor. The creditor would be entitled to repayment only after all higher ranking creditors' claims have been satisfied. A debt is fully subordinated if it has a lower repayment rank than all other classes of creditors.

Subordinated liability means claims liabilities otherwise due to providers that are retained by the PSO to meet net worth requirements and are fully subordinated to all other creditors.

Uncovered expenditures means those expenditures for health care services

§ 422.352

that are the obligation of an organization, for which an enrollee may also be liable in the event of the organization's insolvency and for which no alternative arrangements have been made that are acceptable to HCFA. They include expenditures for health care services for which the organization is at risk, such as out-of-area services, referral services and hospital services. However, they do not include expenditures for services when a provider has agreed not to bill the enrollee.

[63 FR 18134, Apr. 14, 1998, as amended at 63 FR 25376, May 7, 1998; 63 FR 35098, June 26, 1998]

§ 422.352 Basic requirements.

(a) *General rule.* An organization is considered a PSO for purposes of a M+C contract if the organization—

(1) Is licensed by the State or has obtained a waiver of State licensure as provided for under § 422.370;

(2) Meets the definition of a PSO set forth in § 422.350 and other applicable requirements of this subpart; and

(3) Is effectively controlled by the provider or, in the case of a group, by one or more of the affiliated providers that established and operate the PSO.

(b) *Provision of services.* A PSO must demonstrate to HCFA's satisfaction that it is capable of delivering to Medicare enrollees the range of services required under a contract with HCFA. Each PSO must deliver a substantial proportion of those services directly through the provider or the affiliated providers responsible for operating the PSO. Substantial proportion means—

(1) For a non-rural PSO, not less than 70% of Medicare services covered under the contract.

(2) For a rural PSO, not less than 60% of Medicare services covered under the contract.

(c) *Rural PSO.* To qualify as a rural PSO, a PSO must—

(1) Demonstrate to HCFA that—

(i) It has available in the rural area, as defined in § 412.62(f) of this chapter, routine services including but not limited to primary care, routine specialty care, and emergency services; and

(ii) The level of use of providers outside the rural area is consistent with general referral patterns for the area; and

42 CFR Ch. IV (10–1–99 Edition)

(2) Enroll Medicare beneficiaries, the majority of which reside in the rural area the PSO serves.

[63 FR 18134, Apr. 14, 1998, as amended at 63 FR 35098, June 26, 1998]

§ 422.354 Requirements for affiliated providers.

A PSO that consists of two or more providers must demonstrate to HCFA's satisfaction that it meets the following requirements:

(a) The providers are affiliated. For purposes of this subpart, providers are affiliated if, through contract, ownership, or otherwise—

(1) One provider, directly or indirectly, controls, is controlled by, or is under common control with another;

(2) Each provider is part of a lawful combination under which each shares substantial financial risk in connection with the PSO's operations;

(3) Both, or all, providers are part of a controlled group of corporations under section 1563 of the Internal Revenue Code of 1986; or

(4) Both, or all, providers are part of an affiliated service group under section 414 of that Code.

(b) Each affiliated provider of the PSO shares, directly or indirectly, substantial financial risk for the furnishing of services the PSO is obligated to provide under the contract.

(c) Affiliated providers, as a whole or in part, have at least a majority financial interest in the PSO.

(d) For purposes of paragraph(a)(1) of this section, control is presumed to exist if one party, directly or indirectly, owns, controls, or holds the power to vote, or proxies for, not less than 51 percent of the voting rights or governance right of another.

[63 FR 18134, Apr. 14, 1998, as amended at 63 FR 35098, June 26, 1998]

§ 422.356 Determining substantial financial risk and majority financial interest.

(a) *Determining substantial financial risk.* The PSO must demonstrate to HCFA's satisfaction that it apportions a significant part of the financial risk of the PSO enterprise under the M+C contract to each affiliated provider.

The PSO must demonstrate that the financial arrangements among its affiliated providers constitute “substantial” risk in the PSO for each affiliated provider. The following mechanisms may constitute risk-sharing arrangements, and may have to be used in combination to demonstrate substantial financial risk in the PSO enterprise.

(1) Agreement by a provider to accept capitation payment for each Medicare enrollee.

(2) Agreement by a provider to accept as payment a predetermined percentage of the PSO premium or the PSO’s revenue.

(3) The PSO’s use of significant financial incentives for its affiliated providers, with the aim of achieving utilization management and cost containment goals. Permissible methods include the following:

(i) Affiliated providers agree to a withholding of a significant amount of the compensation due them, to be used for any of the following:

(A) To cover losses of the PSO.

(B) To cover losses of other affiliated providers.

(C) To be returned to the affiliated provider if the PSO meets its utilization management or cost containment goals for the specified time period.

(D) To be distributed among affiliated providers if the PSO meets its utilization management or cost-containment goals for the specified time period.

(ii) Affiliated providers agree to preestablished cost or utilization targets for the PSO and to subsequent significant financial rewards and penalties (which may include a reduction in payments to the provider) based on the PSO’s performance in meeting the targets.

(4) Other mechanisms that demonstrate significant shared financial risk.

(b) *Determining majority financial interest.* Majority financial interest means maintaining effective control of the PSO.

[63 FR 18134, Apr. 14, 1998, as amended at 63 FR 35098, June 26, 1998]

§ 422.370 Waiver of State licensure.

For an organization that seeks to contract to offer an M+C plan under

this subpart, HCFA may waive the State licensure requirement of section 1855(a)(1) of the Act if—

(a) The organization requests a waiver no later than November 1, 2002; and

(b) HCFA determines there is a basis for a waiver under § 422.372.

[63 FR 25376, May 7, 1998, as amended at 63 FR 35098, June 26, 1998]

§ 422.372 Basis for waiver of State licensure.

(a) *General rule.* Subject to this section and to paragraphs (a) and (e) of § 422.374, HCFA may waive the State licensure requirement if the organization has applied (except as provided in paragraph (b)(4) of this section) for the most closely appropriate State license or authority to conduct business as an M+C plan.

(b) *Basis for waiver of State licensure.* Any of the following may constitute a basis for HCFA’s waiver of State licensure.

(1) *Failure to act timely on application.* The State failed to complete action on the licensing application within 90 days of the date the State received a substantially complete application.

(2) *Denial of application based on discriminatory treatment.* The State has—

(i) Denied the license application on the basis of material requirements, procedures, or standards (other than solvency requirements) not generally applied by the State to other entities engaged in a substantially similar business; or

(ii) Required, as a condition of licensure that the organization offer any product or plan other than an M+C plan.

(3) *Denial of application based on different solvency requirements.* (i) The State has denied the application, in whole or in part, on the basis of the organization’s failure to meet solvency requirements that are different from those set forth in §§ 422.380 through 422.390; or

(ii) HCFA determines that the State has imposed, as a condition of licensure, any documentation or information requirements relating to solvency or other material requirements, procedures, or standards relating to solvency that are different from the requirements, procedures, or standards

§ 422.374

set forth by HCFA to implement, monitor, and enforce §§ 422.380 through 422.390.

(4) *State declines to accept licensure application.* The appropriate State licensing authority has given the organization written notice that it will not accept its licensure application.

[63 FR 35098, June 26, 1998]

§ 422.374 Waiver request and approval process.

(a) *Substantially complete waiver request.* The organization must submit a substantially complete waiver request that clearly demonstrates and documents its eligibility for a waiver under § 422.372.

(d) *Effective date.* A waiver granted under § 422.370 will be effective on the effective date of the organization's M+C contract.

42 CFR Ch. IV (10–1–99 Edition)

(c) *Mid-period revocation.* During the waiver period (set forth in paragraph (b) of this section), the waiver is automatically revoked upon—

(1) Termination of the M+C contract;

§ 422.378 Relationship to State law.

(a) *Preemption of State law.* Any provisions of State law that relate to the licensing of the organization and that prohibit the organization from providing coverage under a contract as specified in this subpart, are superseded.

(b) *Consumer protection and quality standards.* (1) A waiver of State licensure granted under this subpart is conditioned upon the organization's compliance with all State consumer protection and quality standards that—

(i) Would apply to the organization if it were licensed under State law;

(ii) Generally apply to other M+C organizations and plans in the State; and

(iii) Are consistent with the standards established under this part.

(2) The standards specified in paragraph (b)(1) of this section do not include any standard preempted under section 1856(b)(3)(B) of the Act.

(b) After the effective date of a PSO's M+C contract, a PSO must maintain a minimum net worth amount equal to the greater of—

(1) One million dollars;

§ 422.384 Financial plan requirement.

(a) *General rule.* At the time of application, an organization must submit a financial plan acceptable to HCFA.

(b) *Content of plan.* A financial plan must include—

- (1) A detailed marketing plan;
- (2) Statements of revenue and expense on an accrual basis;
- (3) Cash-flow statements;
- (4) Balance sheets;

(6) If applicable, statements of the availability of financial resources to meet projected losses.

(c) *Period covered by the plan.* A financial plan must—

- (1) Cover the first 12 months after the estimated effective date of a PSO's M+C contract; or
- (2) If the PSO is projecting losses, cover 12 months beyond the end of the period for which losses are projected.

(d) *Funding for projected losses.* Except for the use of guarantees, LOC, and other means as provided in § 422.384(e), (f) and (g), an organization must have the resources for meeting projected losses on its balance sheet in cash or a form that is convertible to cash in a timely manner, in accordance with the PSO's financial plan.

(e) *Guarantees and projected losses.* Guarantees will be an acceptable resource to fund projected losses, provided that a PSO—

- (2) Obtains from the guarantor cash or cash equivalents to fund the projected losses timely, as follows—

(i) Prior to the effective date of a PSO's M+C contract, the amount of the projected losses for the first two quarters;

(3) If the guarantor complies with the requirements in paragraph (e)(2) of this section, the PSO, in the third quarter, may notify HCFA of its intent to reduce the period of advance funding of projected losses. HCFA will notify the PSO within 60 days of receiving the PSO's request if the requested reduction in the period of advance funding will not be accepted.

(4) If the guarantee requirements in paragraph (e)(2) of this section are not met, HCFA may take appropriate action, such as requiring funding of projected losses through means other than a guarantee. HCFA retains discretion to require other methods or timing of funding, considering factors such as the financial condition of the guarantor and the accuracy of the financial plan.

(f) *Letters of credit.* Letters of credit are an acceptable resource to fund projected losses, provided they are irrevocable, unconditional, and satisfactory to HCFA. They must be capable of being promptly paid upon presentation of a sight draft under the letters of credit without further reference to any other agreement, document, or entity.

(g) *Other means.* If satisfactory to HCFA, and for periods beginning one year after the effective date of a PSO's M+C contract, a PSO may use the following to fund projected losses—

- (1) Lines of credit from regulated financial institutions;
- (2) Legally binding agreements for capital contributions; or
- (3) Legally binding agreements of a similar quality and reliability as permitted in paragraphs (g)(1) and (2) of this section.

(h) *Application of guarantees, Letters of credit or other means of funding projected losses.* Notwithstanding any other provision of this section, a PSO may use guarantees, letters of credit and, beginning one year after the effective date

(2) The extent to which the PSO's current ratio of assets to liabilities is maintained at 1:1 including whether there is a declining trend in the current ratio over time; and

(3) The availability of outside financial resources to the PSO.

(c) If HCFA determines that a PSO fails to meet the requirement in paragraph (b)(1) of this section, HCFA will require the PSO to initiate corrective action and pay all overdue obligations.

(d) If HCFA determines that a PSO fails to meet the requirement of paragraph (b)(2) of this section, HCFA will require the PSO to initiate corrective action to—

(1) Change the distribution of its assets;

(2) Reduce its liabilities; or

(3) Make alternative arrangements to secure additional funding to restore the PSO's current ratio to 1:1.

(e) If HCFA determines that a PSO fails to meet the requirement of paragraph (b)(3) of this section, HCFA will require the PSO to obtain funding from alternative financial resources.

costs associated with receivership or liquidation.

(3) At the time of the PSO's application for an M+C contract and, thereafter, upon HCFA's request, a PSO must provide HCFA with proof of the insolvency deposit, such proof to be in a form that HCFA considers appropriate.

(b) *Uncovered expenditures deposit.* (1) If at any time uncovered expenditures exceed 10 percent of a PSO's total health care expenditures, then the PSO must place an uncovered expenditures deposit into an account with any organization or trustee that is acceptable to HCFA.

(2) The deposit must at all times have a fair market value of an amount that is 120 percent of the PSO's outstanding liability for uncovered expenditures for enrollees, including incurred, but not reported claims.

(3) The deposit must be calculated as of the first day of each month required and maintained for the remainder of each month required.

(4) If a PSO is not otherwise required to file a quarterly report, it must file a report within 45 days of the end of the calendar quarter with information sufficient to demonstrate compliance with this section.

(5) The deposit required under this section is restricted and in trust for HCFA's use to protect the interests of the PSO's Medicare enrollees and to pay the costs associated with administering the insolvency. It may be used only as provided under this section.

(c) A PSO may use the deposits required under paragraphs (a) and (b) of this section to satisfy the PSO's minimum net worth amount required under § 422.382(a) and (b).

(d) All income from the deposits or trust accounts required under paragraphs (a) and (b) of this section, are considered assets of the PSO. Upon HCFA's approval, the income from the deposits may be withdrawn.

(e) On prior written approval from HCFA, a PSO that has made a deposit under paragraphs (a) or (b) of this section, may withdraw that deposit or any part thereof if—

42 CFR Ch. IV (10–1–99 Edition)

(2) The fair market value exceeds the amount of the required deposit; or

(3) The required deposit under paragraphs (a) or (b) of this section is reduced or eliminated.

§ 422.390 Guarantees.

(a) *General policy.* A PSO, or the legal entity of which the PSO is a component, may apply to HCFA to use the financial resources of a guarantor for the purpose of meeting the requirements in § 422.384. HCFA has the discretion to approve or deny approval of the use of a guarantor.

(b) *Request to use a guarantor.* To apply to use the financial resources of a guarantor, a PSO must submit to HCFA—

(1) Documentation that the guarantor meets the requirements for a guarantor under paragraph (c) of this section; and

(5) If the guarantor is not regulated by a State insurance commissioner, or other similar State official it must meet the net worth requirement in § 422.390(c)(3) with all guarantees and all investments in and loans to organi-

zations covered by a guarantee and to related parties (subsidiaries and affiliates) excluded from its assets.

(d) *Guarantee document.* If the guarantee request is approved, a PSO must submit to HCFA a written guarantee document signed by an appropriate authority of the guarantor. The guarantee document must—

(2) If required by HCFA, meet a portion of the applicable requirements in

less than the time period granted in paragraph (g)(1) of this section.

Subpart I—Organization Compliance With State Law and Preemption by Federal Law

SOURCE: 63 FR 35099, June 26, 1998, unless otherwise noted.

§ 422.400 State licensure requirement.

Except in the case of a PSO granted a waiver under subpart H of this part, each M+C organization must—

(a) Be licensed under State law, or otherwise authorized to operate under State law, as a risk-bearing entity (as defined in § 422.2) eligible to offer health insurance or health benefits coverage in each State in which it offers one or more M+C plans;

(b) If not commercially licensed, obtain certification from the State that the organization meets a level of financial solvency and such other standards as the State may require for it to operate as an M+C organization; and

(c) Demonstrate to HCFA that—

(1) The scope of its license or authority allows the organization to offer the type of M+C plan or plans that it intends to offer in the State; and

(2) If applicable, it has obtained the State certification required under paragraph (b) of this section.

§ 422.402 Federal preemption of State law.

(a) *General preemption.* Except as provided in paragraph (b) of this section, the rules, contract requirements, and standards established under this part supersede any State laws, regulations, contract requirements, or other standards that would otherwise apply to M+C organizations and their M+C plans only to the extent that such State laws are inconsistent with the standards established under this part. This preemption of State laws and other standards applies only to coverage pursuant to an M+C contract, and does not extend to benefits outside of such contract or to individuals who are not M+C enrollees of an organization with an M+C contract.

(b) *Specific preemption.* As they might otherwise apply to the M+C plans of an M+C organization in a State, State laws and regulations pertaining to the following areas are specifically preempted by this part:

(1) Benefit requirements, such as mandating the inclusion in an M+C plan of a particular service, or specifying the scope or duration of a service (for example, length of hospital stay, number of home health visits). State cost-sharing standards with respect to any benefits are preempted only if they are inconsistent with this part, as provided for in paragraph (a) of this section.

(2) Requirements relating to inclusion or treatment of providers and suppliers.

(3) Coverage determinations (including related appeal and grievance processes for all benefits included under an M+C contract). Determinations on issues other than whether a service is covered under an M+C contract, and the extent of enrollee liability under the M+C plan for such a service, are not considered coverage determinations for purposes of this paragraph.

(c) Except as provided in paragraphs (a) and (b) of this section, nothing in this section may be construed to affect or modify the provisions of any other law or regulation that imposes or preempts a specific State authority.

§ 422.404 State premium taxes prohibited.

(a) *Basic rule.* No premium tax, fee, or other similar assessment may be imposed by any State, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, Guam, and American Samoa, or any of their political subdivision or other governmental authorities with respect to any payment HCFA makes on behalf of M+C enrollees under subpart F of this part.

(b) *Construction.* Nothing in this section shall be construed to exempt any M+C organization from taxes, fees, or other monetary assessments related to the net income or profit that accrues to, or is realized by, the organization from business conducted under this part, if that tax, fee, or payment is applicable to a broad range of business activity.

(3) If an M+C organization fails to meet the enrollment requirement in the second year, HCFA may waive the minimum requirements for the third year only if the organization has attained the transitional enrollment standard as described in paragraph (b)(2)(iii) of this section.

§ 422.520 Prompt payment by M+C organization.

(a) *Contract between HCFA and the M+C organization.*

(1) The contract between HCFA and the M+C organization must provide that the M+C organization will pay 95 percent of the "clean claims" within 30 days of receipt if they are submitted by, or on behalf of, an enrollee of an M+C private fee-for-service plan or are claims for services that are not furnished under a written agreement between the organization and the provider.

(2) The M+C organization must pay interest on clean claims that are not paid within 30 days in accordance with sections 1816(c)(2)(B) and 1842(c)(2)(B).

(3) All other claims must be approved or denied within 60 calendar days from the date of the request.

(b) *Contracts between M+C organizations and providers and suppliers.* Contracts or other written agreements between M+C organizations and providers must contain a prompt payment provision, the terms of which are developed

and agreed to by both the M+C organization and the relevant provider.

(c) *Failure to comply.* If HCFA determines, after giving notice and opportunity for hearing, that an M+C organization has failed to make payments in accordance with paragraph (a) of this section, HCFA may provide—

(1) For direct payment of the sums owed to providers, or M+C private fee-for-service plan enrollees; and

(2) For appropriate reduction in the amounts that would otherwise be paid to the organization, to reflect the amounts of the direct payments and the cost of making those payments.

§ 422.524 Special rules for RFB societies.

In order to participate as an M+C organization, an RFB society—

(a) May not impose any limitation on membership based on any factor related to health status; and

(b) Must offer, in addition to the M+C RFB plan, health coverage to individuals who are members of the church or convention or group of churches with which the society is affiliated, but who are not entitled to receive benefits from the Medicare program.

§ 422.550 General provisions.

(a) *What constitutes change of ownership—*

(1) *Partnership.* The removal, addition, or substitution of a partner, unless the partners expressly agree otherwise as permitted by applicable State law, constitutes a change of ownership.

(2) *Unincorporated sole proprietor.* Transfer of title and property to another party constitutes change of ownership.

(3) *Corporation.* (i) The merger of the M+C organization's corporation into another corporation or the consolidation of the M+C organization with one

§ 422.552

or more other corporations, resulting in a new corporate body, constitutes a change of ownership.

(ii) Transfer of corporate stock or the merger of another corporation into the M+C organization's corporation, with the M+C organization surviving, does not ordinarily constitute change of ownership.

(b) *Advance notice requirement.* (1) An M+C organization that has a Medicare contract in effect and is considering or negotiating a change in ownership must notify HCFA at least 60 days before the anticipated effective date of the change. The M+C organization must also provide updated financial information and a discussion of the financial and solvency impact of the change of ownership on the surviving organization.

(2) If the M+C organization fails to give HCFA the required notice timely, it continues to be liable for capitation payments that HCFA makes to it on behalf of Medicare enrollees after the date of change of ownership.

(c) *Novation agreement defined.* A novation agreement is an agreement among the current owner of the M+C organization, the prospective new owner, and HCFA—

(1) That is embodied in a document executed and signed by all three parties;

(2) That meets the requirements of § 422.552; and

(3) Under which HCFA recognizes the new owner as the successor in interest to the current owner's Medicare contract.

(d) *Effect of change of ownership without novation agreement.* Except to the extent provided in paragraph (b)(2) of this section, the effect of a change of ownership without a novation agreement is that—

(1) The existing contract becomes invalid; and

(2) If the new owner wishes to participate in the Medicare program, it must apply for, and enter into, a contract in accordance with subpart K of this part.

(e) *Effect of change of ownership with novation agreement.* If the M+C organization submits a novation agreement that meets the requirements of § 422.552, and HCFA signs it, the new owner becomes the successor in interest

42 CFR Ch. IV (10–1–99 Edition)

to the current owner's Medicare contract.

§ 422.552 Novation agreement requirements.

(a) *Conditions for HCFA approval of a novation agreement.* HCFA approves a novation agreement if the following conditions are met:

(1) *Advance notification.* The M+C organization notifies HCFA at least 60 days before the date of the proposed change of ownership. The M+C organization also provides HCFA with updated financial information and a discussion of the financial and solvency impact of the change of ownership on the surviving organization.

(2) *Advance submittal of agreement.* The M+C organization submits to HCFA, at least 30 days before the proposed change of ownership date, three signed copies of the novation agreement containing the provisions specified in paragraph (b) of this section, and one copy of other relevant documents required by HCFA.

(3) *HCFA's determination.* HCFA determines that—

(i) The proposed new owner is in fact a successor in interest to the contract;

(ii) Recognition of the new owner as a successor in interest to the contract is in the best interest of the Medicare program; and

(iii) The successor organization meets the requirements to qualify as an M+C organization under subpart J of this part.

(b) *Provisions of a novation agreement.*

(1) *Assumption of contract obligations.* The new owner must assume all obligations under the contract.

(2) *Waiver of right to reimbursement.* The previous owner must waive its rights to reimbursement for covered services furnished during the rest of the current contract period.

(3) *Guarantee of performance.* (i) The previous owner must guarantee performance of the contract by the new owner during the contract period; or

(ii) The new owner must post a performance bond that is satisfactory to HCFA.

(4) *Records access.* The previous owner must agree to make its books and records and other necessary information available to the new owner and to HCFA to permit an accurate determination of costs for the final settlement of the contract period.

§ 422.553 Effect of leasing of an M+C organization's facilities.

(a) *General effect of leasing.* If an M+C organization leases all or part of its facilities to another entity, the other entity does not acquire M+C organization status under section 1876 of the Act.

(b) *Effect of lease of all facilities.* (1) If an M+C organization leases all of its facilities to another entity, the contract terminates.

(2) If the other entity wishes to participate in Medicare as an M+C organization, it must apply for and enter into a contract in accordance with subpart L of this part.

(c) *Effect of partial lease of facilities.* If the M+C organization leases part of its facilities to another entity, its contract with HCFA remains in effect while HCFA surveys the M+C organization to determine whether it continues to be in compliance with the applicable requirements and qualifying conditions specified in subpart K of this part.

Subpart M—Grievances, Organization Determinations and Appeals

SOURCE: 63 FR 35107, June 26, 1998, unless otherwise noted.

§ 422.560 Basis and scope.

(a) *Statutory basis.* (1) Section 1852(f) of the Act provides that an M+C organization must establish meaningful grievance procedures.

(2) Section 1852(g) of the Act establishes requirements that an M+C orga-

nization must meet concerning organization determinations and appeals.

(b) *Scope.* This subpart sets forth—

(1) Requirements for M+C organizations with respect to grievance procedures, organization determinations, and appeal procedures.

(2) The rights of M+C enrollees with respect to organization determinations, and grievance and appeal procedures.

(3) The rules concerning notice of noncoverage of inpatient hospital care.

(4) The rules that apply when an M+C enrollee requests immediate PRO review of a determination that he or she no longer needs inpatient hospital care.

§ 422.561 Definitions.

As used in this subpart, unless the context indicates otherwise—

Appeal means any of the procedures that deal with the review of adverse organization determinations on the health care services an enrollee is entitled to receive or any amounts the enrollee must pay for a service, as defined under § 422.566(b). These procedures include reconsiderations by the M+C organization, and if necessary, an independent review entity, hearings before ALJs, review by the Departmental Appeals Board (DAB), and judicial review.

Authorized representative means an individual authorized by an enrollee to act on his or her behalf in obtaining an organization determination or in dealing with any of the levels of the appeal process, subject to the rules described in 20 CFR part 404, subpart R, unless otherwise stated in this subpart.

Enrollee means an M+C eligible individual who has elected an M+C plan offered by an M+C organization, or his or her authorized representative.

Grievance means any complaint or dispute other than one involving an organization determination, as defined in § 422.566(b).

Physician has the meaning given the term in section 1861(r) of the Act.

§ 422.562 General provisions.

(a) *Responsibilities of the M+C organization.* (1) An M+C organization, with respect to each M+C plan that it offers, must establish and maintain—

(i) A grievance procedure as described in § 422.564 for addressing issues

§ 422.564

42 CFR Ch. IV (10–1–99 Edition)

that do not involve organization determinations;

(ii) A procedure for making timely organization determinations; and

(iii) Appeal procedures that meet the requirements of this subpart for issues that involve organization determinations; and

(2) An M+C organization must ensure that all enrollees receive written information about the—

(i) Grievance and appeal procedures that are available to them through the M+C organization; and

(ii) Complaint process available to the enrollee under the PRO process as set forth under section 1154(a)(14) of the Act.

(3) In accordance with subpart K of this part, if the M+C organization delegates any of its responsibilities under this subpart to another entity or individual through which the organization provides health care services, the M+C organization is ultimately responsible for ensuring that the entity or individual satisfies the relevant requirements of this subpart.

(b) *Rights of M+C enrollees.* In accordance with the provisions of this subpart, enrollees have the following rights:

(1) The right to have grievances between the enrollee and the M+C organization heard and resolved, as described in § 422.564.

(2) The right to a timely organization determination, as provided under § 422.566.

(3) The right to request an expedited organization determination, as provided under § 422.570.

(4) If dissatisfied with any part of an organization determination, the following appeal rights:

(i) The right to a reconsideration of the adverse organization determination by the M+C organization, as provided under § 422.578.

(ii) The right to request an expedited reconsideration, as provided under § 422.584.

(iii) If, as a result of a reconsideration, an M+C organization affirms, in whole or in part, its adverse organization determination, the right to an automatic reconsidered determination made by an independent, outside entity

contracted by HCFA, as provided in § 422.592.

(iv) The right to an ALJ hearing if the amount in controversy is \$100 or more, as provided in § 422.600.

(v) The right to request DAB review of the ALJ hearing decision, as provided in § 422.608.

(vi) The right to judicial review of the hearing decision if the amount in controversy is \$1000 or more, as provided in § 422.612.

(c) *Limits on when this subpart applies.*

(1) If an enrollee receives immediate PRO review (as provided in § 422.622) of a determination of noncoverage of inpatient hospital care—

(i) The enrollee is not entitled to review of that issue by the M+C organization; and

(ii) The PRO review decision is subject only to the appeal procedures set forth in part 473 of this chapter.

(2) If an enrollee has no further liability to pay for services that were furnished by an M+C organization, a determination regarding these services is not subject to appeal.

(d) *When other regulations apply.* Unless this subpart provides otherwise, the regulations in 20 CFR, part 404, subparts J and R (covering, respectively, the administrative review and hearing process and representation of parties under title II of the Act), apply under this subpart to the extent they are appropriate.

§ 422.564 Grievance procedures.

(a) *General rules.* (1) Each M+C organization must provide meaningful procedures for timely hearing and resolution of grievances between enrollees and the organization or any other entity or individual through which the organization provides health care services under any M+C plan it offers.

(2) Grievance procedures must meet any guidelines established by HCFA.

(b) *Distinguished from organization determinations and appeals.* Grievance procedures are separate and distinct from organization determinations and appeal procedures, which address organization determinations.

(c) *Distinguished from the PRO complaint process.* Under section 1154(a)(14) of the Act, the PRO must review beneficiaries' written complaints about the

quality of services they have received under the Medicare program; this process is separate and distinct from the grievance procedures of the M+C organization.

§ 422.566 Organization determinations.

(a) *Responsibilities of the M+C organization.* Each M+C organization must have a procedure for making timely organization determinations (in accordance with the requirements of this subpart) regarding the benefits an enrollee is entitled to receive under an M+C plan, including basic benefits as described under § 422.100(c)(1) and mandatory and optional supplemental benefits as described under § 422.102, and the amount, if any, that the enrollee is required to pay for a health service. The M+C organization must have a standard procedure for making determinations, in accordance with § 422.568, and an expedited procedure for situations in which applying the standard procedure could seriously jeopardize the enrollee's life, health, or ability to regain maximum function, in accordance with §§ 422.570 and 422.572.

(b) *Actions that are organization determinations.* An organization determination is any determination made by an M+C organization with respect to any of the following:

(1) Payment for emergency services, post-stabilization care, or urgently needed services.

(2) Payment for any other health services furnished by a provider other than the M+C organization that the enrollee believes—

(i) Are covered under Medicare; or

(ii) If not covered under Medicare, should have been furnished, arranged for, or reimbursed by the M+C organization.

(3) The M+C organization's refusal to provide services that the enrollee believes should be furnished or arranged for by the M+C organization when the enrollee has not received the services outside the M+C organization.

(4) Discontinuation of a service, if the enrollee disagrees with the determination that the service is no longer medically necessary.

(c) *Who can request an organization determination.* Any of the parties listed in § 422.574 can request an organization de-

termination, with the exception that only the parties listed in § 422.570(a) can request an expedited determination.

§ 422.568 Standard timeframes and notice requirements for organization determinations.

(a) *Timeframe for requests for service.*

When a party has made a request for a service, the M+C organization must notify the enrollee of its determination as expeditiously as the enrollee's health condition requires, but no later than 14 calendar days after the date the organization receives the request for a standard organization determination. The M+C organization may extend the timeframe by up to 14 calendar days if the enrollee requests the extension or if the organization justifies a need for additional information and how the delay is in the interest of the enrollee (for example, the receipt of additional medical evidence from noncontract providers may change an M+C organization's decision to deny). The M+C organization must notify the enrollee of its determination as expeditiously as the enrollee's health condition requires, but no later than upon expiration of the extension.

(b) *Timeframe for requests for payment.* The M+C organization must process requests for payment according to the "prompt payment" provisions set forth in § 422.520.

(c) *Written notification for denials.* If an M+C organization decides to deny service or payment in whole or in part, it must give the enrollee written notice of the determination.

(d) *Content of the notice.* The notice of any denial under paragraph (c) of this section must—

(1) State the specific reasons for the denial in understandable language;

(2) Inform the enrollee of his or her right to a reconsideration;

(3) Describe both the standard and expedited reconsideration processes, including the enrollee's right to and conditions for obtaining an expedited reconsideration for service requests, and the rest of the appeal process; and

(4) Comply with any other requirements specified by HCFA.

(e) *Effect of failure to provide timely notice.* If the M+C organization fails to provide the enrollee with timely notice

§ 422.570

of an organization determination as specified in this section, this failure itself constitutes an adverse organization determination and may be appealed.

§ 422.570 Expediting certain organization determinations.

(a) *Request for expedited determination.* An enrollee or a physician (regardless of whether the physician is affiliated with the M+C organization) may request that an M+C organization expedite an organization determination involving the issues described in § 422.566(b)(3) and (b)(4). (This does not include requests for payment.)

(b) *How to make a request.* (1) To ask for an expedited determination, an enrollee or a physician must submit an oral or written request directly to the M+C organization or, if applicable, to the entity responsible for making the determination, as directed by the M+C organization.

(2) A physician may provide oral or written support for a request for an expedited determination.

(c) *How the M+C organization must process requests.* The M+C organization must establish and maintain the following procedures for processing requests for expedited determinations:

(1) Establish an efficient and convenient means for individuals to submit oral or written requests. The M+C organization must document all oral requests in writing and maintain the documentation in the case file.

(2) Promptly decide whether to expedite a determination, based on the following requirements:

(i) For a request made by an enrollee the M+C organization must provide an expedited determination if it determines that applying the standard timeframe for making a determination could seriously jeopardize the life or health of the enrollee or the enrollee's ability to regain maximum function.

(ii) For a request made or supported by a physician, the M+C organization must provide an expedited determination if the physician indicates that applying the standard timeframe for making a determination could seriously jeopardize the life or health of the enrollee or the enrollee's ability to regain maximum function.

42 CFR Ch. IV (10–1–99 Edition)

(d) *Actions following denial.* If an M+C organization denies a request for expedited determination, it must take the following actions:

(1) Automatically transfer a request to the standard timeframe and make the determination within the 14-day timeframe established in § 422.568 for a standard determination. The 14-day period begins with the day the M+C organization receives the request for expedited determination.

(2) Give the enrollee prompt oral notice of the denial and follow up, within 2 working days, with a written letter that—

(i) Explains that the M+C organization will process the request using the 14-day timeframe for standard determinations;

(ii) Informs the enrollee of the right to file a grievance if he or she disagrees with the M+C organization's decision not to expedite; and

(iii) Provides instructions about the grievance process and its timeframes.

(e) *Action on accepted request for expedited determination.* If an M+C organization grants a request for expedited determination, it must make the determination and give notice in accordance with § 422.572.

(f) *Prohibition of punitive action.* An M+C organization may not take or threaten to take any punitive action against a physician acting on behalf or in support of an enrollee in requesting an expedited determination.

§ 422.572 Timeframes and notice requirements for expedited organization determinations.

(a) *Timeframe.* Except as provided in paragraph (b) of this section, an M+C organization that approves a request for expedited determination must make its determination and notify the enrollee (and the physician involved, as appropriate) of its decision, whether adverse or favorable, as expeditiously as the enrollee's health condition requires, but no later than 72 hours after receiving the request.

(b) *Extensions.* The M+C organization may extend the 72-hour deadline by up to 14 calendar days if the enrollee requests the extension or if the organization justifies a need for additional information and how the delay is in the

interest of the enrollee (for example, the receipt of additional medical evidence from noncontract providers may change an M+C organization's decision to deny). The M+C organization must notify the enrollee of its determination as expeditiously as the enrollee's health condition requires, but no later than upon expiration of the extension.

(c) *Confirmation of oral notice.* If the M+C organization first notifies an enrollee of its expedited determination orally, it must mail written confirmation to the enrollee within 2 working days of the oral notification.

(d) *How information from noncontract providers affects timeframes for expedited determinations.* If an M+C organization must receive medical information from noncontract providers, the 72-hour period begins when the organization receives that information. Noncontract providers must make reasonable and diligent efforts to expeditiously gather and forward all necessary information in order to receive timely payment.

(e) *Content of the notice of expedited determination.* (1) The notice of any expedited determination must state the specific reasons for the determination in understandable language.

(2) If the determination is not completely favorable to the enrollee, the notice must—

(i) Inform the enrollee of his or her right to a reconsideration;

(ii) Describe both the standard and expedited reconsideration processes, including the enrollee's right to request, and conditions for obtaining, an expedited reconsideration, and the rest of the appeal process; and

(iii) Comply with any other requirements specified by HCFA.

(f) *Effect of failure to provide a timely notice.* If the M+C organization fails to provide the enrollee with timely notice of an expedited organization determination as specified in this section, this failure itself constitutes an adverse organization determination and may be appealed.

§ 422.574 Parties to the organization determination.

The parties to the organization determination are—

(a) The enrollee (including his or her authorized representative);

(b) An assignee of the enrollee (that is, a physician or other provider who has furnished a service to the enrollee and formally agrees to waive any right to payment from the enrollee for that service);

(c) The legal representative of a deceased enrollee's estate; or

(d) Any other provider or entity (other than the M+C organization) determined to have an appealable interest in the proceeding.

§ 422.576 Effect of an organization determination.

The organization determination is binding on all parties unless it is reconsidered under §§ 422.578 through 422.596 or is reopened and revised under § 422.616.

§ 422.578 Right to a reconsideration.

Any party to an organization determination (including one that has been reopened and revised as described in § 422.616) may request that the determination be reconsidered under the procedures described in § 422.582, which address requests for a standard reconsideration. An enrollee or physician (acting on behalf of an enrollee) may request an expedited reconsideration as described in § 422.584.

§ 422.580 Reconsideration defined.

A reconsideration consists of a review of an adverse organization determination, the evidence and findings upon which it was based, and any other evidence the parties submit or the M+C organization or HCFA obtains.

§ 422.582 Request for a standard reconsideration.

(a) *Method and place for filing a request.* A party to an organization determination must ask for a reconsideration of the determination by filing a written request with—

(1) The M+C organization that made the organization determination;

(2) An SSA office; or

(3) In the case of a qualified railroad retirement beneficiary, an RRB office.

(b) *Timeframe for filing a request.* Except as provided in paragraph (c) of this section, a party must file a request for a reconsideration within 60 calendar days from the date of the notice

of the organization determination. If the SSA or RRB receives a request, it forwards the request to the M+C organization for its reconsideration. The timeframe within which the organization must conduct its review begins when it receives the request.

(c) *Extending the time for filing a request*—(1) *General rule.* If a party shows good cause, the M+C organization may extend the timeframe for filing a request for reconsideration.

(2) *How to request an extension of timeframe.* If the 60-day period in which to file a request for a reconsideration has expired, a party to the organization determination may file a request for reconsideration with the M+C organization, SSA, or an RRB office. If SSA or RRB receives a request, it forwards the request to the M+C organization for its reconsideration. The request for reconsideration and to extend the timeframe must—

- (i) Be in writing; and
- (ii) State why the request for reconsideration was not filed on time.

(d) *Parties to the reconsideration.* The parties to the reconsideration are the parties to the organization determination, as described in § 422.574, and any other provider or entity (other than the M+C organization) whose rights with respect to the organization determination may be affected by the reconsideration, as determined by the entity that conducts the reconsideration.

(e) *Withdrawing a request.* The party who files a request for reconsideration may withdraw it by filing a written request for withdrawal at one of the places listed in paragraph (a) of this section.

§ 422.584 Expediting certain reconsiderations.

(a) *Who may request an expedited reconsideration.* An enrollee or a physician (regardless of whether he or she is affiliated with the M+C organization) may request that an M+C organization expedite a reconsideration of a determination that involves the issues described in § 422.566(b)(3) and (b)(4). (This does not include requests for payment.) A physician that requests an expedited reconsideration must be acting on behalf of the enrollee as an authorized representative.

(b) *How to make a request.* (1) To ask for an expedited reconsideration, an enrollee or a physician acting on behalf of an enrollee must submit an oral or written request directly to the M+C organization or, if applicable, to the entity responsible for making the reconsideration, as directed by the M+C organization.

(2) A physician may provide oral or written support for a request for an expedited reconsideration.

(c) *How the M+C organization must process requests.* The M+C organization must establish and maintain the following procedures for processing requests for expedited reconsiderations:

(1) *Handling of requests.* The M+C organization must establish an efficient and convenient means for individuals to submit oral or written requests, document all oral requests in writing, and maintain the documentation in the case file.

(2) *Prompt decision.* Promptly decide on whether to expedite the reconsideration or follow the timeframe for standard reconsideration based on the following requirements:

(i) For a request made by an enrollee, the M+C organization must provide an expedited reconsideration if it determines that applying the standard timeframe for reconsidering a determination could seriously jeopardize the life or health of the enrollee or the enrollee's ability to regain maximum function.

(ii) For a request made or supported by a physician, the M+C organization must provide an expedited reconsideration if the physician indicates that applying the standard timeframe for conducting a reconsideration could seriously jeopardize the life or health of the enrollee or the enrollee's ability to regain maximum function.

(d) *Actions following denial.* If an M+C organization denies a request for expedited reconsideration, it must take the following actions:

(1) Automatically transfer a request to the standard timeframe and make the determination within the 30-day timeframe established in § 422.590(a). The 30-day period begins the day the M+C organization receives the request for expedited reconsideration.

(2) Give the enrollee prompt oral notice, and follow up, within 2 working days, with a written letter that—

(i) Explains that the M+C organization will process the enrollee's request using the 30-day timeframe for standard reconsiderations;

(ii) Informs the enrollee of the right to file a grievance if he or she disagrees with the organization's decision not to expedite; and

(iii) Provides instructions about the grievance process and its timeframes.

(e) *Action following acceptance of a request.* If an M+C organization grants a request for expedited reconsideration, it must conduct the reconsideration and give notice in accordance with § 422.590(d).

(f) *Prohibition of punitive action.* An M+C organization may not take or threaten to take any punitive action against a physician acting on behalf or in support of an enrollee in requesting an expedited reconsideration.

§ 422.586 Opportunity to submit evidence.

The M+C organization must provide the parties to the reconsideration with a reasonable opportunity to present evidence and allegations of fact or law, related to the issue in dispute, in person as well as in writing. In the case of an expedited reconsideration, the opportunity to present evidence is limited by the short timeframe for making a decision. Therefore, the M+C organization must inform the parties of the conditions for submitting the evidence.

§ 422.590 Timeframes and responsibility for reconsiderations.

(a) *Standard reconsideration: Request for services.* (1) If the M+C organization makes a reconsidered determination that is completely favorable to the enrollee, the M+C organization must issue the determination (and effectuate it in accordance with § 422.618(a)) as expeditiously as the enrollee's health condition requires, but no later than 30 calendar days from the date it receives the request for a standard reconsideration. The M+C organization may extend the timeframe by up to 14 calendar days if the enrollee requests the extension or if the organization justifies a need for additional information

and how the delay is in the interest of the enrollee (for example, the receipt of additional medical evidence from noncontract providers may change an M+C organization's decision to deny). For extensions, the M+C organization must issue and effectuate its determination as expeditiously as the enrollee's health condition requires, but no later than upon expiration of the extension.

(2) If the M+C organization makes a reconsidered determination that affirms, in whole or in part, its adverse organization determination, it must prepare a written explanation and send the case file to the independent entity contracted by HCFA as expeditiously as the enrollee's health condition requires, but no later than 30 calendar days from the date it receives the request for a standard reconsideration (or no later than the expiration of an extension described in paragraph (a)(1) of this section). The organization must make reasonable and diligent efforts to assist in gathering and forwarding information to the independent entity.

(b) *Standard reconsideration: Request for payment.* (1) If the M+C organization makes a reconsidered determination that is completely favorable to the enrollee, the M+C organization must issue its reconsidered determination to the enrollee (and effectuate it in accordance with § 422.618(a)) no later than 60 calendar days from the date it receives the request for a standard reconsideration.

(2) If the M+C organization affirms, in whole or in part, its adverse organization determination, it must prepare a written explanation and send the case file to the independent entity contracted by HCFA no later than 60 calendar days from the date it receives the request for a standard reconsideration. The organization must make reasonable and diligent efforts to assist in gathering and forwarding information to the independent entity.

(c) *Effect of failure to meet timeframe for standard reconsideration.* If the M+C organization fails to provide the enrollee with a reconsidered determination within the timeframes specified in paragraph (a) or paragraph (b) of this section, this failure constitutes an affirmation of its adverse organization

determination, and the M+C organization must submit the file to the independent entity in the same manner as described under paragraphs (a)(2) and (b)(2) of this section.

(d) *Expedited reconsideration*—(1) *Timeframe*. Except as provided in paragraph (d)(2) of this section, an M+C organization that approves a request for expedited reconsideration must complete its reconsideration and give the enrollee (and the physician involved, as appropriate) notice of its decision as expeditiously as the enrollee's health condition requires but no later than 72 hours after receiving the request.

(2) *Extensions*. The M+C organization may extend the 72-hour deadline by up to 14 calendar days if the enrollee requests the extension or if the organization justifies a need for additional information and how the delay is in the interest of the enrollee (for example, the receipt of additional medical evidence from noncontract providers may change an M+C organization's decision to deny). The M+C organization must notify the enrollee of its determination as expeditiously as the enrollee's health condition requires but no later than upon expiration of the extension.

(3) *Confirmation of oral notice*. If the M+C organization first notifies an enrollee orally of a completely favorable expedited reconsideration, it must mail written confirmation to the enrollee within 2 working days.

(4) *How information from noncontract providers affects timeframes for expedited reconsiderations*. If the M+C organization must receive medical information from noncontract providers, the 72-hour period begins when the organization receives the information. Noncontract providers must make reasonable and diligent efforts to expeditiously gather and forward all necessary information in order to receive timely payment.

(5) *Affirmation of an adverse expedited organization determination*. If, as a result of its reconsideration, the M+C organization affirms, in whole or in part, its adverse expedited organization determination, the M+C organization must submit a written explanation and the case file to the independent entity contracted by HCFA as expeditiously as the enrollee's health condition re-

quires, but not later than within 24 hours of its affirmation. The organization must make reasonable and diligent efforts to assist in gathering and forwarding information to the independent entity.

(e) *Notification of enrollee*. If the M+C organization refers the matter to the independent entity as described under this section, it must concurrently notify the enrollee of that action.

(f) *Failure to meet timeframe for expedited reconsideration*. If the M+C organization fails to provide the enrollee with the results of its reconsideration within the timeframe described in paragraph (d) of this section, this failure constitutes an adverse reconsidered determination, and the M+C organization must submit the file to the independent entity within 24 hours of expiration of the timeframe set forth in paragraph (d) of this section.

(g) *Who must reconsider an adverse organization determination*. (1) A person or persons who were not involved in making the organization determination must conduct the reconsideration.

(2) When the issue is the M+C organization's denial of coverage based on a lack of medical necessity, the reconsidered determination must be made by a physician with expertise in the field of medicine that is appropriate for the services at issue.

§ 422.592 Reconsideration by an independent entity.

(a) When the M+C organization affirms, in whole or in part, its adverse organization determination, the issues that remain in dispute must be reviewed and resolved by an independent, outside entity that contracts with HCFA.

(b) The independent outside entity must conduct the review as expeditiously as the enrollee's health condition requires but must not exceed the deadlines specified in the contract.

(c) When the independent entity conducts a reconsideration, the parties to the reconsideration are the same parties listed in § 422.582(d) who qualified during the M+C organization's reconsideration, with the addition of the M+C organization.

§ 422.594 Notice of reconsidered determination by the independent entity.

(a) *Responsibility for the notice.* When the independent entity makes the reconsidered determination, it is responsible for mailing a notice of its reconsidered determination to the parties and for sending a copy to HCFA.

(b) *Content of the notice.* The notice must—

(1) State the specific reasons for the entity's decisions;

(2) If the reconsidered determination is adverse (that is, does not completely reverse the M+C organization's adverse organization determination), inform the parties of their right to an ALJ hearing if the amount in controversy is \$100 or more;

(3) Describe the procedures that a party must follow to obtain an ALJ hearing; and

(4) Comply with any other requirements specified by HCFA.

§ 422.596 Effect of a reconsidered determination.

A reconsidered determination is final and binding on all parties unless a party files a request for a hearing under the provisions of § 422.602, or unless the reconsidered determination is revised under § 422.616.

§ 422.600 Right to a hearing.

(a) If the amount remaining in controversy is \$100 or more, any party to the reconsideration (except the M+C organization) who is dissatisfied with the reconsidered determination has a right to a hearing before an ALJ. The M+C organization does not have the right to request a hearing before an ALJ.

(b) The amount remaining in controversy, which can include any combination of Part A and Part B services, is computed in accordance with § 405.740 of this chapter for Part A services and § 405.817 of this chapter for Part B services.

(c) If the basis for the appeal is the M+C organization's refusal to provide services, HCFA uses the projected value of those services to compute the amount remaining in controversy.

§ 422.602 Request for an ALJ hearing.

(a) *How and where to file a request.* A party must file a written request for a hearing at one of the places listed in § 422.582(a) or with the independent, outside entity. The organizations listed in § 422.582(a) forward the request to the independent, outside entity, which is responsible for transferring the case to the appropriate ALJ hearing office.

(b) *When to file a request.* Except when an ALJ extends the timeframe as provided in 20 CFR 404.933(c), a party must file a request for a hearing within 60 days of the date of the notice of a reconsidered determination.

(c) *Parties to a hearing.* The parties to a hearing are the parties to the reconsideration, the M+C organization, and any other person or entity whose rights with respect to the reconsideration may be affected by the hearing, as determined by the ALJ.

(d) *When the amount in controversy is less than \$100.* (1) If a request for a hearing clearly shows that the amount in controversy is less than \$100, the ALJ dismisses the request.

(2) If, after a hearing is initiated, the ALJ finds that the amount in controversy is less than \$100, he or she discontinues the hearing and does not rule on the substantive issues raised in the appeal.

§ 422.608 Departmental Appeals Board (the Board) review.

Any party to the hearing, including the M+C organization, who is dissatisfied with the ALJ hearing decision, may request that the Board review the ALJ's decision or dismissal. Regulations located at 20 CFR 404.967 through 404.984 regarding SSA Appeals Council Review apply to Board review for matters addressed by this subpart.

§ 422.612 Judicial review.

(a) *Review of ALJ's decision.* Any party, including the M+C organization, may request judicial review (upon notifying the other parties) of an ALJ's decision if—

(1) The Board denied the party's request for review; and

§ 422.616

42 CFR Ch. IV (10–1–99 Edition)

(2) The amount in controversy is \$1,000 or more.

(b) *Review of Board decision.* Any party, including the M+C organization, may request judicial review (upon notifying the other parties) of the Board decision if—

(1) It is the final decision of HCFA; and

(2) The amount in controversy is \$1,000 or more.

(c) *How to request judicial review.* A party must file a civil action in a district court of the United States in accordance with section 205(g) of the Act (see 20 CFR 422.210 for a description of the procedures to follow in requesting judicial review).

[63 FR 35107, June 26, 1998; 63 FR 52614, Oct. 1, 1998]

§ 422.616 Reopening and revising determinations and decisions.

(a) An organization or reconsidered determination made by an M+C organization, a reconsidered determination made by the independent entity described in § 422.592, or the decision of an ALJ or the Board that is otherwise final and binding may be reopened and revised by the entity that made the determination or decision, under the rules in § 405.750 of this chapter.

(b) Reopening may be at the instigation of any party.

(c) The filing of a request for reopening does not relieve the M+C organization of its obligation to make payment or provide services as specified in § 422.618.

(d) Once an entity issues a revised determination or decision, any party may file an appeal.

[63 FR 35107, June 26, 1998; 63 FR 52614, Oct. 1, 1998]

§ 422.618 How an M+C organization must effectuate reconsidered determinations or decisions.

(a) *Reversals by the M+C organization—(1) Requests for service.* If, on reconsideration of a request for service, the M+C organization completely reverses its organization determination, the organization must authorize or provide the service under dispute as expeditiously as the enrollee's health condition requires, but no later than 30 calendar days after the date the M+C

organization receives the request for reconsideration (or no later than upon expiration of an extension described in § 422.590(a)(1)).

(2) *Requests for payment.* If, on reconsideration of a request for payment, the M+C organization completely reverses its organization determination, the organization must pay for the service no later than 60 calendar days after the date the M+C organization receives the request for reconsideration.

(b) *Reversals other than by the M+C organization.* If the M+C organization's organization determination is reversed in whole or in part by the independent outside entity or at a higher level of appeal, the M+C organization must pay for, authorize, or provide the service under dispute as expeditiously as the enrollee's health condition requires, but no later than 60 calendar days from the date it receives notice reversing the organization determination. The M+C organization must also inform the independent, outside entity that the organization has effectuated the decision.

§ 422.620 How M+C organizations must notify enrollees of noncoverage of inpatient hospital care.

(a) *Enrollee's entitlement.* Where an M+C organization has authorized coverage of the inpatient admission of an enrollee, either directly or by delegation (or the admission constitutes emergency or urgently needed care, as described in §§ 422.2 and 422.112(c)), the enrollee remains entitled to inpatient hospital care until he or she receives notice of noncoverage of that care.

(b) *Physician concurrence required.* Before the M+C organization gives notice of noncoverage as described in paragraph (c) of this section, the physician who is responsible for the enrollee's hospital care must concur.

(c) *Notice to the enrollee.* The M+C organization must give the enrollee written notice that includes the following:

(1) The reason why inpatient hospital care is no longer needed.

(2) The effective date of the enrollee's liability for continued inpatient care.

(3) The enrollee's appeal rights.

(4) Comply with any other requirements specified by HCFA.

(d) *Physician concurrence when a hospital determines if care is necessary.* If the M+C organization allows the hospital to determine whether inpatient care is necessary, the hospital obtains the concurrence of the contracting physician responsible for the enrollee's hospital care or of another physician as authorized by the M+C organization, and notifies the enrollee, following the procedures set forth in § 412.42(c)(3) of this chapter.

[63 FR 35107, June 26, 1998; 63 FR 52614, Oct. 1, 1998]

§ 422.622 Requesting immediate PRO review of noncoverage of inpatient hospital care.

(a) *Enrollee's right to review or reconsideration.* (1) An enrollee who wishes to appeal a determination by an M+C organization or hospital that inpatient care is no longer necessary must request immediate PRO review of the determination in accordance with paragraph (b) of this section. An enrollee who requests immediate PRO review may remain in the hospital with no additional financial liability as specified in paragraph (c) of this section.

(2) An enrollee who fails to request immediate PRO review in accordance with the procedures in paragraph (b) of this section may request expedited reconsideration by the M+C organization as described in § 422.584, but the financial liability rules of paragraph (c) of this section do not apply.

(b) *Procedures enrollee must follow.* For the immediate PRO review process, the following rules apply:

(1) The enrollee must submit the request for immediate review—

(i) To the PRO that has an agreement with the hospital under § 466.78 of this chapter;

(ii) In writing or by telephone; and

(iii) By noon of the first working day after he or she receives written notice that the M+C organization or hospital has determined that the hospital stay is no longer necessary.

(2) On the date it receives the enrollee's request, the PRO must notify the M+C organization that the enrollee has filed a request for immediate review.

(3) The M+C organization must supply any information that the PRO requires to conduct its review and must

make it available, by phone or in writing, by the close of business of the first full working day immediately following the day the enrollee submits the request for review.

(4) In response to a request from the M+C organization, the hospital must submit medical records and other pertinent information to the PRO by close of business of the first full working day immediately following the day the organization makes its request.

(5) The PRO must solicit the views of the enrollee who requested the immediate PRO review.

(6) The PRO must make a determination and notify the enrollee, the hospital, and the M+C organization by close of business of the first working day after it receives all necessary information from the hospital, or the organization, or both.

(c) *Liability for hospital costs—(1) When the M+C organization determines that hospital services are not, or are no longer, covered.* (i) Except as provided in paragraph (c)(1)(ii) of this section, if the M+C organization authorized coverage of the inpatient admission directly or by delegation (or the admission constitutes emergency or urgently needed care, as described in §§ 422.2 and 422.112(c)), the organization continues to be financially responsible for the costs of the hospital stay when a timely appeal is filed under paragraph (a)(1) of this section until noon of the calendar day following the day the PRO notifies the enrollee of its review determination. If coverage of the hospital admission was never approved by the M+C organization (or the admission does not constitute emergency or urgently needed care, as described in §§ 422.2 and 422.112(c)), the M+C organization is liable for the hospital costs only if it is determined on appeal that the hospital stay should have been covered under the M+C plan.

(ii) The hospital may not charge the M+C organization (or the enrollee) if—

(A) It was the hospital (acting on behalf of the enrollee) that filed the request for immediate PRO review; and

(B) The PRO upholds the noncoverage determination made by the M+C organization.

(2) *When the hospital determines that hospital services are no longer required.* If

§ 422.641

the hospital determines that inpatient hospital services are no longer necessary, and the enrollee could not reasonably be expected to know that the services would not be covered, the hospital may not charge the enrollee for inpatient services received before noon of the calendar day following the day the PRO notifies the enrollee of its review determination.

SOURCE: 63 FR 35115, June 26, 1998, unless otherwise noted.

§ 422.750 Kinds of sanctions.

(a) The following intermediate sanctions and civil money penalties may be imposed:

(1) Civil money penalties ranging from \$10,000 to \$100,000 depending upon the violation.

(2) Suspension of enrollment of Medicare beneficiaries.

§ 422.752

(3) Suspension of payment to the M+C organization for Medicare beneficiaries who enroll.

(4) Require the M+C organization to suspend all marketing activities to Medicare beneficiaries for the M+C plan subject to the intermediate sanctions.

(b) The enrollment, payment, and marketing sanctions continue in effect until HCFA is satisfied that the deficiency on which the determination was based has been corrected and is not likely to recur.

§ 422.752 Basis for imposing sanctions.

(a) *All intermediate sanctions.* For the violations listed below, HCFA may impose any of the sanctions specified in § 422.750 on any M+C organization that has a contract in effect. The M+C organization may also be subject to other applicable remedies available under law.

(1) Fails substantially to provide, to an M+C enrollee, medically necessary services that the organization is required to provide (under law or under the contract) to an M+C enrollee, and that failure adversely affects (or is substantially likely to adversely affect) the enrollee.

(2) Imposes on M+C enrollees premiums in excess of the monthly basic and supplemental beneficiary premiums permitted under section 1854 of the Act and subpart G of this part.

(3) Expels or refuses to reenroll a beneficiary in violation of the provisions of this part.

[63 FR 35115, June 26, 1998; 63 FR 52614, Oct. 1, 1998]

§ 422.756 Procedures for imposing sanctions.

(a) *Notice of Sanction and opportunity to respond—*(1) *Notice of sanction.* Before imposing the intermediate sanctions specified in paragraph (c) of this section HCFA—

(i) Sends a written notice to the M+C organization stating the nature and basis of the proposed sanction; and

(ii) Sends the OIG a copy of the notice.

(2) *Opportunity to respond.* HCFA allows the M+C organization 15 days from receipt of the notice to provide evidence that it has not committed an act or failed to comply with the requirements described in § 422.752, as applicable. HCFA may allow a 15-day addition to the original 15 days upon receipt of a written request from the M+C organization. To be approved, the request must provide a credible explanation of why additional time is necessary and be received by HCFA before the end of the 15-day period following the date of receipt of the sanction notice. HCFA does not grant an extension if it determines that the M+C organization's conduct poses a threat to an enrollee's health and safety.

(b) *Informal reconsideration.* If, consistent with paragraph (a)(2) of this section the M+C organization submits a timely response to HCFA's notice of sanction, HCFA conducts an informal reconsideration that:

(1) Consists of a review of the evidence by an HCFA official who did not participate in the initial decision to impose a sanction; and

(2) Gives the M+C organization a concise written decision setting forth the factual and legal basis for the decision that affirms or rescinds the original determination.

(c) *Specific sanctions.* If HCFA determines that an M+C organization has acted or failed to act as specified in § 422.752 and affirms this determination in accordance with paragraph (b) of this section, HCFA may—

(1) Require the M+C organization to suspend acceptance of applications made by Medicare beneficiaries for enrollment in the sanctioned M+C plan during the sanction period;

(2) In the case of a violation under § 422.752(a), suspend payments to the M+C organization for Medicare beneficiaries enrolled in the sanctioned M+C plan during the sanction period; and

(3) Require the M+C organization to suspend all marketing activities for the sanctioned M+C plan to Medicare enrollees.

(d) *Effective date and duration of sanctions—*(1) *Effective date.* Except as provided in paragraph (d)(2) of this section, a sanction is effective 15 days after the date that the organization is notified of the decision to impose the sanction or, if the M+C organization timely seeks reconsideration under paragraph (b) of this section, on the date specified in the notice of HCFA's reconsidered determination.

(2) *Exception.* If HCFA determines that the M+C organization's conduct poses a serious threat to an enrollee's health and safety, HCFA may make the sanction effective on a date before issuance of HCFA's reconsidered determination.

(3) *Duration of sanction.* The sanction remains in effect until HCFA notifies the M+C organization that HCFA is satisfied that the basis for imposing the sanction has been corrected and is not likely to recur.

(e) *Termination by HCFA.* In addition to or as an alternative to the sanctions described in paragraph (c) of this section, HCFA may decline to authorize the renewal of an organization's con-

tract in accordance with § 422.506(b)(2) and (b)(3), or terminate the contract in accordance with § 422.510.

(f) *Civil money penalties.* (1) If HCFA determines that an M+C organization has committed an act or failed to comply with a requirement described in § 422.752, HCFA notifies the OIG of this determination, and also notifies OIG when HCFA reverses or terminates a sanction imposed under this part.

(2) In the case of a violation described in paragraph (a) of § 422.752, or a determination under paragraph (b) of § 422.752 based upon a violation under § 422.510(a)(4) (involving fraudulent or abusive activities), in accordance with the provisions of 42 CFR parts 1003 and 1005, the OIG may impose civil money penalties on the M+C organization in accordance with parts 1003 and 1005 of this title in addition to, or in place of, the sanctions that HCFA may impose under paragraph (c) of this section.

(3) In the case of a determination under paragraph (b) of § 422.752 other than a determination based upon a violation under § 422.510(a)(4), in accordance with the provisions of 42 CFR parts 1003 and 1005, HCFA may impose civil money penalties on the M+C organization in the amounts specified in § 422.758 in addition to, or in place of, the sanctions that HCFA may impose under paragraph (c) of this section.

§ 422.758 Maximum amount of civil money penalties imposed by HCFA.

If HCFA makes a determination under § 422.752(b), based on any determination under § 422.510(a) except a determination under § 422.510(a)(4), HCFA may impose civil money penalties in the following amounts:

(a) If the deficiency on which the determination is based has directly adversely affected (or has the substantial likelihood of adversely affecting) one or more M+C enrollees—\$25,000 for each determination.

(b) For each week that a deficiency remains uncorrected after the week in which the M+C organization receives HCFA's notice of the determination—\$10,000.

§ 422.760 Other applicable provisions.

The provisions of section 1128A of the Act (except subsections (a) and (b))
